Rawlins, 2020-09-21 This book is a detailed examination of social connections to language evaluation with a specific focus on the values associated with both prescriptivism and descriptivism. The chapters written by authors from many different linguistic and national backgrounds use a variety of approaches and methods to discuss values in linguistic prescriptivism. In particular the chapters break down the traditional binary approaches that characterize prescriptive discourse to create a view of the complex phenomena associated with prescriptivism and the values of those who practice it. Most importantly this volume continues serious academic conversations about prescriptivism and lays the foundation for continued exploration **American Reference Books Annual**, 1994 1970 issued in 2 vols v 1 General reference social sciences history economics business v 2 Fine arts humanities science and engineering **Index to American Reference Books Annual, 1990-1994** D Aviva Rothschild, 1994-07-15 The annuals to which this is the index are cited in Sheehy and BCL3 This five year index gives access to 8771 reviews of references reviewed in ARBA volumes 16 through 20 American Reference Books Annual ARBA is an essential tool not only for libraries but for reference book publishers as well we at Book News would not be without it and is cited in BCL3 Sheehy and Walford This five year cumulative index provides access by subject title and author to reviews of
