The Shorter History of Ireland Desmond Keenan, 2017-12-06 This book is a shorter companion book to *The Real History of Ireland Warts and All*. It deals systematically with the social and economic aspects of Ireland from the earliest days until 1921. Many books with regard to the history of Ireland suffer to a greater or lesser degree of political or ideological distortion. It was always the authors' aim to get at the actual facts of Irish history and to paint a picture with warts and all. Events are placed in their historical context and not in the context of later political propaganda.
