**Rambles in Europe, Or, A Tour Through France, Italy, Switzerland, Great Britain, and Ireland, in 1836** Fanny W. Hall, 1838     Rambles in Europe Mark Trafton, 2015-07-06 Excerpt from Rambles in Europe In a Series of Familiar Letters When the writer of the following letters left home for a short tour in the Old World he promised some friends an occasional letter for the periodicals of which they were the editors He endeavored to fulfil this engagement and a number of these letters were issued in the Zion s Herald and others in the Ladies Repository published in Cincinnati Ohio Some of the letters were brought home by the writer and subsequently published It was his practice to take notes of all that interested him and these rough and imperfect sketches were subsequently filled up and brought into their present shape But he had not the most distant idea of writing a book and he feels that it is due to himself to say that it was wholly owing to an infirmity which attaches to his constitution an inclination to yield to the persuasion of friends that these fugitive letters are presented to the public in their present form He therefore begs the utmost forbearance of that worthy and high minded fraternity called critics lest he should be forced to say save me from my friends The writer went out to see what he long desired to look upon the Old World He has given his own views boldly but kindly He has endeavored to write without severity and if his English friends shall imagine otherwise he begs to assure them that while he has commented freely upon public faults and anti republican customs his heart cherishes none but feelings of kindness He went out an American he came back unchanged About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     *Rambles in Europe; Or, A Tour Through France, Italy, Switzerland, Great Britain & Ireland in 1836* Fanny W.
