Raising Irish Walls:

Raising Irish Walls Brendan Galvin, 1989 **Irish-American Autobiography** James Silas Rogers, 2017-01-27 This lively survey of the ever changing Irish American experience contains many perceptive and sometimes surprising observations The Irish Times Irish American Autobiography explores the evolution of Irishness in America through memoirs that describe define and redefine what it means to be Irish From athletes and entertainers to saloon keepers community activists and Catholic priests Irish Americans of all stripes share their thoughts and perceptions on their ever evolving ethnic identity Poet and Irish studies specialist James Silas Rogers begins his evocative analysis with celebrity memoirs by athletes like boxer John L Sullivan and ballplayer Connie Mack written when the Irish were eager to put their raffish origins behind them Later he traces the many tensions registered by lesser known Irish Americans who've told their life stories South Boston step dancers set themselves against the larger culture framing their identity as outsiders looking in Even the classic 1950s sitcom The Honeymooners speaks to the poignant sense of exclusion felt by its creator Jackie Gleason Rogers also examines the changing role of Catholicism as a cultural touchstone for Irish Americans and examines the painful diffidence of priest autobiographers Irish American Autobiography becomes in the end a story of a continued search for connection documenting an ethnic fade that never quite happened The Statutes of the United Kingdom of Great Britain and Ireland

Great Britain, 1844 **Building a Green Wall** Kimberly Cowell-Meyers, Carolyn Gallaher, 2025-11-18 In the aftermath of Britain's 2016 decision to leave the EU the Irish American ethnic lobby remobilized to defend the Belfast Good Friday Agreement from the threats posed by Brexit Drawing on interviews in Washington Belfast Dublin and London Cowell Meyers and Gallaher explore how the lobby shaped US policy towards Brexit in order to prevent the reimposition of a hard border on the island of Ireland and preserve peace The authors also consider the lobby's approach to other contentious issues including a united Ireland and Troubles related investigations The Statutes of the United Kingdom of Great Britain and Ireland, 1804 *The Statutes of the United Kingdom of Great Britain and Ireland, Passed in the ... Raising a Smile for Northern Ireland Children's Hospice Brian Bailie, Bowen Bailie &, 2013-02 Raising a Smile is so worthwhile And took us ages to compile Lots of cartoons stories and rhymes And lots of local grammatical crimes So buy this book it's parfun funny And you'll help to raise some money For Northern Ireland Children's Hospice A grand wee place for ill kids so it is **Ireland's 1916 Rising** Mark McCarthy, 2016-05-06 In light of its upcoming centenary in 2016 the time seems ripe to ask why how and in what ways has memory of Ireland's 1916 Rising persisted over the decades In pursuing answers to these questions which are not only of historical concern but of contemporary political and cultural importance this book breaks new ground by offering a wide ranging exploration of the making and remembrance of the story of 1916 in modern times It draws together the interlocking dimensions of history making commemoration and heritage to reveal the Rising's undeniable influence upon modern Ireland's evolution both instantaneous and long term In addition to furnishing a

history of the tumultuous events of Easter 1916 which rattled the British Empire's foundations and enthused independence movements elsewhere Ireland's 1916 Rising mainly concentrates on illuminating the evolving relationship between the Irish past and present In doing so it unearths the far reaching political impacts and deep seated cultural legacies of the actions taken by the rebels as evidenced by the most pivotal episodes in the Rising's commemoration and the myriad varieties of heritage associated with its memory This volume also presents a wider perspective on the ways in which conceptualisations of heritage culture and identity in Westernised societies are shaped by continuities and changes in politics society and economy In a topical conclusion the book examines the legacy of Queen Elizabeth II's visit to the Garden of Remembrance in 2011 and looks to the Rising's 100th anniversary by identifying the common ground that can be found in pluralist and reconciliatory approaches to remembrance
