C/O: Journal of Alternative Human Services , 1978 **Parenting without Panic in an LGBT-Affirming World** Rachel Gilson, 2024-09-01 Helps parents to teach young children what the Bible says about sexuality proactively and positively in a culture with contrasting ideas and values As Christian parents we long to equip our kids as they venture out into a culture where LGBT identities are affirmed and celebrated We want them to know what God says and to love what God says But it's hard to know where to start That's where this book can help Author Rachel Gilson helps you to teach your children proactively and positively about God's beautiful design for human sexuality gender and relationships This book will help you to provide your children with a Christian framework for sexual ethics rather than letting the culture lay the foundations of their worldview in this area Rachel writes with understanding and clarity to help fellow parents engage with the wider LGBT narrative with faith rather than fear Since she herself experiences same sex attraction but has chosen to follow the Bible's teaching she has put much thought into this topic She reassures us that Jesus gives us everything we need to be faithful disciples in a fallen world and that God works out his perfect purposes despite human sin She also shares her wisdom on how to respond with grace and truth to people with different beliefs in this area This book is ideal for parents of pre school and primary school children *Children's Services* Dr. Betsy Diamant-Cohen, 2010-05-31 Betsy Diamant Cohen brings together 18 examples of successful outreach partnerships that children's librarians and administrators can adapt to their own situations
