Veils of the Heart Munirah Maclean,2025-06-03 Eastern and Western philosophy and experience clash as Munirah Maclean seeks to sustain her faith and values and find a place within the movement around the Sheikh This far reaching memoir follows Munirah as she converts to Islam marries and is initiated into an ancient Sufi lineage the Naqshbandi Her relationship with Sheikh Nazim is transformative taking place before he becomes a worldwide spiritual leader Following Sheikh Nazim she tries to live the role of a traditional Ottoman woman However as his recognition grows she finds she can t align with the model of his North American representative wherein spirituality has become another aspect of consumerism which does not reflect the Sufi path The conflict between a woman s traditional role and the demands of late capitalism and individualism has brought about huge societal changes which many people are struggling to negotiate How will she raise her family in North America and still stay on the mystical journey On her spiritual quest Munirah learns that one the most important parts of the spiritual path is to follow your heart and your own inner connection with ultimate truth She shares her personal story here acknowledging its subjectivity while authenticating the spiritual realities she experienced *Veils of the Heart* is a heartfelt portrayal of the place of women in traditional Sufism and an affirmation of them **Tantric Love**

Letters Diana Richardson,2012-05-16 Diana Richardson an acclaimed authority on human sexuality began a personal enquiry into the union of sex and meditation the essence of tantra over twenty five years ago while living in India Through these innocent steps and motivated by simple curiosity she gained deep insights into the spiritual and generative implications of sex that lie beyond its reproductive aspect She stresses that it is the how of sex and not the what of sex that determines the difference With additional information we can begin to honor the innate sexual intelligence that exists in our bodies as a subtle electro magnetic reality On this fine and delicate level man and woman function as equal yet opposite forces that are highly complimentary Embracing this polarity potential can elevate and transform sex into an empowering and spiritual act an experience that creates and sustains love peace and harmony Her simple down to earth and practical approach as presented in her books has created a wave of positive resonance and response from readers worldwide *Solariad* Surazeus

Astarius,2017-10-15 Solariad of Surazeus Guidance of Solaria presents 114 920 lines of verse in 1 660 poems lyrics ballads sonnets dramatic monologues eulogies hymns and epigrams written by Surazeus 2006 to 2011 **Parabola** ,1998 **Love, Justice, Truth, Spirituality** ,1992 **The Works of the Rev. Isaac Watts, D.D.** Isaac Watts,1800 **Holy Communion** Joel R. Baseley,2010-05-11 Tantric Love: Feeling Vs Emotion Diane Richardson,2010-05-11 What happens when suddenly the wind changes and the loving connection between two partners is disrupted for hours or even days Why is love associated with ups and downs The answer is simple although not obvious usually a wave of emotion which has roots in the past floods the atmosphere The authors show in easy to follow steps how to recognise emotions to leave them behind and to create space for the expression of real feelings where love has a chance The Publishers Weekly ,2005 **I Am Divine Innocence** Dudley Plunkett,2018-11-20 In this spiritual biography Patricia de Menezes offers her witness to the revelations given her by Jesus over three decades These centre on the name Divine Innocence which Jesus revealed to be an attribute of the Holy Trinity manifested in himself The Holy Family of Nazareth home of Divine Innocence is the true home of all people and a school for holiness especially for those who have become children of God through baptism We are shown how precious in the sight of God is every human person that he has created in his image and likeness a challenge to secular society which refuses to accept the validity of this Christian teaching One consequence of this is that children are being killed before birth on a vast scale Jesus requests the Catholic Church to recognise the innocent victims of abortion as companion martyrs of the Holy Innocents of Bethlehem and therefore saints in heaven A book of vital concern to Catholics as well as those who are open to an encouraging message from Heaven **The Truth Seeker** ,1918 Learning to Love J. Wilson,1999-11-10 Nobody thinks love unimportant but we are not as clear as we should be about what love involves and about what it is to learn to love This book is primarily concerned with personal love between the sexes or between members of the same sex It is a mixture of analytic philosophy and depth psychology but free from jargon and technicality Its main aim is to help us to understand the nature and value of love and to grasp the difficulties we have to face when engaging with it Flawed Justice George E. Pfautsch,2007-06-15 The founding fathers of this country had a vision for the type of morality that would sustain our nation for many generations The type of national morality they envisioned was evident in many of their writings The first two sentences of the Declaration of Independence provided us with an insight into the morality they believed was appropriate to form a new nation Such a morality would lead to the highest level of justice attainable in a country Their view of morality and justice has been observed through most of this nations history However there have been instances when their view of justice has been set aside When that occurred we have had some of the worst breakdowns in justice for large groups of people This book will examine the consequences and tragedies that have occurred when our justice system has failed
