The Origin of Language Madeleine Beekman, 2025-08-05 In a radical new story about the birth of our species *The Origin of Language* argues that it was not hunting fighting or tool making that forced early humans to speak but the inescapable need to care for our children Journeying to the dawn of Homo sapiens evolutionary biologist Madeleine Beekman reveals the happy accidents hidden in our molecular biology DNA chromosomes and proteins that led to one of the most fateful events in the history of life on Earth our giving birth to babies earlier in their development than our hominid cousins the Neanderthals and Denisovans Faced with highly dependent infants requiring years of nurturing and protection early human communities needed to cooperate and coordinate and it was this unprecedented need for communication that triggered the creation of human language and changed everything Infused with cutting edge science sharp humor and insights into the history of biology and its luminaries Beekman weaves a narrative that's both enlightening and entertaining Challenging the traditional theories of male luminaries like Chomsky Pinker and Harari she invites us into the intricate world of molecular biology and its ancient secrets *The Origin of Language* is a tour de force by a brilliant biologist on how a culture of cooperation and care have shaped our existence

How to Raise Kids Who Aren't Assholes Melinda Wenner Moyer, 2021-07-20 *How to Raise Kids Who Aren't Assholes* is a clear actionable sometimes humorous but always science based guide for parents on how to shape their kids into honest kind generous confident independent and resilient people who just might save the world one day As an award winning science journalist Melinda Wenner Moyer was regularly asked to investigate and address all kinds of parenting questions how to potty train when and whether to get vaccines and how to help kids sleep through the night But as Melinda's children grew she found that one huge area was ignored in the realm of parenting advice how do we make sure our kids don't grow up to be assholes On social media in the news and from the highest levels of government kids are increasingly getting the message that being selfish obnoxious and cruel is okay Hate crimes among children and teens are rising while compassion among teens has been dropping We know of course that young people have the capacity for great empathy resilience and action and we all want to bring up kids who will help build a better tomorrow But how do we actually do this How do we raise children who are kind

considerate and ethical inside and outside the home who will grow into adults committed to making the world a better place

How to Raise Kids Who Aren't Assholes is a deeply researched evidence based primer that provides a fresh often surprising perspective on parenting issues from toddlerhood through the teenage years First Melinda outlines the traits we want our children to possess including honesty generosity and antiracism and then she provides scientifically based strategies that will help parents instill those characteristics in their kids Learn how to raise the kind of kids you actually want to hang out with and who just might save the world

Bilingual Siblings Suzanne Barron-Hauwaert, 2011-01-13 How do bilingual brothers and sisters talk to each other Sibling language use is an uncharted area in studies of bilingualism From a perspective of independent researcher and parent of three bilingual children Suzanne Barron Hauwaert discusses the issues of a growing bilingual or multilingual family What happens when there are two or more children at different stages of language development Do all the siblings speak the same languages Which languages do the siblings prefer to speak together Could one child refuse to speak one language while another child is fluently bilingual How do the factors of birth order personality or family size interact in language production With data from over 100 international families this book investigates the reality of family life with two or more children and languages
