**A Short History of Judaism** Jacob Neusner, 1992 One of the world's experts on classical Jewish history and literature offers an authoritative interpretation of the three major periods of Jewish history from the time of the Bible up to the present What emerges is a captivating account of the life forming nature of a dynamic religion in vastly differing historical contexts Three Questions of Formative Judaism Jacob Neusner, 2021-10-01 The Glossary maps illustrations photographs academic study of Judaism requires a systematic inquiry into the history literature and religion and eventually the theology as revealed in the historical documents themselves Under this premise Three Questions of Formative Judaism encounters the canonical writings of Judaism in the context of their creation at a certain time and place How something is said thus becomes as important as what is said Bringing nearly fifty years of research to bear on these fundamental questions Jacob Neusner challenges his readers to face the difficult often unasked or neglected questions about the nature background and purposes of Rabbinic Judaism and rewards them with an enriched understanding and a stronger foundation for tackling the even more elusive questions concerning the theology of formative Judaism This publication has also been published in paperback please click here for details Biblical Covenantalism, Volume 3 Douglas W. Leffler, Paul H. Jones, 2005-12-14 The Structure of Religion Judaism and Christianity presents a unique approach to understand each religion within its own context by addressing the differences in the ways in which each manifests itself in the world Because it is frequently the differences in attitudes and behaviors and not just beliefs that constitute the major

stumbling blocks to improved Jewish Christian relations today this book seeks to enhance respect for and appreciation of the other by utilizing a structural approach to both religions The Documentary History of Judaism and Its Recent Interpreters Jacob Neusner, 2012-07-10 The result for the history of Judaism of a documentary reading of the Rabbinic canonical sources illustrates the working of that hypothesis It is the first major outcome of that hypothesis but there are other implications and a variety of new problems emerge from time to time as the work proceeds In the recent past Neusner has continued to explore special problems of the documentary hypothesis of the Rabbinic canon At the same time Neusner notes others join in the discussion that have produced important and ambitious analyses of the thesis and its implications Here Neuser has collected some of the more ambitious ventures into the hypothesis and its current recapitulations Neusner begins with the article written by Professor William Scott Green for the Encyclopaedia Judaica second edition as Green places the documentary hypothesis into the context of Neusner's entire oeuvre Neuser then reproduces what he regards as the single most successful venture of the documentary hypothesis contrasting between the Mishnah s and the Talmuds programs for the social order of Israel the doctrines of economics politics and philosophy set forth in those documents respectively Then come the two foci of discourse Halakhah or normative law and Aggadah or normative theology Professors Bernard Jackson of the University of Manchester England and Mayer Gruber of Ben Gurion University of the Negev treat the Halakhic program that Neusner has devised and Kevin Edgecomb of the University of California Berkeley has produced a remarkable summary of the theological system Neusner discerns in the Aggadic documents Neusner concludes with a review of a book by a critic of the documentary hypothesis Encyclopedia of Judaism Sara E. **Jerusalem Crucified, Jerusalem Risen** Mark S. Kinzer, 2018-10-30 The good news euangelion of the crucified and risen Messiah was proclaimed first to Jews in Jerusalem and then to Jews throughout the land of Israel In Jerusalem Crucified Jerusalem Risen Mark Kinzer argues that this initial audience and geographical setting of the euangelion is integral to the eschatological content of the message itself While the good news is universal in concern and cosmic in scope it never loses its particular connection to the Jewish people the city of Jerusalem and the land of Israel The crucified Messiah participates in the future exilic suffering of his people and by his resurrection offers a pledge of Jerusalem's coming redemption Basing his argument on a reading of the Acts of the Apostles and the Gospel of Luke Kinzer proposes that the biblical message requires its interpreters to reflect theologically on the events of post biblical history. In this context he considers the early emergence of Rabbinic Judaism and the much later phenomenon of Zionism offering a theological perspective on these historical developments that is biblically rooted attentive to both Jewish and Christian tradition and minimalist in the theological constraints it imposes on the just resolution of political conflict in the Middle East **Hope and Otherness: Christian** Eschatology and Interreligious Hospitality Jakob W. Wirén, 2017-11-01 In Hope and Otherness Jakob Wir n analyses the place and role of the religious Other in contemporary eschatology In connection with this theme he examines and compares different levels of inclusion and exclusion in Christian Muslim and Jewish eschatologies He argues that a distinction should be made in approaches to this issue between soteriological openness and eschatological openness By going beyond Christian theology and also looking to Muslim and Jewish sources and by combining the guestion of the religious Other with eschatology Wir n explores ways of articulating Christian eschatology in light of religious otherness and provides a new and vital slant to the threefold paradigm of exclusivism inclusivism and pluralism that has been prevalent in the theology of religions Jakob Wir n s study pushes forward the frontiers of three disciplines all at the same time theology of religions comparative religions and eschatology This is a challenging and important book Gavin D Costa University of Bristol Professor of Catholic Theology 2017 This book explores of the status of religious others in Christian eschatology and of eschatology itself as a privileged place for reflecting on religious otherness Wiren mines not only Christian but also Jewish and Muslim sources to develop an inclusive eschatology Hope and Otherness thus represents an important contribution to both theology of religions and comparative theology Catherine Cornille Boston College Professor of Comparative Theology 2017

requires the other in order to understand itself In Searching Her Own Mystery noted Messianic Jewish theologian Mark S Kinzer argues that the Church has yet to explore adequately the implications of Nostra Aetate for Christian self understanding The new Catholic teaching concerning Israel should produce fresh perspectives on the entire range of Christian theology including Christology ecclesiology and the theology of the sacraments To this end Kinzer proposes an Israel ecclesiology rooted in Israel Christology in which a restored ecclesia ex circumcisione the church from the circumcision assumes a crucial role as a sacramental sign of the Church's bond with the Jewish people and genealogical All You Want to Know But Didn't Think You Could Ask Jessica Tinklenberg Israel s irrevocable election deVega, Christine Ortega Gaurkee, 2012-02-20 Many young people fear that if they ask the wrong question about a religion or belief system they ll be seen as insensitive or unintelligent But to Jessica deVega a high school religion teacher and a professor of religion there are no bad questions and nothing is too taboo to ask All You Want to Know But Didn t Think You Could Ask clarifies the founding history practices and beliefs of forty groups from Islam Shamanism and Mormonism to atheism vampirism and astrology Here is everything teens and young adults need to know about world religions and philosophies in one place Each chapter puts the group in context and explains how the religion is similar to or different from Christianity No other book covers such a wide range of topics in as direct and gentle a manner This book is perfect for you if you ve ever Heard puzzling statements or had questions about any belief system Met someone of another religion for the very first time and wondered what that person believes or how to speak to her respectfully while holding true to your own faith Worried that you hold misconceptions or stereotypes about other religious beliefs Want to understand you own faith better by looking at what other people believe and why Features include Charts and tables for easy comparison of different religious beliefs and practices Coverage of world religions new religions and religions in popular culture Overviews of the founding history and typical followers of each religion Written for classroom or individual study **Healing the Schism** Jennifer M. Rosner, 2021-07-28 The past and future of Jewish Christian dialogue The history of the relationship between Judaism and Christianity is storied and tragic However recent decades show promise as both parties reflect on their self definitions and mutual contingency and consider possible ways forward In Healing the Schism Jennifer M Rosner maps the new Jewish Christian encounter from its origins in the early twentieth century pioneers to its current representatives Rosner first traces the thought of Karl Barth and Frank Rosenzweig and brings them into conversation Rosner then outlines the reassessments and developments of post Holocaust theological architects that moved the dialogue forward and set the stage for today She considers the recent work of Messianic Jewish theologian Mark S Kinzer and concludes by envisioning future possibilities With clarity and rigor Rosner offers a robust perspective of Judaism and Christianity that is post supersessionist and theologically orthodox Healing the Schism is essential reading for understanding the perils and promise of Messianic Jewish identity and Jewish Christian theological conversation Heaven, Hell, and the Afterlife J.
