Eden's Edge T. Bradford Hurdle,2014-05-16 June 5th 1951it is a warm summer morning in the quiet little town of Edens Edge North Carolina and Lisanne Walters has just stumbled upon the mutilated body of Jared Michaels A member of one of the most prominent families in town the victim seemingly has no enemies But if that was true why would someone torture him and dump his naked body in the middle of Town Square That is one of the many questions SBI Detective Donovan Wolf intends to answer during his stay in this quaint town As he investigates he quickly learns that things are not exactly as they seem The town is shrouded in secrecy and steeped in religious fanaticism While there is no shortage of suspects there is only

circumstantial evidence To make matters worse the townspeople seem more intent on gossip than finding the killer As he deals with false leads and hidden threats from the murderer Wolf struggles to make sense of the evidence and fight against his own self doubt Will he ever find the evidence he needs to bring Jareds killer to justice or will this murder become just another unsolved case When Wolf finally comes face to face with the killer he begins the fight of his life If he wins the killer will be brought to justice and Jared will be vindicated If he loses he will become the killers second victim and the truth will die with him     *Construction Reports* ,1971     **Blackwood's Magazine** ,1916     **Moments of Despair** David Silkenat,2011-03-07 During the Civil War era black and white North Carolinians were forced to fundamentally reinterpret the morality of suicide divorce and debt as these experiences became pressing issues throughout the region and nation In Moments of Despair David Silkenat explores these shifting sentiments Antebellum white North Carolinians stigmatized suicide divorce and debt but the Civil War undermined these entrenched attitudes forcing a reinterpretation of these issues in a new social cultural and economic context in which they were increasingly untethered from social expectations Black North Carolinians for their part used emancipation to lay the groundwork for new bonds of community and their own interpretation of social frameworks Silkenat argues that North Carolinians attitudes differed from those of people outside the South in two respects First attitudes toward these cultural practices changed more abruptly and rapidly in the South than in the rest of America and second the practices were interpreted through a prism of race Drawing upon a robust and diverse body of sources including insane asylum records divorce petitions bankruptcy filings diaries and personal correspondence this innovative study describes a society turned upside down as a consequence of a devastating war     North Carolina Reports North Carolina. Supreme Court,1970 Cases argued and determined in the Supreme Court of North Carolina     **The English Catalogue of Books Published from January, 1835, to January, 1863** ,1864     **Cumulative Paperback Index, 1939-1959** R. Reginald,2009-12-01 This was the first bibliography and guide to the American mass market paperback book and it remains one of the most definitive The major index is by author and lists author title publisher book number year of publication and cover price The title index lists titles and authors only The publisher index provides a history of that imprint with addresses number ranges and general physical description of the books issued This is the place that all study of the American paperback must begin     American Historical Fiction Lynda G. Adamson,1998-10-21 This publication will fill a gap in the bibliographic reference shelf by identifying historical novels for both adult and young adult readers IAmerican Historical Fiction R contains over 3 000 titles set in states and historical regions of the United States Entries are organized by time period The newest titles as well as old favorites are covered The volume is indexed by author title genre subject and geographic setting     Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986 ,1996
