Rammohun Roy:

Rammohun Roy Amiya P Sen, 2012-10-15 Raja Rammohun Roy 1774 1833 was a great champion of liberty and civil rights in colonial India He was also a true cosmopolitan who envisioned a world without borders A tireless crusader for religious and social reform Rammohun attempted a progressive reinterpretation of Hinduism and tried to improve the lot of socially marginalized groups such as women Yet in spite of his lofty public presence Rammohun was a hugely controversial figure He shocked the Hindu orthodoxy by his support to the abolition of Sati offended evangelists by separating the moral message of Christ from the purely theological and was often dragged into legal disputes over family property By the time of his death in Bristol he was as much resented as respected both at home and abroad Using relatively unexplored sources this elegant and accessible new biography by Amiya P Sen paints a fascinating portrait of one of the legendary makers of modern India
