Around the World with General Grant John Russell Young, 1879 **The Keystone**, 1928 **Raised from the Dead According to Scripture** Lidija Novakovic, 2014-05-29 The New Testament writings allow only limited access to the interpretative traditions that lie beneath the claim that Jesus resurrection took place according to Scripture This book investigates the underlying principles of scriptural arguments in relation to Jesus resurrection and the unstated interpretative moves that govern the selection and combination of texts relating to it Novakovic's working hypothesis is that the Davidic tradition supplied the primary scriptural categories for the claim that Jesus was raised from the dead according to Scripture This tradition was appropriated through two major thematic trajectories resurrection as the fulfillment of Davidic promises and resurrection as the messianic enthronement We can also identify several related thematic trajectories such as the concept of the resurrection as the beginning of the new creation resurrection as the prophetic authentication and resurrection as the messianic rebuilding of the temple Each thematic block is based on a specific use of Scripture for the purpose of explaining the significance of Jesus resurrection **Whip 2** Tyler Johns, 2016-04-11 It is Christmas vacation and the Psy family along with Whips friends Bobi and Piton head up to Canada but it is a scam run by a Russian dynasty of white tigers the Satvrinskis who kidnap Whips kid sister Sarah and try to make her as smart as she is expected to be by running a ceremony of sacrifice It is up to Whip and his pals along with a walrus named Fentruck to save the day **Solariad** Surazeus Astarius, 2017-10-15 Solariad of Surazeus Guidance of Solaria presents 114 920 lines of verse in 1 660 poems lyrics ballads sonnets dramatic monologues eulogies hymns and epigrams written by Surazeus 2006 to 2011 **The Miniatures and Meters of the Old English Genesis, MS Junius 11** Seiichi Suzuki, 2023-05-22 The Old English Genesis is the sole illustrated Anglo Saxon poem In full appreciation of this unique concurrent execution of visualization and versification in a single manuscript this multidisciplinary work explores the pictorial Vol 1 and the metrical Vol 2 organization from both synchronic structural and diachronic comparative perspectives Among the most significant findings of each volume are The first twenty two images in the Old English Genesis originated on the whole from the Tournonian Bibles and the underlying classical Old English and Old Saxon meters were interactively reshaped through mutual adaptation and recomposition aimed

at their firm integration into a synthesized Old English Genesis While each part is solidly embedded in the respective scholarly tradition and pursues its own disciplinary concerns and problematics vigorous formal and cognitive reasoning and theorizing run commonly through both By way of mutual corroboration and integration the twin volumes eventually converge on the hypothesis that the earliest portion of the extant Old English Genesis lines 1-966 derived from the corresponding episodes of an illustrated Tournon Old Saxon Genesis in both pictorial and metrical terms Theological Dictionary of the Old Testament G. Johannes Botterweck, Helmer Ringgren, Heinz-Josef Fabry, 1974 This multivolume work is still proving to be as fundamental to Old Testament studies as its companion set the Kittel Friedrich Theological Dictionary of the New Testament has been to New Testament studies Beginning with father and continuing through the alphabet the TDOT volumes present in depth discussions of the key Hebrew and Aramaic words in the Old Testament Leading scholars of various religious traditions including Roman Catholic Lutheran Reformed Anglican Greek Orthodox and Jewish and from many parts of the world Denmark France Germany Great Britain Greece Israel Italy the Netherlands Norway Sweden Switzerland and the United States have been carefully selected for each article by editors Botterweck Ringgren and Fabry and their consultants George W Anderson Henri Cazelles David Noel Freedman Shemaryahu Talmon and Gerhard Wallis The intention of the writers is to concentrate on meaning starting from the more general everyday senses and building to an understanding of theologically significant concepts To avoid artificially restricting the focus of the articles TDOT considers under each keyword the larger groups of words that are related linguistically or semantically The lexical work includes detailed surveys of a word's occurrences not only in biblical material but also in other ancient Near Eastern writings Sumerian Akkadian Egyptian Ethiopic Ugaritic and Northwest Semitic sources are surveyed among others as well as the Qumran texts and the Septuagint and in cultures where no cognate word exists the authors often consider cognate ideas TDOT's emphasis though is on Hebrew terminology and on biblical usage The contributors employ philology as well as form critical and traditional historical methods with the aim of understanding the religious statements in the Old Testament Extensive bibliographical information adds to the value of this reference work This English edition attempts to serve the needs of Old Testament students without the linguistic background of more advanced scholars it does so however without sacrificing the needs of the latter Ancient scripts Hebrew Greek etc are regularly transliterated in a readable way and meanings of foreign words are given in many cases where the meanings might be obvious to advanced scholars Where the Hebrew text versification differs from that of English Bibles the English verse appears in parentheses Such features will help all earnest students of the Bible to avail themselves of the manifold theological insights contained in this monumental work *Angeliad* Surazeus Astarius, 2017-10-09 *Angeliad* of Surazeus Revelation of Angela presents 136-377 lines of verse in 1-346 poems lyrics ballads sonnets dramatic monologues eulogies hymns and epigrams written by Surazeus 2001 to 2005 **Readings from the Ancient Near East** Bill T.
