The History of Taekwondo

The history of Taekwondo is a story of the development of a martial art from its roots in the ancient Korean martial arts of Taekkyeon and Suburi.

A Taekwondo master named Bodhidharma is credited with introducing the art to Korea in the 5th century AD. The art, which is the Korean version of the Chinese martial art of Tai Chi, was known as Taekwon-do.

While modern Taekwondo has its roots in the style of General Choi Hong-hi, who was a Korean immigrant to the United States, the art was developed in Korea by General Choi Hong-hi and his students.

During the early days, before the Korean War, the peninsula was divided into two kingdoms - North Korea and South Korea. The South Korean government, which was a dictatorship, was known for its brutal treatment of its citizens.
