Sample Book Insights

- 1 The word that distinguishes spirited children from other children is more They are normal children who are more intense persistent sensitive and uncomfortable with change than other children It s difficult to describe what it s like to be the parent of a spirited child but it s worth it
- 2 Your intuition has been fighting the stares and the indictments brought against you since your child was born knowing that this child is tougher to parent But you don t know if you re right and you don t know why
- 3 When we choose to see our children as spirited we give them and themselves hope It pulls our focus to their strengths rather than their weaknesses which is not a negative label but a tool for understanding
- 4 While each spirited child is unique there are some common characteristics that they all possess They are intense persistent sensitive and uncomfortable with change
