A candid account of family life that we can all relate to. An absolutely astonishing, thought provoking, hilarious and life affirming debut novel. The Book Magnet Meet Lizzie, the exasperated mother of Cassie Connor and stepdaughter Maisy. She gets by with good friends, cheap wine and talking to herself. Teenager Cassie, the Facebook tweeting, selfie taking music and mobile phone obsessed daughter, hates everything about her life. She longs for a different existence and wishes her parents had never divorced. However, the discovery of a terrible betrayal and a brutal attack throws the whole household into disarray. Lizzie and Cassie are forced to reassess the important things in life as they embark upon separate journeys of self discovery. Although tragic at times, this is a delightfully funny exploration of domestic love, hate, strength and ultimately friendship. A poignant, heartfelt look at that complex and diverse relationship between a mother and daughter set amongst the thorny realities of today's divided and extended families. Mothers and daughters alike will never look at each other in quite the same way after reading this book, a brilliantly funny observation of contemporary family life. An emotional roller coaster of a ride that details family life, a beautifully written debut novel from Eva Jordan that should appeal to men, not just women. There are some very emotive comments contained within the story, many will ring true for every reader. A highly enjoyable read. **The Last Word** Book Review. Don't miss books two and three in the trilogy *All the Colours in Between* and *Time Will Tell*. **Comfort and Joy** India Knight, 2011-09-27. If Bridget Jones had two ex-husbands, three children and invited her entire extended family over for Christmas. It's December 23 and Clara Dunphy is running around Oxford Street like a chicken with its head cut off, trying to pick up a few last minute bits and bobs. Despite the frenzy, the twice divorced mother of three loves Christmas and always wants to make it perfect. A challenge even in the best of times, but particularly when family means an extended network of in-laws, ex-stepfathers and hangers-on totaling sixteen. Is the madness of Christmas really worth it? Clara is a witty, blackly funny everywoman who will win over anyone who has ever longed to shut out the holidays with a giant martini and some olives. **Dead Man's Hollow** Melissa F. Miller, 2024-05-21. The story begins where the trail went cold. The second season of Maisy Farley's true crime podcast takes her to Dead Man's Hollow, an expansive conservation area just outside Pittsburgh, to investigate a cold case. In 1994, a sixteen-year-old girl vanished from a party in the woods. Heather Ryan has never been found and no suspect has ever been arrested. As the thirtieth anniversary of the girl's disappearance approaches, Maisy is determined to uncover the truth about what happened to her. The teenagers with Heather that night, now middle-aged, remain tight-lipped about the events in the hollow. When details emerge, they're dark, disturbing and not entirely trustworthy. And someone will stop at nothing to keep the long buried truth hidden. *Dead Man's Hollow* is the second book in
