The Everything Parent's Guide To Raising Siblings Linda Sonna, 2006-02-24 A Simon Schuster eBook Simon Schuster has a great book for every reader      Raising Cain Dan Kindlon, Ph.D., Michael Thompson, PhD, 2009-08-05 The stunning success of *Reviving Ophelia* Mary Pipher's landmark book showed a true and pressing need to address the emotional lives of girls Now finally here is the book that answers our equally timely and critical need to understand our boys In *Raising Cain* Dan Kindlon Ph D and Michael Thompson Ph D two of the country's leading child psychologists share what they have learned in more than thirty five years of combined experience working with boys and their families They reveal a nation of boys who are hurting sad afraid angry and silent Statistics point to an alarming number of young boys at high risk for suicide alcohol and drug abuse violence and loneliness Kindlon and Thompson set out to answer this basic crucial question What do boys need that they're not getting They illuminate the forces that threaten our boys teaching them to believe that cool equals macho

strength and stoicism Cutting through outdated theories of mother blame boy biology and testosterone Kindlon and Thompson shed light on the destructive emotional training our boys receive the emotional miseducation of boys Through moving case studies and cutting edge research Raising Cain paints a portrait of boys systematically steered away from their emotional lives by adults and the peer culture of cruelty boys who receive little encouragement to develop qualities such as compassion sensitivity and warmth The good news is that this doesn't have to happen There is much we can do to prevent it Kindlon and Thompson make a compelling case that emotional literacy is the most valuable gift we can offer our sons urging parents to recognize the price boys pay when we hold them to an impossible standard of manhood They identify the social and emotional challenges that boys encounter in school and show how parents can help boys cultivate emotional awareness and empathy giving them the vital connections and support they need to navigate the social pressures of youth Powerfully written and deeply felt Raising Cain will forever change the way we see our sons and will transform the way we help them to become happy and fulfilled young men

traced to its original biblical roots The study of word and phrase origins is known as etymology from the Greek words etymon meaning true sense and logos meaning word This book presents the true sense of the word and promotes Bible discovery readership and witnessing It is intended to illustrate the Bible as a genuinely user friendly resource Cain v.
