Raising The Dead Sermons Of Howard G Hageman:

Raising the Dead Howard G. Hageman, 2000 These powerful Christ centered sermons by a master of the pulpit stirred hearts and minds when they were first delivered They are no less powerful today Including the republication of Howard Hageman's well known *We Call This Friday Good* the sermons contained in this volume focus on the church year Hageman's words never fail to bring fresh insight to those very seasons where it seems that everything has already been said The Netherlands Reformed Church, 1571-2005 Karel Blei, 2006 **Protestant Spiritual Traditions, Volume One** Frank C. Senn, 2020-11-02 There is no single Protestant spirituality but rather Protestant spiritual traditions usually embedded in denominational families that share some basic Protestant principles These two volumes of Protestant Spiritual Traditions offer essays on twelve traditions written by scholars within those traditions plus a concluding essay that gathers a number of Protestant contributions to Christian spirituality and Western culture under the category of the body These thirteen essays discuss the contributions of significant spiritual figures from Martin Luther to Martin Luther King Jr and offer insights on a range of topics from the theology of the cross to physical fitness Taking the Jesus Road LeRoy Koopman, 2005 The story of the Reformed Church's relationship to Native Americans is one of persistence and optimism in the face of overwhelming odds Unfortunately it is also a story that reflects all too well the sad record of U S dealings with America's first inhabitants In this frank well balanced account of the Reformed Church's Native American missions and churches LeRoy Koopman recounts the spiritual journey of the Jesus Road shared by Reformed and Native American Christians Taking the Jesus Road outlines how government and church often cooperated with each other in implementing shifting policies that allowed the native peoples little or no voice in their own destiny Koopman does not hesitate to point out how early missionaries often equated the Christian faith with white culture but also gives credit for their tireless efforts to seek a better life for the people they were serving Much of the book is devoted to the stories of particular ministries including the six Native American congregations that remain a vital part of the Reformed Church today **Divided by a Common Heritage** Corwin E. Smidt, 2006 The Hope College and Calvin College authors of this book care deeply about the traditions practices and convictions of the Reformed Church in America and the Christian Reformed Church Their skillful use of extensive survey information to chart the current positions of the two church bodies offers a model of clarity for scholars of American religion Publisher **In Remembrance and Hope** Gregg Mast, 1998 Volume 27 in the Historical Series of the Reformed Church in America chronicles the life and ministry of one of the RCA's most significant twentieth century representatives Howard G Hageman 1921-1992 respected pastor teacher president of New Brunswick Theological Seminary and weekly columnist for the Church Herald *A Goodly Heritage* Jacob E Nyenhuis, 2007-06-06 A signal contribution to the fields of church history and theology this festschrift contains fifteen well researched essays covering such subjects as religious conflict in the nineteenth century Hope College history a noble experiment in unifying community archives recent ideological conflict in Reformation studies and

contemporary issues in the Reformed Church in America Publisher **Herman J. Ridder, Contextual Preacher and President** George Brown Jr., 2008-12-23 During his nearly fifty years of ministry Herman J Ridder served in an impressive variety of roles He pastored churches in five states served as Minister of Evangelism for the Reformed Church in America and was named president of three different seminaries But no matter what his role Ridder s ministry is best viewed as an engagement of the gospel with the culture Perhaps nowhere is this more apparent than in his sermons Here editor George Brown Jr has collected over forty of Ridder s sermons including several sermon series which draw on the popular culture of his time current events and critical social issues all examined through the lens of Scripture This is a book in which anyone in the ministry and all those who seek to engage the gospel with the culture can find a wealth of examples and inspiration Pastor Ridder is one of the most eloquent voices in the contemporary Reformed tradition For so many years he preached vibrant theology in his sermons In a day when sermons seem to be getting thin and insubstantial Ridder s sermons recall all of us preacher to the nobility and the gravity of our task William H Willimon Bishop of the United Methodist Church North Alabama Conference *Tools for Understanding* James Hart Brumm, 2008 Beginning with Donald Bruggink s own notion that history is a tool for understanding the dozen essays in this volume are tools for understanding four areas of his life and his fifty five years of ministry While all the contributors to this volume have benefited from Bruggink s friendship teaching and ministry the first and last essays are by the contributors he has known longest who had a formative role in his life Eugene Heideman and I John Hesselink Contributors George Brown Jr Laurie Z Baron James Hart Brumm Kathleen Hart Brumm John W Coakley Russell L Gasero Eugene Heideman I John Hesselink Allan Janssen Mary L Kansfield Normal Kansfield Jacob E Nyenhuis J Jeffery Tyler Dennis Voskuil **Elim** Robert P.
