Rambling Thoughts Yolanda W. Porter, 2014-05 Through my writhing the poems are nothing more than having a simple conversation between friends or family They contain thoughts through life experiences and ideas built on knowledge from looking at the world as it was is now or may be seen through my eyes I pray that although as simple as my work may be someone will be touched by it Included are poems about life to those of death My only prayer is that you enjoy them May God bless those that will read and enjoy the words and thoughts written here Unpublishable Thoughts , **Mind Thoughts, and The Nature of All Happenings** Fidel Santiago, 2015-12-30 The following is a brief summary of the book *Mind Thoughts and The Nature of All Happenings* First of all the book is far from being a novel Rather by contrast it s a non fiction work In general essentially it s like the book s title states For example they are the writer s thoughts opinions and the nature of the happenings during his long life The book which began over three years ago has all the elements of what life has to offer us Some of them are discussed briefly and others in lengthy manner For instance the writer s World War II experience during the time he served in various South Pacific islands as a sailor with the U S Navy In specific ways human behavior and philosophical reflections are also discussed Moreover the book includes historical events and happenings in the past and in current times Also there s information in how a book is developed and the basic aspects of English grammar and the theory of musical tones To conclude and not to be left out there s a thorough discussion on the experiences while on vacations to distant lands never before seen

labyrinth of your own thoughts emotions and experiences Let the rambling begin If you like this book write a review on google books **Defoe's Perpetual Seekers** Virginia Ogden Birdsall,1985 This study contends that the main characters in Defoe's six major fictions represent a more profound anxiety and cynicism regarding the human condition than has been generally recognized From Robinson Crusoe to Roxana each is engaged in a lonely and futile search for identity and significance and each pursues that goal with ruthless singlemindedness **Thoughts Of A Poetic Dreamer** ,

Auspicious Thoughts, Propitious Mind Richard Camden,2020-11-27 This book is an enjoyable read possibly different to any kind of book the reader has ever experienced It is an intriguing commentary on life that begs to be re read studied and retained for reference and for others in the family to read and think about the way we live our relationships hopes and fears and making decisions work as well as asking how is it some just seem to sail through life It is about why we should rein in thoughts and feelings before they take control interfere and misdirect our lives and about our habits and customs that betray our basic animal origins and our primitive tribal instincts that drive us in everything including that inborn primordial instinct that asks is there an after life For both believers and non believers this book offers a tantalising explanation of what is God a precise definition of love and why Satan does not exist Here is down to earth food for the soul a practical philosophy for contentment It is for anyone with a yearning and enquiring mind on many matters of importance in their life and a comfort to those who worry or are just curious to understand life others and themselves better **Great Thoughts from Master**

Minds ,1887 **Grappa Thoughts** Bruno Amalia-Manfredi,2021-07-06 No Sunday school teacher Kool Aid drinker or politician is ever going to be ok with any of the contents of this book oh well So many people have become sick and tired of how soft and fluffy the world has become Where anything and everything is either offensive or dangerous regardless if it was intended to be or not A world where bubble wrap and participation ribbons are now more valued than honesty and hard work Yet few will ever admit to this out loud due to a fear of reprisal at the hands of a right fighter or political correctness warriors but that's not here A liquor infused open honest direct personal insights about the strange world we have now made that only gets more and more interesting and unique as each additional shot is consumed If words booze free thinking scare you you're likely going to be wetting the bed tonight Sleep with a nightlight on and a butter knife under your pillow and you'll be alright but if you don't just drink the lukewarm water from the fishbowl of this Band Aid beige world you may find some truth humour and a lot of questions both raised and maybe even answered within here www.GrappaThoughts.com **Wayside**
