ABOUT THE BIBLE Ervin Roberts, 2012-09-21 My purpose for writing this study is not to dazzle you with a lot of theories but to get you to ask what does the Bible say not what does men say it says Sense I am just a simple country preacher I have tried to keep this study as simple as possible My hope is this study will lead people to a better understanding of what God is and has been trying to tell mankind I want those that use this study guide to come away from it with a better knowledge of the purpose of each and every book of the Bible Lets begin by looking at the very basics The Bible is 66 different books written by many different writers over a period of 1500 to 2000 years What that means is it is one book that

took a lot of writers a long time to write Every book in the Bible has a purpose and it will be the purpose of this study to explore what that purpose might be The basic question we will be trying to answer of each book is Why did God place this book in the Bible We will not be doing an in depth theology study of the contents of each book but rather we will be looking at the reason that the book is in the Bible Each and every book is special and tells us something we need to know to be able to fulfill God's will on this earth Each book of the Bible is important and has a reason for being in the Bible I know that there are some books that are hard to understand so are seldom read That does not mean that they should not be studied it means that we should try harder to find out what God was saying we should not just set those books aside as not of any use The truth is the Bible without all of its parts is not the Bible The only way to study the Bible is first pray for guidance and second allow the Holy Spirit to guide you **You Too!** Lila Dove,2018-12-05 God's message is for all mankind When I was called to write my story I was very hesitant so I prayed asking for God's help in faith and hope God filled me up with His love which has overflowed to my heart and for everyone else So my courage gave me time to write my story To help others that has family secrets and silent tears Regardless of the obstacles that I faced when I was writing and facing challenges I wanted to unlock your past to help you right now Learn to forgive and forget so you can all enjoy the life Jesus gave you I believe that God wants me to share my story so that I may help and encourage others *Zondervan Study Bible-NASB* Kenneth L.
