Short Meditations On The Bible And Peanuts:

Short Meditations on the Bible and Peanuts Robert L. Short,1990-01-01 Offers Christian interpretations of the basic philosophies embodied in the Peanuts cartoon strip **Short Meditations on the Bible** Robert L. Short,1990-10 **The Gospel According to Peanuts** Robert L. Short,2000-01-01 While Charlie Brown Snoopy Lucy Linus and the rest of the Peanuts gang have enjoyed the kind of success most cartoon characters can only dream about becoming pop culture icons of the highest order and entering the global consciousness practically as family members Robert Short's *The Gospel According to Peanuts* also has found a place in the hearts of many readers with sales now totaling more than ten million copies This anniversary edition features a new cover a new interior design and a new foreword by Martin E Marty Whether coming to the book for the first time or taking a second look a delightful experience awaits in this modern day guide to the Christian faith fully illustrated with Peanuts The Gospel According to the Simpsons Mark I. Pinsky,2001-01-01 Examines the treatment of religion and spirituality in the animated television series including its depiction of God Jesus heaven hell and prayer in chapters devoted to Homer Lisa Ned Reverend Lovejoy Krusty and Apu **On Reading the Bible** Bill Bradfield,2012-07-12 Including quotes by everyone from Abraham Lincoln to Ray Charles hundreds of heartfelt perceptive comments by men and women from all walks of life fill the pages of this inspirational book **Comics Versus Art** Bart Beaty,2012-07-17 On the surface the relationship between comics and the high arts once seemed simple comic books and strips could be mined for inspiration but were not themselves considered legitimate art objects Though this traditional distinction has begun to erode the worlds of comics and art continue to occupy vastly different social spaces *Comics Versus Art* examines the relationship between comics and the most important institutions of the art world including museums auction houses and the art press Bart Beaty's analysis centres around two questions why were comics excluded from the history of art for most of the twentieth century and what does it mean that comics production is now more closely aligned with the art world Approaching this relationship for the first time through the lens of the sociology of culture Beaty advances a completely novel approach to the comics form A Charlie Brown Religion Stephen J. Lind,2015-11-04 Charles M Schulz's Peanuts comic strip franchise the most successful of all time forever changed the industry For more than half a century the endearing witty insights brought to life by Charlie Brown Snoopy Linus and Lucy have caused newspaper readers and television viewers across the globe to laugh sigh gasp and ponder *A Charlie Brown Religion* explores one of the most provocative topics Schulz broached in his heartwarming work religion Based on new archival research and original interviews with Schulz's family friends and colleagues author Stephen J Lind offers a new spiritual biography of the life and work of the great comic strip artist In his lifetime aficionados and detractors both labeled Schulz as a fundamentalist Christian or as an atheist Yet his deeply personal views on faith have eluded journalists and biographers for decades Previously unpublished writings from Schulz will move fans as they begin to see the nuances of the humorist's own complex intense journey toward understanding God and faith

There are three things that I've learned never to discuss with people: Linus says Religion, politics, and the Great Pumpkin. Yet with the support of religious communities, Schulz bravely defied convention and dared to express spiritual thought in the funny pages, a secular mainstream entertainment medium. This insightful, thorough study of the 17,897 Peanuts newspaper strips, seventy-five animated titles, and global merchandising empire will delight and intrigue as Schulz considers what it means to believe, what it means to doubt, and what it means to share faith with the world. **What Does the Bible Say**

About Animals Jaime L. Waters, 2022-05-20 We live among animals. For millions of people, they provide companionship and emotional or physical support. They serve in public safety, and their bodies provide us food. Their very presence fills us with wonder. In the Book of Genesis, they are the first living beings created by God. The rest of Scripture is filled with diverse traditions about animal life and death. In this fascinating book, Jaime Waters surveys the biblical text to help us better understand, articulate, and appreciate the fascinating role of animals in the Bible. *The Mall of America* Eric Nelson, 1998

The Parables of Dr. Seuss Robert L. Short, 2008-01-01 The author of *The Gospel According to Peanuts* now turns his attention to the words and verses of Theodor Geisel, aka Dr. Seuss, who is hardly regarded as a Christian thinker. However, by drawing on the Bible and other works, Short presents quick theological readings of Seuss's works. Hell Harold R. Bohrer, 2016-07-21 This book is about hell, its traditional role in the Christian Church, and the problems it presents for Christians, both those who believe in it and those who don't. Believers in orthodox hell often have an issue with their conscience. Non-believers tend to more readily question the reliability of Scripture. Hell shows a way we can have both accurate Scripture and a secure conscience. **Seeing the Supernatural** Lee Strobel, 2025-03-18 Now a New York Times bestseller, discover solid answers to the provocative questions you've been asking about the supernatural world through the investigative work of a former spiritual skeptic. We hear stories all the time about the supernatural: miraculous healings, unexplained sightings, near-death experiences, but how do we know what is real? Are rumors of spiritual beings, healings, and prophetic dreams dangerous deceptions, or is there something important for us to explore? Join investigative journalist and former atheist Lee Strobel as he examines the evidence and considers how we should think about the unseen world and the God who made and rules over it. As the bestselling author of the popular *Case For* series, which has sold millions of copies, Lee Strobel has interviewed some of the most brilliant scientists and philosophical thinkers in the world on topics of apologetics and faith. In *Seeing the Supernatural*, Lee weaves together his best material from several previous books with dynamic new and never-published interviews to investigate what the Bible really teaches about the unseen world. As he asks scholars the very questions you have about otherworldly experiences, Lee will help you better understand how God chooses to work in the fascinating supernatural realm and why it is important. Avoid common mistakes people make, including both ignoring the supernatural and becoming obsessed with it. Have answers ready for when you face objections or deceptions that are common in a world of supernatural counterfeits. Draw closer to God as you catch glimpses of his power and glory in ways you don't typically

experience Written for skeptics and believers alike Seeing the Supernatural is a transformative exploration of how the supernatural can shape our understanding of God's character and our own faith The Encyclopedia of Christian Literature George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio bibliographical essays describing the principal writers and their works These essays examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles Water Won't Quench the Fire William G. Carter, 1996 There is an air of unpredictability about William G Carter's sermons Improbable characters turn up all over the place a nursing home resident abandoning her walker to dance the polka cows listlessly chewing their cud beneath a Jesus is coming sign along the highway This volume is an attic full of eccentric treasures ready for a rainy day's exploring Enjoy their humor their joyful interplay of the biblical and the contemporary their delightful poetic cadences Thomas G Long Princeton Theological Seminary This book contains twelve sermons mostly based on the gospel of Mark They include these titles Learning to Live Without Jesus Can Christians Dance Looking a Little Bit Crazy How to Plant an English Garden William G Carter serves as pastor and head of staff of the First Presbyterian Church of Clarks Summit Pennsylvania He received his B A degree from the State University of New York and his M Div degree from Princeton Theological Seminary An accomplished jazz pianist Carter has extensive experience as a composer and arranger having studied and performed with noted jazz artists such as Phil Woods and Bob Brookmeyer His sermons and articles have appeared in Journal for Preachers Presbyterian Survey Preaching Lectionary Homiletics The Christian Ministry and Best Sermons Harper Collins 1994 **Theological Reflection across Religious Traditions** Edward Foley, 2015-02-12 Theological reflection connecting real life ministry and religious traditions is a core component of most pastoral training It is also a hallmark of practical theology and a common spiritual exercise among ordinary Christians trying to discern how their beliefs might influence daily living Yet our society is increasingly pluralistic with growing numbers of people from varying belief systems from Islam to Buddhism as well as an increasing number of atheists In this book Edward Foley reimagines theological reflection in interfaith contexts and with those of no faith tradition The book addresses and celebrates diverse beliefs and envisions the practice of theological reflection in such contexts Theological Reflection Across Religious Traditions introduces readers to the basics of traditional forms of theological reflection then

considers how it might be reconceived in different contexts from interfaith ministers working together to reduce poverty and homelessness to people of diverse or no faith traditions strategizing to secure the dignity of undocumented immigrants Beyond suggestions for collaborative social action the book offers tools for productive interfaith conversation through a process Foley calls reflective believing This is a groundbreaking rethinking of theological reflection for today's world proposing that people across the religious landscape can participate in reflective believing for personal and communal benefit without sacrificing their own integrity

Why Hell? Steve Gregg, 2024-06-04 Most people believe that hell is the final state of the condemned following the final judgment At the same time many people cannot comprehend why God created hell for the unsaved Respected church fathers held a variety of views dating back to the early centuries of the church This book explains views on why hell exists unending suffering the annihilation of the unrepentant and the rehabilitation of the lost Most Christians are unaware of the scriptural basis for each of these positions Why Hell is meant to educate the interested reader without advocating for any one point of view The following are some of the book's features Biblical vocabulary of hell and positions held throughout early Christian history Positive cases presented on three perspectives traditionalist conditionalist and restorationist Critiques of each view Helpful charts at the back of the book that summarize and cross examine the arguments for each view Steve Gregg provides food for thought for both trained theologians and serious Christian readers who want all the data and then consider for themselves the consequences of three Christian perspectives on hell

All You Want to Know About Hell Steve Gregg, 2013-11-12 All You Want to Know About Hell breaks down the three most popular views on hell and tells us what the Bible really says about this terrifying and mystifying place It is an undeniable fact that the very concept of hell is shrouded in mystery We know what books and movies tell us hell is like but we're left with so many questions Is hell simply a place where sinners are sent to suffer for their sins or is it more than that How could a loving God send anyone to hell Does the Bible give us a clear and consistent picture of hell What does the existence of hell tell us about God's character Steve Gregg author of Revelation Four Views will take you on a tour of the three most popular views on hell and walk you through a clear explanation of what Scripture really says From the traditional view of hell as a place of eternal torment to the early Christian view that hell is a place of suffering intended to purge sin and to bring about repentance no other book gives such in-depth biblical insight into the truths about hell that are hidden in all the hype All You Want to Know About Hell is an accessible and interesting read for laypeople pastors and scholars alike

Friends Journal, 1990 **Publishers Weekly**, 1990 **St. James Encyclopedia of Popular Culture** Tom Pendergast, Sara Pendergast, 2000 Contains essays that provide information on various elements of popular culture in the United States during the twentieth century covering the major areas of film music print culture social life sports television and radio and art and performance Arranged alphabetically from A to D
