Raising Mama A Memoir:

Raising Mama Larry Michael Sullivan, 2006 This book has compiled all of the benefits of a high fiber low calorie nutritional plan It is a strategy of dietary choices for healthier living This is not a gimmick or a quick fix This book is also a resource because it includes the nutritional summaries of approximately 100 delicious fiber rich foods

Raising Mama Larry Sullivan, 2006 This is the story of the music politics and culture during a seminal period of the baby boom 1958 1962 It is an often hilarious story told from a most unlikely point of view a precocious child born to a dirt poor Southern woman RAISING MAMA is a memoir The voice is from the point of view of a child who became virtually an adult at age ten RAISING MAMA is a road trip Larry Sullivan the voice and lead character attends eight schools in five states in five years 1958 1962 His mother's favorite husband is a career criminal and for Larry reality is one surreal situation after another RAISING MAMA is an American saga It is a love story rivaling ROMEO sometimes hilarious but frequently tragic The family is irrevocably affected by the Cold War as Larry's step dad tries to go straight for once There is even a brush with infamy as MAMA works for one night for one of Jack Ruby's businesses The narration describes the late 1950s as they were with their racial tensions anti Communism and the beginnings of Rock n Roll and the counter culture

Mama's Memoir Rachelle Galipeau, 2021-07-22 Story I started this journey with faith and strength and love What a journey it has been Raising a hurt child can buckle your knees it can steal your breath and it will change you Denise is my daughter but the struggle is very real and there is always a looming question of Will I survive It is a spinning ride of misunderstanding and fear Then the question remains if I do survive will she The looking glass is filled with visual information but until you step inside for yourself you will not know the boundaries of your strength strength of mind strength of body strength of will to endure A win is attainable but the game spares no one I knew that I would one day tell this story What remains will tell itself but what has been shared here will hopefully serve as someone else's guide to survival in what could potentially become a tangled jungle of parental chaos We all need a plan That plan is likely to follow a very personal living and morphing timeline of circumstance This book may serve to offer some tangible tool of support during that struggle 4

Memoirs of a Porcupine Alain Mabanckou, 2012-04-01 All human beings says an African legend have an animal double Some doubles are benign others wicked This legend comes to life in Alain Mabanckou s outlandish surreal and charmingly nonchalant *Memoirs of a Porcupine* When Kibandi a boy living in a Congolese village reaches the age of 11 his father takes him out into the night and forces him to drink a vile liquid from a jar that has been hidden for years in the earth This is his initiation From now on he and his double a porcupine become accomplices in murder They attack neighbors fellow villagers and people who simply cross their path for reasons so slight that it is virtually impossible to establish connection between the killings As he grows older Kibandi relies on his double to act out his grizzly compulsions until one day even the porcupine balks and turns instead to literary confession Winner of the Prix Renaudot France s equal to the National Book Award Alain Mabanckou is considered one of the most talented writers today He was selected by the French journal *Lire* as one of fifty writers to watch this coming century And as Peter Carey suggests he positions himself at the margins tapping the tradition founded by Celine Genet and other subversive writers In this superb and striking story Mabanckou brings new power to magical realism and is sure to excite American audiences nationwide
