The Religious Hysteria of Doctor Humphrey Humperdinck John Tan,2014-05-16 John Tan s thirteenth published work The Religious Hysteria of Doctor Humphrey Humperdinck is partly autobiographical as it recounts his emotional breakdown and partly inspired by a popular movie and television cartoon series In a startling reaction to the uncongenial madness of the modern world Dr Humperdinck decides on an experiment of taking on ghouls but botching

the reverse exorcism process he finds himself distracted and seeing things in mundane places for seven years In the course of his struggles to overcome his psychic and visual aberration he had a therapeutic encounter with Professor John Wyndham Tanischi a psychologist who guided him on his journey of self discovery and maturity which led at last to his marriage to a former nurse at Poole s Sanatorium For the first time in softcover hardcover the text incorporate all the latest changes the author has made he who is always looking to make his book richer based on his own burgeoning experience *The "Ghostly Land": the "Medium's Secret"; Being the Mystery of the Human Soul: Its Dwelling, Nature, and Power of Materialization. Also, the Coming Woman, and the New Divorce Law, Etc. [By P.B. Randolph.]* Paschal Beverly RANDOLPH,1874 *The Mystic Test Book or the Magic of the Cards* Olney H. Richmond,2018-09-10 The publication of this work was we might say forced upon us by the demand before even a page of manuscript was prepared for the press The demand was caused by members of the Temple who recognized the necessity of a printed text book from which they could study the meanings of the cards and their indications under the seven planets These brothers and sisters naturally wished to perfect themselves in emblem reading as rapidly as possible and they could not so perfect themselves without a full and complete set of tables that they could study and refer to at will The next trouble that arose was the question of expense as aside from the printing engraving binding electrotyping and matters of that kind the author s time was and is now so valuable that the item far overbalances those mentioned It was finally decided that the most feasible plan was to get out enough copies to supply more than our immediate membership and to sell them to outsiders under certain restrictions *Emancipation* Gertrude Elizabeth Wilder Miles,1922 *March 29: Unlocking the Secrets of Your Birthdate* Robert J Dornan,2025-09-29 What if your birthday was more than a date on the calendar what if it was a map This isn t your grandmother s astrology book and it s not a recycled one size fits all horoscope either Each day of the year gets its own deep dive written in plainspoken funny and emotionally honest language designed to feel like a conversation with your smartest and slightly sarcastic friend Whether you re reading about yourself someone you love or just snooping on your crush s birthday you ll find insights that actually make sense in the real world Inside you ll discover Life Path numbers and destiny breakdowns that are finally accurate no recycled math mistakes here Creative and career guidance written for people who live in the 21st century not the Middle Ages Relationships and compatibility chapters that trade clich s for real life dynamics you ll actually recognize Colors stones and scents with fascinating history from Cleopatra s amethyst to why frankincense still feels grounding after thousands of years Past life echoes and lunar cycle insights that turn d j vu and timing into something you can work with Luck legacy and growth practices explained with wit warmth and a little bite because inspiration lands better when it doesn t sound like a motivational poster Every chapter blends ancient traditions with modern humor historical facts with clever storytelling and cosmic symbolism with grounded advice The result is a guide that feels timeless and surprisingly personal Whether you dip into your own birthday check out friends and family s dates or just binge through for fun you ll find patterns stories and

insights that stick with you long after you've closed the book Here's the truth your birthday isn't just the day you showed up it's a mirror a rhythm and a reminder And this book It's here to make sure you see it all laugh at it and maybe even use it to live a little better
