Harrison,2009 With the exception of Mount Desert Island's Bass Harbor Head Lighthouse the lighthouses of Bar Harbor and the Acadia region are among the most remote and lesser known lighthouses of Maine As the vessel traffic changed in these areas in the early 1900s some of these lighthouses were sold into private ownership while others became less important as aids to navigation Since the structures were located on remote islands or in a highly restricted military installation the photographs and historical firsthand memories of most of these lighthouses have remained elusive and seemingly lost in the dusty pages of time Through vintage photographs Lighthouses of Bar Harbor and the Acadia Region uncovers the history of these structures that kept watch over Maine's rocky coast *Maine Lighthouses* J. Candace Clifford,Mary Louise Clifford,2005 Beacons of Wonderment Bob Trapani, Jr.,2023-09-15 Maine's lighthouses they are beautiful stir emotions within us charm with their romance that embraces our hearts and lend an emblematic significance to the coast as diverse as its people In Beacons of Wonderment A Fascination with Maine's Lighthouses author Bob Trapani Jr takes you on a lighthouse journey for both the mind and eyes guided by the heart every step of the way His thoughtful prose

Claflin, 1999 Lighthouses and Life Saving along the Maine and New Hampshire Coast is a unique tribute to the men and women who protected mariners as they traveled along New England's rocky coastline With thousands of vessels plying the dangerous waters the chance of a shipping disaster was always great Hundreds of shipwrecks did indeed occur off the coast with startling losses Through descriptive text and a variety of vintage images from private as well as museum collections we get a rare glimpse into the lives of the dedicated government men and women Author James Claflin combines an extensively researched text with this exquisite collection of previously unpublished images to tell the story of an area heavily dependent on its coastal commerce The task of lighting and protecting the coasts was taken on by the U S Light House Establishment and the U S Life Saving Service later merged to become the U S Coast Guard Within these pages see the Boon Island Lighthouse keeper his family alongside as he proudly poses in his uniform life savers at Hunniwells Beach station as they pull through a blinding snowstorm to rescue the crew of a stranded schooner and the way of life on an offshore lightship *Lighthouses and Life Saving along the Maine and New Hampshire Coast* is a visual journey into our nation's maritime history Gleams and Whispers - Maine Lighthouses and Their Allure Bob Trapani, Jr., 2023-01-15 It was not enough for me to

simply admire the majestic beauty of lighthouses I was determined to peel back the many layers that exist within the far reaching embodiment of these venerable sentinels through a blend of prose and photography Bob Trapani Jr The mere presence of a lighthouse points to a higher altruistic purpose one that is embraced by romance mystery drama isolation dedication and heroism to name a few Ask a hundred people what lighthouses mean to them and it is very likely one will discover the meanings are as diverse as the people they touch Bob Trapani has climbed rockweed covered ledges stared into the face of northeast gales and trudged through waist high snow searching for the many facets of this elusive meaning Along the way he has obtained a deeper understanding in every new sight sound feel and smell of the sentinels and sea as he walked in the steps of bygone keepers discovering secrets long held within each light s royal realm Inspired by this storied heritage and a profound desire to contemplate both the tangible and abstract Bob has endeavored to capture in this book not just beautiful moments with his camera but with heartfelt prose as well delving into the transcendent meaning and allure of Maine s lighthouses
