 Jacqueline Snape,2025-09-01 The WTF Dating Files True Stories of Love Lust and Lunacy isn't your typical romance memoir. Forget fairytales and happily ever afters; this is the raw, hilarious, sometimes cringe-worthy reality of modern dating told by someone who lived it. From men who lied about their height and age to bizarre first dates to long nights wondering if common sense had officially died, these stories are equal parts comedy and cautionary tale. Each chapter drops you into the chaos of love and lust with sharp honesty and a no-filter voice that says exactly what you've been thinking but never dared to admit out loud. If you've ever swiped right and instantly regretted it, rolled your eyes at another nice guy speech, or wondered how romance got so ridiculous, this book will make you laugh, nod, and maybe even feel a little less alone in the madness. It's a survival guide disguised as entertainment, a confessional laced with sarcasm, and a reminder that sometimes the worst dates make the best stories. Because in the end, love may be messy, but at least it's never boring. 70 Greatest Love Stories in Fiction (Historical Novels Edition)
