McNally's Secret Archy McNally Novels Audio:

The Archy McNally Series Volume One Lawrence Sanders, 2017-07-11 A playboy PI becomes entangled with passion murder and unabashed greed in these three adventures by the #1 New York Times bestselling author. Privileged bachelor Archy McNally enjoys sipping late night port with his girlfriend of the moment and tooling around South Florida in his red Miata sports car. Only occasionally does he get around to doing actual work as a part time investigator for his father's law firm. In these three witty novels he's paid to make discreet inquiries for Palm Beach's elite who are rarely what they seem. McNally's Secret When Lady Cynthia Horowitz's priceless 1918 US airmail stamps go missing from her plantation style mansion McNally unearths a shocking secret that could expose his own family's skeletons. His search thrusts him into a thickening maze of sex scandal blackmail and murder. McNally's Luck McNally's latest assignment is a simple catnapping. But as McNally knows things are rarely as simple as they seem. Soon the case of the missing foul tempered overweight Persian morphs into the murder of a prominent Palm Beach woman. And when McNally uncovers a chilling connection between the two cases he's plunged into a psychological game of cat and mouse. McNally's Risk Checking out the background of a wealthy client's prospective daughter in law should be easy but when the people around Theodosia Johnson start being killed off McNally must expose the murderer. Theodosia herself is the biggest mystery though. And as she sets out to seduce McNally he'll have to orchestrate his own scam to uncover the truth.
