Maitreya, the Future Buddha Alan Sponberg, Helen Hardacre, 1988-04-29 This 1988 book is a multidisciplinary and cross cultural study of the legend that has evolved around the figure of Maitreya **Parabola**, 1984 **The Iconography of Chinese Buddhism in Traditional China** H. A. van Oort, 2023-09-29 Scholarly monographs on the iconography of East and Central Asian religions including Chinese and Korean Buddhism Confucianism and other religious traditions **An Open Letter to Juan Dela Cruz** Reynaldo Budhi, 2011-09-30 Understanding evolution will bring you the right knowledge of Man and God This is an article of survival and struggles of a country wanting to be recognize *Saint Germain* Elizabeth Clare Prophet, 1990-03 **Dunhuang Manuscript Culture** Imre Galambos, 2020-12-07 Dunhuang Manuscript Culture explores the world of Chinese manuscripts from ninth tenth century Dunhuang an oasis city along the network of pre modern routes known today collectively as the Silk Roads The manuscripts have been discovered in 1900 in a sealed off side chamber of a Buddhist cave temple where they had lain undisturbed for for almost nine hundred years The discovery comprised tens of thousands of texts written in over twenty different languages and scripts including Chinese Tibetan Old Uighur Khotanese Sogdian and Sanskrit This study centres around four groups of manuscripts from the mid ninth to the late tenth centuries a period when the region was an independent kingdom ruled by local families The central argument is that the manuscripts attest to the unique cultural diversity of the region during this period exhibiting alongside obvious Chinese elements the heavy influence of Central Asian cultures As a result it was much less Chinese than commonly portrayed in modern scholarship The book makes a contribution to the study of cultural and linguistic interaction along the Silk Roads

reveals the mystery of consciousness giving a detailed description of ones rebirth according to karmic force In Sutra 14 He declares the eternity of nirvana and ones Buddha nature In Sutra 16 He affirms that ones great compassion for all sentient beings will quickly lead one to Buddhahood These English translations are easy to read and Buddhist terms are explained in the glossary One can read this book for pleasure or study it for spiritual development One can also recite the sutras prayers and mantras as a spiritual practice Students in Buddhist Studies certainly can use this book to support and enhance their learning

Buddhist and Christian Gospels Albert Joseph Edmunds, 1905 **The Making of a Savior Bodhisattva** Shi Zhiru, 2007-08-14

In modern Chinese Buddhism Dizang is especially popular as the sovereign of the underworld Often represented as a monk wearing a royal crown Dizang helps the deceased faithful navigate the complex underworld bureaucracy avert the punitive terrors of hell and arrive at the happy realm of rebirth The author is concerned with the formative period of this important Buddhist deity before his underworldly aspect eclipses his connections to other religious expressions and at a time when the art mythology practices and texts of his cult were still replete with possibilities She begins by problematizing the reigning model of Dizang one that proposes an evolution of gradual sinicization and increasing vulgarization of a relatively unknown Indian bodhisattva Ksitigarbha into a Chinese deity of the underworld Such a model the author argues obscures the many faceted personality and iconography of Dizang Rejecting it she deploys a broad array of materials art epigraphy ritual texts scripture and narrative literature to recomplexify Dizang and restore as much as possible from the fragmented historical sources what this figure meant to Chinese Buddhists from the sixth to tenth centuries Rather than privilege any one genre of evidence the author treats both material artifacts and literary works canonical and noncanonical sources Adopting an archaeological approach she excavates motifs from and finds resonances across disparate genres to paint a vibrant detailed picture of the medieval Dizang cult Through her analysis the cult far from being an isolated phenomenon is revealed as integrally woven into the entire fabric of Chinese Buddhism functioning as a kaleidoscopic lens encompassing a multivalent religio cultural assimilation that resists the usual bifurcation of doctrine and practice or elite and popular religion The Making of a Savior Bodhisattva presents a fascinating wealth of material on the personality iconography and lore associated with the medieval Dizang It elucidates the complex cultural religious and social forces shaping the florescence of this savior cult in Tang China while simultaneously addressing several broader theoretical issues that have preoccupied the field Zhiru not only questions the use of sinicization as a lens through which to view Chinese Buddhist history she also brings both canonical and noncanonical literature into dialogue with a body of archaeological remains that has been ignored in the study of East Asian Buddhism
