Crosby,2011-04-01 Reduced to its simplest form The Dysfunctional Church maintains that The Catholic church is an addict an institutional addict It s addicted to preserving the male celibate clerical model of the church Many Catholics exhibit patterns of classic codependency which reinforce this addiction The result is a dysfunctional church unable to confront a problem many members know is there Michael Crosby breaks the silence to talk openly about the abuse of authority in the Catholic church He does this in a way that offers comfort hope and challenge to the frustrated but caring members of its family He traces the historical gathering of powers by the hierarchy into its own hands and its ramification for today Applying the approach that Matthew s Jesus took to the church leaders of his day Crosby brings the discerning light of scripture into the dark corners of growing addiction The Dysfunctional Church is a clear loving and unequivocal intervention The author calls on church leaders and all other codependents in the church to face their addiction and seek recovery through spiritual conversion Acknowledging that he himself is a recovering codependent he invites us all to turn to God to fill the hole in our wholeness This involves coming under the authority of a higher power as well as finding support in prophetic communities modeled on the Twelve Steps For those who left the church in anger Crosby s analysis invites compassion for those who remain in frustration it offers hope and for the many who feel condemned to the church s use of authority it offers a way of recovery Stranger at the Gate Mel White,1995-04-01 Compelling eloquent and compassionate We learn as much about growing up in the Christian right as we do about gay life in Mel White s heartfelt and revealing memoir San Francisco Examiner Until Christmas Eve 1991 Mel White was regarded by the leaders of the religious right as one of their most talented and productive supporters He penned the speeches of Ollie North He was a ghostwriter for Jerry Falwell worked with Jim Bakker flew in Pat Robertson s private jet walked sandy beaches with Billy Graham What these men didn t know was that Mel White evangelical minister committed Christian family man was gay In this remarkable book Mel White details his twenty five years of being counseled exorcised electric shocked prayed for and nearly driven to suicide because his church said homosexuality was wrong But his salvation to be openly gay and Christian is more than a unique coming out story It is a chilling exposé that goes right into the secret meetings and hidden agendas of the religious right Told by an eyewitness and

Miller, 2019-06-24 Do we have the wrong map for the Christian life Life's inconveniences disappointments and trials can leave us confused cynical and eventually bitter But the apostle Paul traces out the path of dying and rising with Jesus what Paul Miller calls the J Curve as the normal Christian life The J Curve maps the ups and downs of daily life onto the story of Jesus It grounds our journeys not in some abstract idea but in union with Christ and his work of love Understanding our lives in light of the J Curve roots our hope centers our love and tethers our faith to Christ *If I'm Waiting on God, Then What Am I Doing in a Christian Chatroom?* Kerri Pomarolli, 2006 A self-described do it yourself single Pomarolli shares her side of the Christian dating scene through stories of joy frustration pain and late night snacks **Spiritual Abuse Recovery** Barbara M. Orlowski, 2010-01-01 What factors contribute to active Christians in ministry leaving their church and becoming

exiting statistics Every year dedicated Christian people leave churches because of spiritual abuse The stories of people who left their home church because of a negative and hurtful experience paint a picture of a widespread occurrence which beckons consideration by church leaders and church congregants alike Spiritual abuse the misuse of spiritual authority to maltreat followers in the Christian Church is a complex issue This book shows how people processed their grief after experiencing spiritual abuse in their local church and how they rediscovered spiritual harmony Their spiritual journey shows how one may grow through this devastating experience This book offers a thoughtful look at the topic of spiritual recovery from clergy abuse through the eyes of those who have experienced it It invites church leaders to consider this very real dysfunction in the Church today and aims to demonstrate a path forward to greater freedom in Christ after a season of disillusionment with church leadership
