Eykel,2022-10-03 Examples of sexual violence and mentions of it appear with a disturbing level of frequency in the literature of early Christianity This collection of essays explores these occurrences in canonical and noncanonical Christian texts from the first until the fifth centuries CE Drawing from a range of interpretive lenses scholars of early Christianity approach these writings with the goal of identifying how their authors employ the language of sexual assault rape and violence in order to formulate and support various rhetorical and theological claims Individual chapters also address how and why these episodes of sexual violence have been ignored or sometimes read in a way that would make them less problematic As a collection **Sex Violence and Early Christian Texts** examines these texts carefully ethically and with an eye toward shining a light on the scourge of sexual violence that is so often manifest in both ancient and contemporary Christian communities **Mimetic**

Contagion Robert Germany,2016 This volume considers the phenomenon of mimetic contagion whereby works of art draw viewers into direct imitation of themselves and how it operates within specific historical contexts Terence s Eunuch is used as a case study situating the motif within the peculiarities of mid second century BC Rome and its anxieties about the power of art **RLC TOP 30 MAGAZINE** Sudanand,2024-02-24 The RLC Magazine first edition aims to showcase the literary talents in and around the world With Top 30 Authors from different countries this magazine aims to showcase their merit

hardwork and their profound love in the field of Literature Managed by the RLC Team previously known as Ohana Literature Club Edited by Editor and Journalist Subhechcha Ganguly this magazine aims to touch the heart of several literature fanatics

Ecological Solidarities Krista E. Hughes,Dhawn B. Martin,Elaine Padilla,2019-10-30 Operating on the premise that our failure to recognize our interconnected relationship to the rest of the cosmos is the origin of planetary peril this volume presents academic activist and artistic perspectives on how to inspire reflection and motivate action in order to construct alternative frameworks and establish novel solidarities for the sake of our planetary home The selections in this volume explore ecologies of interdependence as a frame for religious theological and philosophical analysis and practice Contributors examine questions of justice climate change race class gender and coloniality and discuss alternative ways of engaging the world in all its biodiversity Each essay poem reflection and piece of art contributes to and reflects upon how to live out entangled differences toward positive global change Constructive and practical global and local communal and personal **Ecological Solidarities** is an innovative contribution to the discourses on relational and liberative thought and practice in religion philosophy and theology It will be welcomed by scholars of World Christianity and theology as well as seminary students activists and laity interested in issues of justice and ecology **Critical Tales** John D. Lyons,Mary B.

McKinley,2016-11-11 Appearing in print for the first time in 1558 the book that we now know as the Heptameron is the work

of Marguerite Queen of Navarre Left incomplete but dearly modeled on Boccaccio's Decameron the Heptameron consists of a frame narrative and seventy two tales told by five men and five women characters in the shady meadow at Notre Dame de Sarrance As John D Lyons and Mary B McKinley contend in their introduction to this volume the tales of the Heptameron portray the conflicts ruptures and upheavals that agitated early modern French society They present a forum in which different elements of Renaissance and Reformation culture meet and at times collide Contradictory suppositions about men and women are easily discerned behind almost all of the stories and the discussions among the fictional storytellers represent attitudes both feminist and misogynist masculinist and misandrous Less oppositional are the religious conflicts among the storytellers some are less ardently religious while others are concerned with the corporeal rather than the spiritual The stories of the Heptameron are often cautionary tales about the corruption of the late medieval church about decadent priests and monks or about the unfortunate faithful whose belief in the efficacy of good works for salvation leads to disaster and death The conflicts of the Reformation loom over the Heptameron not just as the origin of its ideological tensions but also as a prominent symptom of the larger related disruptions that marked sixteenth century Europe Provocative and wide ranging appealing to specialists in numerous fields Critical Tales is the first collective volume of studies in English on the Heptameron The authors Robert D Cottrell Hope Glidden Marcel Tetel Donald Stone Tom Conley Michel Jeanneret Cathleen M Bauschatz François Cornilliat and Ullrich Langer Mary B McKinley Philippe de Lajarte André Tournon Daniel Russell François Rigolot Paula Sommers and Edwin M Duval present different approaches to Marguerite de Navarre's tales dealing with such topics as confession rape the impact of printing on knowledge and narrative narrative theory and androgyny The contributors to Critical Tales like the storytellers of the Heptameron are not afraid to challenge the critical establishment and one another The book will be of interest to students and scholars of French and comparative literature and women's studies

Sexploitation Michèle Alexandre, 2014-12-17 Michèle Alexandre's innovative study examines how sexual profiling represses oppresses and hinders various aspects of life for both genders and explores the ways in which the law and the community can help eradicate the practice of sexual profiling Alexandre defines *sexploitation* as the perpetuation of myths and stereotypical notions regarding men and women in order to further an agenda of oppression and subordination in certain spheres of society The most popular means through which this *sexploitation* is achieved is through a method Alexandre coins as sexual profiling She argues that sexual profiling ultimately stifles the growth of our society by creating inefficient as well as oppressive systems and that its eradication can help increase the productivity as well as the morale of society Alexandre opens the book by exploring in detail the various ways in which normative views of gender are constructed and perpetuated through media and societal norms She then focuses on the ways in which recent legal opinions and developments contribute to perpetuate these restrictive and oppressive norms Finally Alexandre outlines a plan to help eliminate the presence of these destructive norms and attitudes from different sectors of society

When A Young Man Falls in Love Vincent J.

Rosivach,2012-10-12 *When A Young Man Falls in Love* examines the plays of New Comedy to reveal how the sexual relationships between the male and female protagonists are essentially exploitative It poses important questions about the dramatic portrayal of women in the Greek and Roman worlds **Becoming the Virgin God Intended for My Wife/Husband** Miracle O. A. Bashorun,2006-08 **Elements of Tragedy in Flavian Epic** Sophia Papaioannou,Agis Marinis,2021-01-18 In the light of recent scholarly work on tragic patterns and allusions in Flavian epic the publication of a volume exclusively dedicated to the relationship between Flavian epic and tragedy is timely The volume concentrating on the poetic works of Silius Italicus Statius and Valerius Flaccus consists of eight original contributions two by the editors themselves and a further six by experts on Flavian epic The volume is preceded by an introduction by the editors and it concludes with an Afterword by Carole E Newlands Among key themes analysed are narrative patterns strategies or type scenes that appear to derive from tragedy the Aristotelian notions of hamartia and anagnorisis human and divine causation the transfer of individual characters from tragedy to epic as well as instances of tragic language and imagery The volume at hand showcases an array of methodological approaches to the question of the presence of tragic elements in epic Hence it will be of interest to scholars and students in the area of Classics or Literary Studies focusing on such intergeneric and intertextual connections it will be also of interest to scholars working on Flavian epic or on the ancient reception of Greek and Roman tragedy **Essential Eschatology** John E. Phelan Jr.,2013-11-01 Study of eschatology often gets bogged down in minutiae that rarely seems to affect daily life Avoiding this trap John Phelan gets to the heart of the matter by examining how Christian hope and practice of resurrection impact everything **Neoliberalism and Contemporary Literary Culture** Mitchum Huehls,Rachel Greenwald Smith,2017-09-19 Neoliberalism and Contemporary Literary Culture is essential reading for anyone invested in the ever changing state of literary culture Companion Reader on Violence Against Women Claire M. Renzetti,Jeffrey L. Edleson,Raquel Kennedy Bergen,2011-04-26 The Companion Reader on Violence Against Women complements and parallels the new edition of Renzetti Sourcebook on Violence Against Women The first part contains four articles relating to theoretical and methodological issues in researching violence against women The second part is on types of violence against women and the third part is on prevention and direct intervention Each article has commentary and discussion questions to add an element of critical thinking *Violence Against Women in Early Modern Performance* Kim Solga,2009-09-29 Examining some of the most iconic texts in English theatre history including Titus Andronicus and The Changeling this book now in paperback with a new Preface reveals the pernicious erasure of rape and violence against women in the early modern era and the politics and ethics of rehearsing these negotiations on the 20th and 21st century stages **Conspiracy Theory in Latin Literature** Victoria Emma Pagán,2012-12-15 Conspiracy theory as a theoretical framework has emerged only in the last twenty years commentators are finding it a productive way to explain the actions and thoughts of individuals and societies In this compelling exploration of Latin literature Pagán uses conspiracy theory to

illuminate the ways that elite Romans invoked conspiracy as they navigated the hierarchies divisions and inequalities in their society By seeming to uncover conspiracy everywhere Romans could find the need to crush slave revolts punish rivals with death or exile dismiss women denigrate foreigners or view their emperors with deep suspicion Expanding on her earlier Conspiracy Narratives in Roman History Page here interprets the works of poets satirists historians and orators Juvenal Tacitus Suetonius Terence and Cicero among others to reveal how each writer gave voice to fictional or real actors who were engaged in intrigue and motivated by a calculating worldview Delving into multiple genres Page offers a powerful critique of how conspiracy and conspiracy theory can take hold and thrive when rumor fear and secrecy become routine methods of interpreting and often distorting past and current events In Roman society where knowledge about others was often lacking and stereotypes dominated conspiracy theory explained how the world worked The persistence of conspiracy theory from antiquity to the present day attests to its potency as a mechanism for confronting the frailties of the human condition A New New Testament Hal Taussig,2013-03-05 Important both historically and theologically Readers will not be able to see the New Testament in the same way again Marcus Borg author of The Heart of Christianity A New New Testament does what some of us never dreamed possible it opens the treasure chest of early Christian writings restoring a carefully select few of them to their rightful place in the broad conversation about who Jesus was what he did and taught and what all of that has to do with us now Barbara Brown Taylor author of Leaving Church and An Altar in the World There are twenty seven books in the traditional New Testament but the earliest Christian communities were far more vibrant than that small number might lead you to think In fact many more scriptures were written and just as important as the New Testament in shaping early Christian communities and beliefs Over the past century many of those texts that were lost have been found and translated yet are still not known to much of the public they are discussed mainly by scholars or within a context of the now outdated notion of gnostic gospels In A New New Testament Hal Taussig is changing that With the help of nineteen important spiritual leaders he has added ten of the recently discovered texts to the traditional New Testament leading many churches and spiritual seekers to use this new New Testament for their spiritual and intellectual growth Remarkable Not meant to replace the traditional New Testament this fascinating work will be Taussig hopes the first of several new New Testaments Booklist

Gender in the Digital Sphere Barbara Mitra, Sharon Young, Mehreen Mirza, 2024-03-12 The digital sphere especially social media is perceived as a new form of public sphere where individuals can share and circulate information and participate in formal and informal democratic processes albeit in the context of echo chambers and confirmation biases Gender in the Digital Sphere explores how we represent express and engage with the digital world via the lens of gender Each chapter touches on one of the three pillars of engagement expression or representation in relation to the digital world and themes range from social media body image and identity to feminist activism to gender and digital narratives The contributors raise important questions about the impact of digital media in everyday life and make connections between

theory and everyday accounts of gender and technology **I Confess!** Thomas Waugh, Brandon Arroyo, 2019-11-21 In the postwar decades sexual revolutions first women's suffrage flappers Prohibition and Mae West later Alfred Kinsey Hugh Hefner and the pill altered the lifestyles and desires of generations Since the 1990s the internet and its cataclysmic cultural and social technological shifts have unleashed a third sexual revolution crystallized in the acts and rituals of confession that are a staple of our twenty first century lives In *I Confess* a collection of thirty original essays leading international scholars such as Ken Plummer Susanna Paasonen Tom Roach and Shohini Ghosh explore the ideas of confession and sexuality in moving image arts and media mostly in the Global North over the last quarter century Through self referencing or autobiographical stories testimonies and performances and through rigorously scrutinized case studies of gay for pay gaming camming YouTube uploads and the films *Tarnation* and *Nymph maniac* the contributors describe a spectrum of identities desires and related representational practices Together these desires and practices shape how we see construct and live our identities within this third sexual revolution embodying both its ominous implications of surveillance and control and its utopian glimmers of community and liberation Inspired by theorists from Michel Foucault and Gilles Deleuze to Gayle Rubin and Jos Esteban Muñoz *I Confess* reflects an extraordinary paradigm shifting proliferation of first person voices and imagery produced during the third sexual revolution from the eve of the internet to today [The Nonviolent Apocalypse](#) Jeffrey D. Meyers, 2021-11-08 Revelation is resistance literature written to instruct early Christians on how to live as followers of Jesus in the Roman Empire *The Nonviolent Apocalypse* uses modern examples and scholarship on nonviolence to help illuminate Revelation's resistance arguing that Revelation's famously violent visions are actually acts of nonviolent resistance to the Empire The visions form part of Revelation's proclamation of God's way as a just and life giving alternative to the system constructed by Rome Revelation urges its readers to pursue this radical form of living engaging in nonviolent resistance to all that stands in the way of God's vision for the world [A Rational Faith](#) Joshua Sijuwade, 2025-03-27 A comprehensive analysis of Richard Swinburne's intellectual journey and philosophical work *A Rational Faith* explores the legacy of one of the most influential and rigorous philosophical defenders of theism Across Swinburne's written career he has displayed a deep commitment to demonstrating the intellectual credibility of the Christian faith facing modern scientific and philosophical challenges and the materialistic worldview of modern intellectualism Analysing his life and work through in depth accessible explanations of key issues and their context Joshua Sijuwade brings together collected criticism of Swinburne's work and explores possible counter arguments alongside a foreword by Richard Swinburne himself Suitable for any reader interested in Swinburne's philosophy first approach or those intrigued by a philosophical defence of the Christian faith *A Rational Faith* reveals Swinburne's life and work as a witness to his belief that belief in the central tenets of the Christian faith is rational

Rape And Revelation Introduction

In today's digital age, the availability of Rape And Revelation books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rape And Revelation books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rape And Revelation books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rape And Revelation versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rape And Revelation books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rape And Revelation books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rape And Revelation books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rape And Revelation books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rape And Revelation books and manuals for download and embark on your journey of knowledge?
