Ranger Trails Jobs Of Adventure In Americas Parks:

Ranger Trails Lori Yanuchi, Jeff Yanuchi, 2005 *Ranger Trails* is an adventure book that will inspire children to learn more about America's parks and park issues and is a great career guidance asset for teachers and school guidance counselors. In *Ranger Trails* children from across the country and from varied backgrounds meet rangers protecting and studying America's parks. The rangers assist visitors and children learning about the parks. Through exciting encounters at fifteen different parks, children learn that rangers have many exciting positions such as digging for dinosaurs' bones, fighting wildfires, and soaring over wilderness to count caribou. *Ranger Trails* is a great reading adventure now and an inspiration for a future career working in America's parks. Over 250 web sites are listed to help children investigate parks and wildlife and conservation issues. Includes a ranger skills quiz, glossary, and reading list.

Acadia National Park Amy Graham, 2008-07-01 Learn about Acadia National Park's history and varied attractions including Cadillac Mountain, Thunder Hole, and Jordan Pond, as well as its resident wildlife.

Career Opportunities in Conservation and the Environment Paul R. Greenland, AnnaMarie L. Sheldon, 2007 Provides information on the duties, salaries, employment prospects, and skills training or education necessary for more than sixty-five jobs that focus on nature and the environment.

[Hey Ranger 2](#) Jim Burnett, 2007 In this sequel to the wildly successful *Hey Ranger: True Tales of Humor and Misadventure from America's National Parks*, former ranger Jim Burnett casts his net globally in search of the most outrageous and humorous stories of man in his eternal quest to experience the natural world. Burnett tells of campers being belted by mysterious objects falling from the sky like potatoes and ice cream, wildlife photos that went awry including a ground squirrel that outwits a photographer, dumb crooks in parks such as the drunk driver who mistakenly knocked on a judge's door to report an accident, and drivers who went over the hill and into the woods instead of to Grandma's house. Burnett also assembles contenders for the strangest questions ever asked of a park ranger, lessons on how not to pick a campsite, life lessons you can learn from a canoe trip, as well as some classic bear stories. As always, Burnett's stories are meant to inform as well as entertain and serve as cautionary tales on how not to become a victim of your vacation. Told in Burnett's classic conversational style, *Hey Ranger 2* will not disappoint.
