

How to Raise Our Sons to Be Good Men

Teach your son:

- that everyone has a body boundary; he needs to ask for consent before entering another's personal space
- that when a person says 'No' it means 'No' — not maybe or I'm not sure
- that silence is not a 'yes'
- to express his feelings and emotions; this shows strength rather than weakness
- to respect differences; but at the same time see we are more alike than we are different
- empathy so that he can see the world from all perspectives and ask himself, 'How would I feel if this happened to me?'
- that nurturing, caring and loving is not a weakness; but will make him a wonderful human and a brilliant father
- to stand up for women and to stand with women so that future generations will know equality
- that violence is never the answer
- to always stand up for fairness and to never be afraid to do so.

Raising Sons:

Decoding Boys Cara Natterson, 2021-02-09 If you're raising a boy you need this brilliant book. It is clear, wise, and eye-opening. Lisa Damour, Ph.D., author of *Untangled*. When boys enter puberty, they tend to get quiet or at least quieter than before, and parents often misread their signals. Here's how to navigate their retreat and steer them through this confusing passage by the bestselling author of *The Care and Keeping of You* series and *Guy Stuff: The Body Book for Boys*. What is my son doing behind his constantly closed door? What's with his curt responses, impulsiveness, newfound obsession with gaming, and that funky smell? As pediatrician and mother of two teenagers, Cara Natterson explains puberty starts in boys long before any visible signs appear, and that causes confusion about their changing temperaments for boys and parents alike. Often they also grow quieter as they grow taller, which leads to less parent-child communication. But as Natterson warns in *Decoding Boys*, we respect their increasing need for privacy, monosyllabic conversations, and alone time at their peril. Explaining how modern culture mixes badly with male adolescent biology, Natterson offers science, strategies, scripts, and tips for getting it right: recognizing the first signs of puberty and talking to our sons about the wide range of normal through the whole developmental process; why teenagers make irrational decisions even though they look mature; and how to steer them toward better choices: managing video game and screen time, including discussing the unrealistic and dangerous nature of pornography; why boys need emotional and physical contact with parents and how to give it in ways they'll accept; how to prepare boys to resist both old and new social pressures: drugs, alcohol, vaping, and sexting; teaching consent and sensitivity in the MeToo culture. *Decoding Boys* is a powerful and validating lifeline, a book that will help today's parents keep their sons safe, healthy, and resilient, as well as ensure they will become emotionally secure young men. Praise for *Decoding Boys*: Comforting, a common-sensical and gently humorous exploration of male puberty's many trials. Kirkus Reviews

Raising Sons Joseph R. Parker, 2018-01-08 Have you wondered if you're making the right decisions when it comes to raising your son? Over the last years, there has been a lot of confusion about the role of boys and men in our society. It's easy to see why parents are left with lots of unanswered questions when they're raising their sons. *Raising Boys the Right Way* through positive parenting can help them become responsible and balanced teenagers and adults. Here's some of what you can expect to learn inside the pages of this book: Learn how to avoid common mistakes that parents make that can end up harming their sons long-term. How to teach proper conduct at home the right way, saving yourself of countless headaches. Discover how to teach important values such as empathy and gratefulness. Caring for your boy's emotional and mental state. The most common challenges when raising boys and how to easily overcome them. Would you like to enjoy going through every stage of your son's life without worrying if you're doing the right thing or not? The earlier you manage to give proper guidance, the easier it is for a child to grow into a healthier person. However, there is no such thing as being too late, and even the most damaging of behaviors and habits can be helped. Do not leave anything to chance. Start by guiding your son towards the best possible path.

towards a healthy and responsible adulthood today **Speaking of Boys** Michael Thompson, PhD, Teresa Barker, 2000-08-01 My eight year old son is the only boy in his class who doesn't have a Gameboy I don't want him to be ostracized for not having one but I worry that it's addictive What do you think Our two sons are eleven and fourteen and they are fiercely competitive The tension around our house is awful How can we help them get along better We've worked very hard to keep our ten year old son in touch with his feelings Sometimes it seems as if we've put him at a disadvantage surrounded by tougher boys who can be pretty cruel with teasing How can we help him protect himself when other boys start to tease With his bestselling book *Raising Cain* Michael Thompson Ph D at last broke the silence surrounding the emotional life of boys and spearheaded an important national debate His warmth and humor quickly made him a popular and respected international speaker and consultant Now he directs his authority insight and eloquence to answering your questions about raising a son With candid questions and thoughtful detailed responses *Speaking of Boys* covers hot button topics such as peer pressure ADHD ADD and body image as well as traditional issues such as friendship divorce and college and career development This perceptive informative and passionate book will leave you not only with useful practical advice but also with the comforting knowledge that other parents share the same concerns you do when it comes to raising our boys into well adjusted responsible men *Raising Sons of Promise* Roland C. Warren, 2021-12-07 As a single mother you might find yourself in the difficult position of raising sons alone wounded by the broken promises of your child's father But God offers a greater promise to you and your family Roland Warren himself the child of a single mother invites you on a journey to heal your heart and parent your boys to become healthy men good husbands and strong fathers *Mothering Our Boys (US Edition)* Maggie Dent, 2018-11-01 Maggie is earthy and real full of love and knowledge especially on raising sons Steve Biddulph Maggie's perspective on raising boys is spot on She writes with humor and depth providing insight and strategies for many of the most important issues facing moms There is a lovely ease to her writing and a powerful honesty I hope every mother of a son and everyone else will read this book The future of the world to a great extent depends on how we raise our boys Michael Gurian New York Times Bestselling Author of *The Wonder of Boys* and *Saving Our Sons* If we can see the world through boys' eyes a little better we will make different choices in the way we mother them and we will find them less confusing and love them more deeply Mothers of sons are worried about raising their boys in a world where negative images of masculinity are front and centre of our media almost every day Not only that but statistically our boys are still struggling in many ways Even though we live in a time where we recognise that nothing in gender is fixed it remains a fact that the influence of a mother on her son is massive A mother of four sons herself Maggie Dent draws on her personal experience and over four decades work as a teacher counsellor and now author and speaker to help build understanding empathy and compassion for our boys Maggie shares her five key secrets that every mum needs to know and uses the voices of men she has worked with and surveyed to reveal what really matters in a boy's relationship with his mother and other mother figures

Maggie is one of Australia's most popular parenting authors and educators and her seminars about boys have sold out all across Australia and in the UK. She is finally sharing her insights, her reflections and as always her humour around mothering boys to help you be the mum your son needs you to be. **Raising Boys** John S. Roberts, 2018-01-08. How to Raise Boys Eva Delano, 2015-07-01. Parents always want what is best for their children. However, raising boys can be a daunting and exhausting task. This is because unlike girls, boys are more likely to drop out of school, indulge in drug abuse, commit suicide, become part of crime gangs and commit numerous other vices. These probabilities are worrying and serve to remind parents that the boy child is highly vulnerable. Perhaps this is why most parents will agree that raising boys in the right way to help

them mature and become strong clever and happy men is more demanding **Raising Boys to Be Good Men** Aaron Gouveia,2020-06-16 If you are the parent of a boy this is the book you need insightful enlightened practical Peggy Orenstein New York Times bestselling author of Boys it s vital if we want a generation of men who can express their emotions respect women and help nurse society back to a halfway healthy place We can reframe manhood From Aaron Gouveia who gained viral fame after tweeting his support for his son s painted fingernails and who knows toxic masculinity very well learn practical and actionable tips such as Don t accept different standards for moms and dads Teach boys that girl is not an insult and retire phrases like boys will be boys Show boys that expressing their emotions and being physical is a good thing Let boys pursue nontraditional interests and hobbies Talk to boys about consent and privilege Model healthy and respectful relationships for boys to emulate Penned with equal parts humor biting snark and lived advice **Raising Boys to Be Good Men** is the essential parenting guide for raising sons to realize their potential outside the box **Raising Boys Who Do Better** Uju Asika,2023-06 We need to have a conversation about boys There has never been a more important time to consider how we are raising the men of the future This is an invitation for parents of boys as well as anyone who cares about the young males in their lives Parents of daughters aunts uncles grandparents teachers community leaders this is a discussion that we all need to participate in Whether we are expecting a baby boy parenting young men or are simply interested in effecting positive change many of us are asking how we can raise boys who challenge the status quo and are empowered to stand up for what is right Confronting toxic masculinity and delving into the hot button issues affecting boys today from education to sexism power to consent and mental health **Raising Boys Who Do Better** looks at bringing up boys in the era of MeToo and Black Lives Matter This book is an absolute must read for those who want to help nurture the boys in their lives to grow up into compassionate kind healthy and successful men **That's My Son** Rick Johnson,2005-07-01 Why are boys so different Why would a trip to the garbage dump be such a highlight in a boy s life What do boys need to learn in order to become good men A mother s influence on her sons is unique and valuable but still sometimes moms don t understand what makes their boys tick They want to help their sons grow up to become men of honor and integrity but that s a tremendous challenge With refreshing honesty and a man s insight author Rick Johnson offers the advice understanding and support every mom is looking for when it comes to raising godly sons Using extensive research and humorous personal experiences he addresses tough issues such as communication discipline sexuality and respect Mothers including single moms as well as grandmothers and teachers will find wise counsel and reassurance in this practical and helpful book **Raising Boys, Third Edition** Steve Biddulph,2014-03-04 A revised edition of the bestselling and practical guide to the issues parents face in raising sons including sex violence homework sports the Internet and more and how to best aid boys development from birth to manhood From award winning psychologist Steve Biddulph comes this new edition of **Raising Boys** his international best seller published in 14 countries This complete guide for parents educators and relatives includes sections on bullying online
