Rape And Society Readings On The Problem Of Sexual Assault

Carol Groneman

Rape And Society Readings On The Problem Of Sexual Assault:

Rape And Society Patricia Searles, 1995-04-13 In the 1970s rape became the point of departure for an ongoing feminist examination of the subordination and sexual victimization of women. More recently domestic violence, prostitution, sexual harassment, and pornography have come to the forefront of investigators' concerns. *Rape and Society* returns to the original focus on rape while also illuminating the interconnections among the many forms of violence against women. The book provides a comprehensive treatment of the subject, drawing on writers and researchers from across a range of social and behavioral sciences and the humanities, and representing the experiences of women of diverse backgrounds and lifestyles. From the private torment of a child abused by her father to the horror of mass rape and ethnic cleansing in the former Yugoslavia, the authors analyze rape as a tool of humiliation, control, and terror. *Rape and Society* is an essential resource for academics and professionals and for anyone wanting to come to grips with the magnitude of the problem of sexual violence. Because the selections are moving as well as thought provoking and varied in approach (theoretical, empirical, literary, and experiential), this interdisciplinary anthology is a superb text for undergraduate and graduate courses in women's studies, psychology, sociology, and criminology. It offers incisive analyses and carefully designed research to help us understand and explain rape while sensitizing us to the personal dimensions of sexual victimization and the emotional toll of living in a violent society. There are hopeful voices here too, helping readers envision a safer and more humane world, offering concrete suggestions for social change and encouraging us all to gather the power and courage to take on the work that lies before us.

Rape And Society Patricia Searles, 2018-03-05 In the 1970s rape became the point of departure for an ongoing feminist examination of the subordination and sexual victimization of women. More recently domestic violence, prostitution, sexual harassment, and pornography have come to the forefront of investigators' concerns. *Rape and Society* returns to the original focus on rape while also illuminating the interconnections among the many forms of violence against women. The book provides a comprehensive treatment of the subject, drawing on writers and researchers from across a range of social and behavioral sciences and the humanities, and representing the experiences of women of diverse backgrounds and lifestyles. From the private torment of a child abused by her father to the horror of mass rape and ethnic cleansing in the former Yugoslavia, the authors analyze rape as a tool of humiliation, control, and terror. *Rape and Society* is an essential resource for academics and professionals and for anyone wanting to come to grips with the magnitude of the problem of sexual violence. It offers incisive analyses and carefully designed research to help us understand and explain rape while sensitizing us to the personal dimensions of sexual victimization and the emotional toll of living in a violent society. There are hopeful voices here too, helping readers envision a safer and more humane world, offering concrete

suggestions for social change and encouraging us all to gather the power and courage to take on the work that lies before us

Perverts and Predators Laura J. Zilney, Lisa Anne Zilney, 2009-05-16 *Perverts and Predators* elaborates on the numerous factors that have contributed to the passage of sexual offending laws in the United States. Authors Lisa and Laura Zilney weave together a story of how sex crimes laws were created by analyzing the changing roles of religion and the medical community, offering theoretical explanations for sex offending from the unique perspectives of criminology and sexology. Working under the central premise that sex and sexuality are positive and healthy and that the only way to deal with the issue of sexual offending is through sex positive education and counseling, Zilney and Zilney trace the history of sex offending laws and highlight cases in the media that contributed to increasingly punitive legislation. The authors provide information concerning the prevalence and incidence of sex offending, including victim and offender profiles and the frequency and types of offenses committed, in order to give readers greater understanding of the problem. They discuss politics as a major player in the creation of a moral panic surrounding sex offenders and fueling public outrage to garner support for get tough laws. The management of sex offenders in society is discussed, as are consequences of the punitive approach for both the offender and the victim. Comparative case studies are used to explore what the United States could learn from other countries' approaches to sexual offending.

The Trauma of Sexual Assault Jenny Petrak, Barbara Hedge, 2003-07-07 The psycho-social needs of victims of rape and sexual assault are increasingly recognised, and there is a need for a critical synthesis of knowledge and practice to support the development of training and best practice in the mental health and sexual health professions. *The Trauma of Sexual Assault* provides an understanding of the theoretical underpinning of the wide range of clinical problems that can follow sexual assault. Focusing on adult victims of sexual assault, this book brings together research findings, theoretical perspectives and implications for treatment, longer term management and future policy. The first text to consider the psychological impact of sexual assault on women and men, it incorporates a comprehensive flow-through model of psychological and social management from the initial presentation of the assaulted person onwards. A much needed reference accessible to a wide range of professionals. Part of the Wiley Series in Clinical Psychology.

Heinous Crime Frederic G. Reamer, 2005 This book offers innovative perspectives on issues concerning a civilized society's response to offenders guilty of heinous crimes. It considers specific cases and the chilling accounts of victims and the criminals themselves. In providing detailed strategies for prevention and rehabilitation, the author examines the psychological and social factors that lead individuals to commit reprehensible crimes, arguing that a fuller understanding of different criminal types is crucial to developing successful answers to the problem of heinous crimes.

Handbook of Sexual Assault and Sexual Assault Prevention William T. O'Donohue, Paul A. Schewe, 2019-10-18 This timely handbook provides in-depth overviews of the myriad and multi-faceted issues surrounding sexual assault and its pervasiveness in today's culture. Drawing from multiple viewpoints and experts, the book is divided into seven comprehensive sections covering such

topics as risk factors varying theoretical frameworks prevention and intervention and special populations Within these sections the authors provide historical background as well as the latest research and offer treatment outcomes and potentials Selected topics covered in this book include Feminist theories of sexual assault Social and economic factors surrounding sexual violence Mental physiological physical and functional health concerns of victims including PTSD Major categories of sexual offenders Treatment of sexual assault survivors in the LGBTQ community Procedural processes related to sexual assault investigation and adjudication within the criminal justice system The Handbook of Sexual Assault and Sexual Assault Prevention is a vital book that will appeal to a broad spectrum of students researchers practitioners and clinicians in the fields of psychology psychiatry community mental health and sociology

Sexual Crime Caryn E. Neumann, 2009-12-14 A contemporary fact filled resource on the historical legal medical and political aspects of a wide variety of sexual crimes Authoritative and informative Sexual Crime A Reference Handbook offers a thoroughly up to date report on an issue of extraordinary urgency It is an expert introduction to a variety of often misunderstood crimes Sexual Crime begins with a background chapter outlining the causes and definitions of sexual crime legal and cultural attitudes over the past three centuries and common myths surrounding this sensitive subject It then offers wide ranging coverage of issues including date rape crimes involving male victims rape in prison female perpetrators medical treatments political ramifications and other contemporary issues

Protection of Sexual Minorities since Stonewall Phil C.W. Chan, 2013-09-13 The Stonewall Riot in New York in 1969 marked the birth of the sexual minority rights movement worldwide In the subsequent four decades equality and related rights on grounds of sexual orientation and gender identity have been enshrined in many African Asian Australasian European and North American countries thanks to better informed discourses of the natures of sexual orientation gender identity equality and rights that systematic scientific and socio legal research has generated Discrimination harassment and persecution on grounds of a person's sexual orientation or gender identity however continue to pervade the laws and social norms in all developed and developing countries In tribute to the courage of those who participated in the Stonewall Riot this book examines the progress and stalemate in various countries on five continents as well as in the development of international law concerning the rights of persons belonging to sexual minorities This book covers issues including homophobic bullying and gay straight alliances in schools the merits and problems that legislation prohibiting hate speech on grounds of sexual orientation presents criminal justice systems in relation to male rape victims and to criminalisation of HIV exposure and transmission the development of sexual minority rights from historical and socio legal perspectives in Hong Kong Japan Singapore and Zimbabwe the lives of transgender persons in Asian countries the evolution operation and impact of international and domestic refugee laws on sexual orientation and gender identity as grounds for refugee status and asylum and the conflicts between law religion and sexual minority equality rights that inhere in the same sex marriage debate in Ireland This book was previously published as a special double issue of The International

Journal of Human Rights *Victimhood and Vulnerability in 21st Century Fiction* Jean-Michel Ganteau, Susana Onega, 2017-04-21 Editors Jean Michel Ganteau and Susana Onega have assembled a volume which addresses the relationship between trauma and ethics and moves one step further to engage with vulnerability studies in their relation to literature and literary form It consists of an introduction and of twelve articles written by specialists from various European countries and includes an interview with US novelist Jayne Anne Phillips conducted by her translator into French Marc Amfreville addressing her latest novel *Quiet Dell* through the victimhood vulnerability prism The corpus of primary sources on which the volume is based draws on various literary backgrounds in English from Britain to India through the USA The editors draw on material from the ethics of alterity trauma studies and the ethics of vulnerability in line with the work of moral philosophers like Emmanuel Levinas as well as with a more recent and challenging tradition of continental thinkers virtually unknown so far in the English speaking world represented by Guillaume Le Blanc Nathalie Maillard and Corinne Pelluchon among others Yet another related line of thought followed in the volume is that represented by feminist critics like Catriona McKenzie Wendy Rogers and Susan Dodds *Reader's Guide to Women's Studies* Eleanor Amico, 1998-03-20 The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors **Rape, Victims, and Investigations** Shana Maier, 2014-06-13 Despite changes to laws and attitudes rape continues at epidemic levels worldwide As gatekeepers to the criminal justice system law enforcement officers are important to the processing of rape cases and their interactions with victims can potentially affect the victim's reaction to and recovery from rape In order to better understand rape and the processing of cases through the criminal justice and legal systems *Rape Victims and Investigations* explores the unique perceptions and experiences of detectives who respond to rape victims and investigate rape cases The detective's investigation is the foundation of the prosecution's case the book considers factors that contribute to the challenging nature of rape investigations such as lack of evidence or a clear credible victim statement Detectives' perceptions of victims' revictimization by the criminal justice and legal systems are also explored The book also looks at specific causes of police stress and burnout related to working rape cases financial struggles faced by departments and ways to meet these challenges By integrating previous research within the context of rich interview data *Rape Victims and Investigations* provides deep insight for readers and will contribute to the continued improvement of treatment of victims by the criminal justice system The book will be essential reading for academics students law enforcement officers those who provide services to sexual assault victims and victims themselves *Nymphomania* Carol Groneman, 2001 This lively and fascinating exploration of nymphomania as organic disease psychological disorder legal construct and locker room joke takes a look at

the surprising contradictory and illuminating history of the subject over the last 200 years *Gender Violence* Laura L. O'Toole, Jessica R. Schiffman, 1997-03 How gender and sexuality can be life threatening Though violence against women has received increasing attention from scholars and the general public alike much of the literature on the subject is scattered in monographs journals and books focusing on specific forms of gender violence In their path breaking anthology *Gender Violence Interdisciplinary Perspectives* editors Laura L O Toole and Jessica Schiffman have brought together central articles and authors to construct a remarkably broad understanding of the gender related manifestations of violence *Gender Violence* is composed of three sections one examining the roots of male violence and victimization of women another exploring forms of sexual coercion and violence and a third offering a number of perspectives on promoting nonviolence in the context of gender relations Chapters consider topics including sexual harassment rape children and gender violence battering in intimate relationships and pornography The list of contributors includes such diverse and well known scholars as Friedrich Engels bell hooks Diana Scully Harry Brod and Linda Gordon and poets such as Audre Lorde and Margaret Randall The book also contains a number of original pieces with novel approaches to subjects such as domestic violence and its effects on children With its interdisciplinary perspective and wide ranging subject matter *Gender Violence* is an excellent primary text as well as an invaluable reference for scholars in the field of women and violence *Rid of My Disgrace* Justin S. Holcomb, Lindsey A. Holcomb, 2011 Helps adult victims of sexual assault move from brokenness to healing This book outlines a theology of redemption and includes an application of how the disgrace of the cross can lead victims toward grace

Introduction to Criminology David Kauzlarich, Hugh D. Barlow, 2009 The ninth edition of *Introduction to Criminology* provides a comprehensive introduction to the study of lawmaking lawbreaking and reactions to crime Both classic and contemporary theories of the causes of crime are discussed and critiqued Special attention is given to critical theories of crime and to general theories The latest crime statistics research and theorizing are fully integrated throughout the text and the innovative epilogue provides students with the tools to actually apply criminological theory to real life events New to this edition Thoroughly updated throughout including statistics studies and theories in criminology The discussions of drugs prostitution and organized crime are now together in one chapter chapter 7 New chapters have been added on critical theories chapter 14 and biological psychological and evolutionary explanations of crime chapter 11 More illustrations and examples of crime from popular culture have been added throughout the text in an effort to help students make stronger intellectual connections to the material A new epilogue has been added that will help students think through common criminological issues and questions they are likely to encounter in everyday conversation *A Comparative Perspective on Major Social Problems* Rita James Simon, 2001-01-01 In this volume Rita J Simon brings together a clearly organized and accessible collection of scholarly essays on the world's most pressing social problems Each of the contributors address a specific issue gambling prisons alcohol AIDS rape prisons juvenile justice abortion and guns by examining the institutions

and laws different societies have developed for containing them Each of the countries selected represents a range of variations in political economic religious ethical social orientations and characteristics This comparative and interdisciplinary world perspective makes Simon s edited volume uniquely relevant to political scientists sociologist criminologists psychologists and the broader audience of scholars and laypeople interested in the study of contemporary social problems

Early Modern Trauma Erin Peters,Cynthia Richards,2021-08 This edited collection explores what trauma seen through an analytical lens can reveal about the early modern period and conversely what conceptualizations of psychological trauma from the period can tell us about trauma theory itself **Victimology** William G. Doerner,Steven P. Lab,2014-04-29

Victimology 7th Edition introduces students to the criminal justice system in the United States and its impact on crime victims Authors William Doerner and Steven Lab provide a fresh look at the theoretical basis of victimology and then present the key facets of crime and its effects They examine financial and social costs both to the individual and to the larger community This new edition brings forward the theoretical foundation of victimology into Part 1 to establish a clear conceptual framework and reduce repetition Emerging trends in the field receive greater emphasis in this edition including non adversarial resolution options that offer remediation for crime victims Crimes like intimate partner violence and victimization in the work or school environment continue to take a toll and the authors examine efforts to prevent these crimes as well as responses after an incident occurs Doerner and Lab challenge students to rethink the current response to crime victims and to develop improved approaches to this costly social issue Online supplements are available for both professors and students This breakthrough work provides an organizing structure for the history and current state of the field of victimology and outlines the reasons compelling a separate focus on crime victims Highly readable Victimology explores the role of victimology in today s criminal justice system examining the consequences of victimization and the various remedies now available for victims A new chapter covers the important implications of restorative justice The text is supplemented by illustrative figures and tables as well as learning objectives key terms and a listing of related Internet sites

Reconsidering Sex Crimes and Offenders Laura J. Zilney,Lisa A. Zilney,2009-07-23 This examination of our nation s sex crime laws and the social attitudes behind them argues that many citizens are being pursued as sex offenders for nonviolent and oftentimes consensual sexual behaviors Cutting through the hysteria and hype *Reconsidering Sex Crimes and Offenders* Prosecution or Persecution argues that while convicted violent sex offenders certainly should be punished many laws targeting minor sexual offenses are outdated overly severe and too concerned with satisfying public outrage driven by distortions misconceptions and sensationalistic media coverage *Reconsidering Sex Crimes and Offenders* is sure to challenge readers understanding of who a sex offender is how they should be treated and how best to protect the community from such offenders The book looks at how the legal definitions of certain offenses have changed over time and then explores a series of real life case studies Readers will discover how some citizens have been targeted and punished for consensual acts including

homosexuality polygamy and pornography Additional coverage considers a number of highly controversial laws from residency restrictions to the death penalty and the media's role in fueling public support for them

Masculinities, Sexualities and Child Sexual Abuse Anne Cossins, 2021-08-04 Why is child sexual abuse committed primarily by men and male adolescents unlike other forms of child abuse Is child sex offending rather than being a deviant masculine sexual practice related to normative masculine practices that is practices structured on dynamic and changing relations of power Using a practice based sociological approach the relationship between masculinities sexualities and child sexual abuse is analysed and the power powerlessness theory is developed to explain the predominantly male problem of child sex offending The theory postulates that because the social construction of masculinities involves the construction of dynamic and changing relations of power between men men's lives are characterised by a combination of power and powerlessness The book argues that an offender's experiences of powerlessness as a result of his relationships with other men is the key to understanding child sex offending since sexuality is a key social practice for the alleviation of experiences of powerlessness and for establishing relations of power with other men In particular the theory argues that a man's particular attachment to the link between sexuality and experiences of masculinity and power will be a key factor for determining how he does sex and whom he chooses as a sexual partner In the final chapter the theory is tested through a re analysis of offender interviews

Rape And Society Readings On The Problem Of Sexual Assault Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rape And Society Readings On The Problem Of Sexual Assault free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rape And Society Readings On The Problem Of Sexual Assault free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rape And Society Readings On The Problem Of Sexual Assault free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Rape And Society Readings On The Problem Of Sexual Assault. In conclusion,

the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rape And Society Readings On The Problem Of Sexual Assault any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Rape And Society Readings On The Problem Of Sexual Assault Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rape And Society Readings On The Problem Of Sexual Assault is one of the best book in our library for free trial. We provide copy of Rape And Society Readings On The Problem Of Sexual Assault in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rape And Society Readings On The Problem Of Sexual Assault. Where to download Rape And Society Readings On The Problem Of Sexual Assault online for free? Are you looking for Rape And Society Readings On The Problem Of Sexual Assault PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Rape And Society Readings On The Problem Of Sexual Assault. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Rape And Society Readings On The Problem Of Sexual Assault are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots

of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented.
