## **Rallying The Really Human Things:**

Rallying the Really Human Things Vigen Guroian, 2005 In *Rallying the Really Human Things* Guroian combines a theologian's keen sensitivity to the things of the spirit with his immersion in the works of Burke Russell Kirk G K Chesterton Flannery O Connor St John Chrysostom and other exemplars of the religious humanist tradition to diagnose our cultural crisis Guroian's wide ranging analysis of these times provides a fresh and inimitable perspective on the practices and mores of contemporary life

*Rallying the Really Human Things* Vigen Guroian, 2005 For Vigen Guroian contemporary culture is distinguished by its relentless assault on the moral imagination In the stories it tells us in the way it has degraded courtship and sexualized our institutions of higher education in the ever more radical doctrines of human rights it propounds and in the way it threatens to remake human nature via biotechnology contemporary culture conspires to deprive men and women of the kind of imagination that Edmund Burke claimed allowed us to raise our perception of our own human dignity or to cover the defects of our own naked shivering nature In *Rallying the Really Human Things* Guroian combines a theologian's keen sensitivity to the things of the spirit with his immersion in the works of Burke Russell Kirk G K Chesterton Flannery O Connor St John Chrysostom and other exemplars of the religious humanist tradition to diagnose our cultural crisis But he also points the way towards a culture more solicitous of the really human things the Chesterton phrase from which he takes his title Guroian's wide ranging analysis of these times provides a fresh and inimitable perspective on the practices and mores of contemporary life

**Orthodox Christianity at the Crossroad: a Great Council of the Church - When and Why** George E. Matsoukas, 2009-04-07 Orthodox Christianity at the Crossroad A Great Council of the Church When and Why The purpose of publishing the papers presented at the Twentieth Annual Meeting of Orthodox Christian Laity is to improve lay and clergy literacy on the conference topic of The Need for a Great and Holy Council The

papers are presented with the hope that the information will motivate the faithful to participate in the conciliar decision making process that moves the Church forward on the issue of developing the council or another appropriate meeting The forces factors and history that inhibit calling a council are presented in these papers The hope of what can be accomplished when brothers work in synergy with each other and the Holy Spirit is also evident The renewal of Orthodox Christianity and the renewal of its witness in the contemporary world of global religious pluralism depend on such a meeting The calling of a council free of worldly political power turf ego and ethnic considerations will renew the Living Tradition of Orthodoxy which is its Apostolic calling The world is looking for this Living Tradition which cannot be well expressed by a fragmented Orthodox Church A council is a step toward renewing the Church and making it whole in order to teach this Living Tradition It is interesting to note as this collection of papers points out that the children of Orthodox Christians living in America have come together as Americans in order to remain Orthodox through campus ministry programs that they are developing The young adults are leading the way to Orthodox unity Is it not time for the Church elders the hierarchs the clergy and the faithful to look at the example of unity that the youth are providing and move ahead to do what is necessary to renew the Church through this conciliar council

ABOUT THE EDITOR George E Matsoukas Executive Director of Orthodox Christian Laity since 2000 recently published A Church in Captivity The Greek Orthodox Church of America He co authored and edited Project for Orthodox Renewal and continues to publish articles in various journals newspapers and local history publications He is an active member of his church and community Mission of OCL Orthodox Christian Laity OCL is a national voluntary movement dedicated to syndiaconia co ministry of clergy and laity who are concerned with the spiritual renewal accountability and transparency in Church governance OCL encourages the laity to exercise its legitimate responsibilities as part of the conciliar governance process OCL advocates the establishment of an administratively and canonically UNIFIED SELF GOVERNING Orthodox Church in North America which is in keeping with the theology and tradition in fulfilling its Apostolic mission

Harold Ellens, 2013-07-25 Christianity Islam and Judaism all feature ideas about heaven hell and afterlife and these concepts have evolved over time within these religions This work supplies a detailed and coherent understanding of the broad scope of spiritual thinking in the last 3 000 years within the Abrahamic traditions Heaven Hell and the Afterlife Eternity in Judaism Christianity and Islam provides an all encompassing examination of historic and contemporary perspectives on afterlife in Western religions In these three volumes Judaic Christian and Muslim scholars join forces providing an unprecedented review of their individual faith s traditions Every significant issue and major theme is discussed no controversial topic is avoided From ancient doctrines to modern day outlooks of conservatives progressives and liberals in all three religions all are analyzed and presented here The framework of the volumes underscores how the ethics and concepts of eternity in the Western action religions contrast with Eastern religions that tend to be characterized as passive or withdrawal religions in their ethics and their notions of afterlife as

absorption within universal spirit Nirvana or nonexistence This work is well suited for undergraduate and graduate students general readers interested in religion and professional scholars particularly those in fields corollary to religious study

*Orthodoxy and the Roman Papacy* Adam A. J. DeVille, 2011-03-15 Among the issues that continue to divide the Catholic Church from the Orthodox Church the two largest Christian bodies in the world together comprising well over a billion faithful the question of the papacy is widely acknowledged to be the most significant stumbling block to their unification For nearly forty years commentators theologians and hierarchs from popes and patriarchs to ordinary believers of both churches have acknowledged the problems posed by the papacy In *Orthodoxy and the Roman Papacy Ut Unum Sint* and the Prospects of East West Unity Adam A J DeVille offers the first comprehensive examination of the papacy from an Orthodox perspective that also seeks to find a way beyond this impasse toward full Orthodox Catholic unity He first surveys the major postwar Orthodox and Catholic theological perspectives on the Roman papacy and on patriarchates enumerating Orthodox problems with the papacy and reviewing how Orthodox patriarchates function and are structured In response to Pope John Paul II s 1995 request for a dialogue on Christian unity set forth in the encyclical letter *Ut Unum Sint* DeVille proposes a new model for the exercise of papal primacy DeVille suggests the establishment of a permanent ecumenical synod consisting of all the patriarchal heads of Churches under a papal presidency and discusses how the pope qua pope would function in a reunited Church of both East and West in full communion His analysis involving the most detailed plan for Orthodox Catholic unity yet offered by an Orthodox theologian could not be more timely **I Just Need Time to Think!** Mark D. [Russell Kirk](#) Bradley J. Birzer,2015-11-09 Emerging from two decades of the Great Depression and the New Deal and facing the rise of radical ideologies abroad the American Right seemed beaten broken and adrift in the early 1950s Although conservative luminaries such as T S Eliot William F Buckley Jr Leo Strauss and Eric Voegelin all published important works at this time none of their writings would match the influence of Russell Kirk s 1953 masterpiece The Conservative Mind This seminal book became the intellectual touchstone for a reinvigorated movement and began a sea change in Americans attitudes toward traditionalism In Russell Kirk Bradley J Birzer investigates the life and work of the man known as the founder of postwar conservatism in America Drawing on papers and diaries that have only recently become available to the public Birzer presents a thorough exploration of Kirk s intellectual roots and development The first to examine the theorist s prolific writings on literature and culture this magisterial study illuminates Kirk s lasting influence on figures such as T S Eliot William F Buckley Jr and Senator Barry Goldwater who persuaded a reluctant Kirk to participate in his campaign for the presidency in 1964 While several books examine the evolution of postwar conservatism and libertarianism surprisingly few works explore Kirk s life and thought in detail This engaging biography not only offers a fresh and thorough assessment of one of America s most influential thinkers but also reasserts his humane vision in an increasingly inhumane time

**Orthodox Christians and the Rights Revolution in America** A. G. Roeber,2024-01-02 A distinctive and unrivaled examination of North American Eastern Orthodox Christians and their encounter with the rights revolution in a pluralistic American society From the civil rights movement of the 1950s to the culture wars of North America commentators have identified the partisans bent on pursuing different rights claims When religious identity surfaces as a key determinant in how the pursuit of rights occurs both the religious right and liberal believers remain the focus of how each contributes to making rights demands How Orthodox Christians in North America have navigated the rights revolution however remains largely unknown From the disagreements over the rights of the First Peoples of Alaska to arguments about the rights of transgender persons Orthodox Christians have engaged an Anglo American legal and constitutional rights tradition But they see rights claims through the lens of an inherited focus on the dignity of the human person In a pluralistic society and culture Orthodox Christians both converts and those with family roots

in Orthodox countries share with non Orthodox fellow citizens the challenge of reconciling conflicting rights claims Those claims do pit religious liberty rights claims against perceived dangers from outside the Orthodox Church But internal disagreements about the rights of clergy and people within the Church accompany the Orthodox Christian engagement with debates over gender sex and marriage as well as expanding political legal and human rights claims Despite their small numbers North American Orthodox remain highly visible and their struggles influential among the more than 280 million Orthodox worldwide Orthodox Christians and the Rights Revolution in America offers an historical analysis of this unfolding story **First Things** ,2005 **Formation for Life** Glen Stassen,Rodney L.
