A Reputable Rake Diane Gaston,2010-04-07 In this fabulously entertaining Regency romance a

rake on the road to reform meets an innocent beauty with a penchant for courting scandal Booklist Cyprian Sloane s reputation is of the very worst A gambler smuggler rake and a spy he now faces the greatest challenge of all attaining respectability Moving to a new home and courting a proper young lady nothing will stop him from becoming the sort of man who is accepted by Society until he meets his new neighbor Morgana Hart When Morgana's caring nature thrusts her into the company of ladies of the night her secret activities risk a scandal that would destroy them both To become a gentleman Cyprian must sacrifice the lady or is there a way for the rake to save them both The Bookseller, 1982 Cumulated Fiction Index Mandy Hicken, 1985 Cumulated Fiction Index ,1980 The Sewing Girl's Tale John Wood Sweet, 2022-07-19 New York Times Editors Choice Winner of the Bancroft Prize Winner of the Francis Parkman Prize Winner of the Gotham Book Prize Winner of the New York Society Library's New York City Book Award Journal of the American Revolution Book of the Year Winner of the David J Langum Sr Prize in American Legal History Winner of the James Bradford Best Biography Prize A riveting Revolutionary Era drama of the first published rape trial in American history and its long shattering aftermath revealing how much has changed over two centuries and how much has not On a moonless night in the summer of 1793 a crime was committed in the back room of a New York brothel the kind of crime that even victims usually kept secret Instead seventeen year old seamstress Lanah Sawyer did what virtually no one in US history had done before she charged a gentleman with rape Her accusation sparked a raw courtroom drama and a relentless struggle for vindication that threatened both Lanah's and her assailant's lives The trial exposed a predatory sexual underworld sparked riots in the streets and ignited a vigorous debate about class privilege and sexual double standards. The ongoing conflict attracted the nation s top lawyers including Alexander Hamilton and shaped the development of American law The crime and its consequences became a kind of parable about the power of seduction and the limits of justice Eventually Lanah Sawyer did succeed in holding her assailant accountable but at a terrible cost to herself Based on rigorous historical detective work this book takes us from a chance encounter in the street into the sanctuaries of the city's elite the shadows of its brothels and the despair of its debtors prison The Sewing Girl s Tale shows that if our laws and our culture were changed by a persistent young woman and the power of words two hundred years ago they can be changed again Includes photographs
