Sir Edmund William Gosse, 1923 *A Short History of Modern English Literature (Classic Reprint)* Edmund Gosse, 2015-07-06 Excerpt from A Short History of Modern English Literature The great pressure upon space has been relieved by dividing the history of English literature into two portions If this series continues to receive the support of the public it is hoped that a volume on the archaic section may bring the story down from the earliest times to Robert of Brunne and Laurence Minot In my first three chapters I have further lightened my labour by leaving out of consideration what was written in this country in Latin or French for although this may be material in dealing with thought in England it can have but a small connection with the history of expression in the English language I make no apology for the prominence given throughout to the art of poetry for it is in verse that style can most definitely and to greatest advantage be studied especially in a literature like ours where prose has mainly been written without any other aim than the naive transference of ideas or statement of facts like the prose of M Jourdain while our national poetry which is one of our main national glories has been a consecutive chain of consciously elaborated masterpieces About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Modern English Literature** Edmund Gosse, 1925 This work attempts to present the evolution of English literature through succeeding generations and various threads of literary expression **A Short History of Modern English Literature** Edmund Gosse, 1929 *Short History of Modern English Literature* Edmund Gosse, 1906 Modern English Literature Edmund Gosse, 2011-10-01 Sir Edmund William Gosse 1849 1928 was an English poet author and critic His works include several books of verse the autobiographical *Father and Son*
