

Westward Expansion: Cattle Ranching

❧ "The Long Drive"

- ❧ Beginning in 1866, some ranchers began driving their cattle north to Sedalia, Missouri, where the cattle could be on loaded to the Missouri Pacific Railroad.
- ❧ As the process continued, areas in between like Kansas, developed natural rest points for ranchers.
- ❧ By the 1870s the long drive cattle ranchers were competing with another group of people for land, the Homesteaders.

Rambling Recollections Edmund F. Ball, 1998 **Beneficence** Earl L. Conn, 2003 **A Catalogue of the Everett D. Graff Collection of Western Americana** Colton Storm, 1968 The Everett D Graff Collection of Western Americana consists of some 10 000 books manuscripts maps pamphlets broadsides broadsheets and photographs of which about half are described in the present catalogue The Graff Collection displays the remarkable breadth of interest knowledge and taste of a great bibliophile and student of Western American history From this rich collection now in The Newberry Library Chicago its former Curator Colton Storm has compiled a discriminating and representative Catalogue of the rarer and more unusual materials Book jacket *Recollections of Western Texas* John Wright, 1857 **Recollections of Western Texas** John Wright, William Wright, 2001 When brothers William and John Wright arrived in the United States from Ireland in 1850 and could find no other suitable employment they joined the U S Army s Regiment of Mounted Rifles which served on the Texas frontier Their description of their experiences is unusual on several counts it is a view of Texas in the 1850s when personal accounts were rare and it is written from the point of view of visitors to this nation And because the Wrights published their book in 1857 only three years after they left the army their story has an immediacy lacking in many memoirs He was a man in the prime of life tall and slender with black plaited hair descending all the way down his back and a countenance whose handsome intelligent and dignified expression was scarcely concealed by the red streaks of war paint that covered it Little mercy is shown to an Indian in war and especially by the Texan rangers who are scarcely if at all advanced beyond the savage state themselves So the prisoner was immediately tied to a tree and a number of men were selected to shoot him On ascertaining his fate he instantly commenced singing his death song which vibrated like the notes of a clarion on the air of early night until his voice was lost in the fatal volley and all was over This softcover facsimile of the Book Club of Texas s 1995 fine limited edition of 300 copies makes this classic firsthand account 04 Activeable to a broad audience for the first time since 1857 It is illustrated with wood engravings from William H Emory s Report of the United States and Mexican Boundary Survey **British Comment on the United States** Ada Nisbet, 2001-06-07 This bibliography of more than three thousand entries often extensively annotated lists books and pamphlets that illuminate evolving British views on the United States during a period of great change on both sides of the Atlantic Subjects addressed in various decades include slavery and abolitionism women s rights the Civil War organized labor economic cultural and social behavior political and religious movements and the American character in general **Some Recollections of a Western Ranchman; New Mexico, 1883-1899** William French, 1927 **Duckfoot Ranch a wild western action adventure** C Lowry, 2025-06-14 Duckfoot Ranch A Wild Western Adventure In the unforgiving Wyoming territory some secrets are worth killing for One man is about to discover them all Rip Campbell is a traveling windmill salesman a man of gears and grit not guns and glory When he arrives at the prosperous Duckfoot Ranch to make a sale he finds only an eerie silence The windmill stands motionless

Walking up Lombard Reg L. Carver, 2012-06-29 Known as the crookedest street in the United States, San Francisco's Lombard Street is a metaphor for Reg L. Carver's life journey. From humble beginnings to dreams realized but unfulfilling, his constant was a lifelong battle with anxiety and depression. Carver endured virtually every psychiatric treatment offered in hopes of improving. Ultimately, however, he fell hard and fell far, losing his career, his friendships, and his way almost everything he held dear. *Walking Up Lombard* is the true story of one man's struggles to endure debilitating conditions. But more than that, it is a love story, one of a very special relationship between husband and wife. It's the story of undying love, of unwavering support, and one couple's struggle and victory against seemingly insurmountable odds. It's a story of acceptance and the freedom to be yourself.
