Ranald Macdonald Adventurer:

Ranald MacDonald, Adventurer Marie Leona Hobbs Nichols, 1940 MacDonald was the son of a Scotsman and a Chinook woman While still young he met shipwrecked Japanese sailors and developed a fascination for Japan In 1845 he was a sailor on the Plymouth a whaling ship As it neared Japan he convinced the captain to set him off in a small boat to land as a shipwrecked sailor in Japan He was made a prisoner and used by the Japanese to teach English In 1849 the American warship USS Preble under Captain James Glynn rescued MacDonald and other stranded sailors Some of his students were involved the negotiations with Commodore Matthew Perry to open Japan to foreigners MacDonald wrote of his experiences and favorable evaluation of the Japanese to the U S Congress MacDonald traveled to Australia and Europe before returning to Washington state **Ranald MacDonald** Ranald MacDonald, 1923 Ranald MacDonald JoAnn Roe, 1997 In 1848

Ranald MacDonald son of a Hudson s Bay Company official and Chinook Indian princess convinced the captain of an American whaling ship to cast him adrift in a rowboat off the northern Japanese coast Held captive for nearly a year MacDonald taught English to Japanese interpreters some of whom interpreted for Commodore Perry when the U S Navy forced Japan to open its doors to outsiders in the 1850s After his release MacDonald traveled the world before returning to the Pacific Northwest to join the British Columbia gold rush **Shadowing the White Man's Burden** Gretchen

Murphy, 2010-05-01 During the height of 19th century imperialism Rudyard Kipling published his famous poem The White Man s Burden While some of his American readers argued that the poem served as justification for imperialist practices others saw Kipling s satirical talents at work and read it as condemnation Gretchen Murphy explores this tension embedded in the notion of the white man s burden to create a new historical frame for understanding race and literature in America Shadowing the White Man s Burden maintains that literature symptomized and channeled anxiety about the racial components of the U S world mission while also providing a potentially powerful medium for multiethnic authors interested in redrawing global color lines Through a range of archival materials from literary reviews to diplomatic records to ethnological treatises Murphy identifies a common theme in the writings of African Asian and Native American authors who exploited anxiety about race and national identity through narratives about a multiracial U S empire Shadowing the White Man s Burden situates American literature in the context of broader race relations and provides a compelling analysis of the way in which literature came to define and shape racial attitudes for the next century **Before and After the State** Allan

K. McDougall, Lisa Philips, Daniel L. Boxberger, 2018-03-15 The evolution of the Canada US borderland in the Pacific Northwest included the wholesale transformation of social organization and individual identities together with the redefinition and application of public power Before and After the State examines the impact of those changes across a region that already harboured a vibrant highly complex m lange of societies with dynamic local regional and global trade and kin networks Allan McDougall Lisa Philips and Daniel Boxberger explore fundamental questions of state formation social

transformation and the re construction of identity to expose the narratives and other devices of nation building their impact on generations caught in the transition and the reverberations of those national myths that continue to the present
