Burton, 2019-09-25 Reproduction of the original *The Land of Midian* by Richard F Burton **The Land of Midian; Revisited, in Two Volumes** Richard Francis Burton, 2023-09-18 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision *Truth Seeker* Warren Mueller, 2019-08-14 Was Jesus a Zealot Has the tomb of Jesus been discovered Was Christianity an outgrowth of Mystery Religions What is the relationship between Christianity and the Essenes or Gnostics Did the Catholic Church create a Bible that is different from apostolic writings These are some of the questions that have surfaced in recent years and that are discussed in this book Warren s father was a deep thinker a voracious reader and seeker after historical truths He adopted many ideas that challenged traditional Christian views He believed that religious and political institutions have altered history to reflect their views While this is true to an extent there are many solid facts upon which Christianity is founded that support the divinity of Jesus and his redemptive work on the cross This book continues a dialogue between Warren and his father that spanned more than thirty years and began with Warren s book *Truth Seeker Objections to the Bible* This book is for those who have questions and problems with aspects of the Bible It also debunks the ancient alien theory for the creation of mankind **Is It God's Word** Joseph Wheless, 2007-03-01 Is the Bible the word of God This classic of atheistic literature has the answer and it s a loud and profound NO American writer JOSEPH WHELESS 1868 1950 employs all the tools of the logician from the self evidence of reason to the words of the very proponents of the attitudes he strives to dismiss to condemn Christianity as nonsense Wheless roundly debunks the patriarchs and the covenants of Yahweh the wonders of the Exodus the forty years in the wilderness the ten commandments and the law the conquest of the promised land the holy priests and prophets of Yahweh the prophecies of Jesus Christ the inspired harmony of the Gospels the Christian plan of salvation and more This is a highly provocative work one that should be explored by believers and doubters alike ALSO AVAILABLE FROM COSIMO Wheless s *Forgery in Christianity* *Clothed with the Sun* Joyce Hollyday, 1994-01-01 A contributing editor for *Sojourners* magazine introduces readers to women in the Bible many of them unfamiliar in 50 meditations that are grounded in the lives of biblical women The meditations are designed to be used throughout the year and questions for group discussion are included Bible Tales for Ages 18 and Up G. Richard Bozarth, 2014-09-01 In 1947 Dr Sebeos Piafraus discovered the Terminally Ill Sea Scrolls in the same month the Dead Sea Scrolls were found The Dead Sea Scrolls became internationally famous but the Terminally Ill Sea Scrolls were consigned to obscurity along with their discoverer Dr Piafraus who endured decades of ego bruising neglect provides translations of well known Old Testament stories which he insists are the most authentic versions of the stories because the Jewish eschatological cult that created the Scrolls claimed that they were These stories are more fully developed than in the Old Testament and are humorous though some parts are appalling because Bible

stories often are appalling **The Africana Bible, Second Edition** Hugh R. Page, Jr., Cheryl A. Kirk-Duggan, Valerie Bridgeman, Stacy Davis, Madipoane Masenya, Rodney S. Sadler, Jr., 2023-11-07 The second edition features an updated commentary on each book of the Hebrew Bible that is authoritative for African and African diaspora communities worldwide It highlights issues of the Black community such as globalization and the colonial legacy and the distinctive norms of interpretation in African and African diaspora settings *The God Dilemma* V.C. Thomas, 2009-08-25 Today's modern technology and scientific knowledge contradicts all religious dogma created in ancient times by ignorant and superstitious people who had just learned to write Modern science can test the strength of one's faith and it can make him a skeptic causing him to discard the religious beliefs of his family for generations past Deep religious experiences or self-induced delusions can be explained by physical psychological biological and medical sciences today Evil or Sin is the result of social and mental conditions and can be corrected with education and medication today and without the help of an imaginary God To quote Mark Twain Faith is to believe in what you know for sure is not true The GOD Dilemma is an unscientific investigation to justify believing in religion today and in particular the Christian faith It argues that scientific and logical discussions about religion and the existence of God are futile however we cannot stop thinking about it Humans are maybe born with a faith in God's existence and with a conscience that tells them which is morally and ethically right and which is not Author Thomas used to believe in religion God and Christianity through his teenage years but even if he learned to ignore it during his 50 adult years he never consciously discarded his Christian faith He now shares his investigations and attempts to believe in Jesus Christ once again despite today's knowledge of the universe and evolution and by ignoring the sanctimonious behavior of fundamentalist US Christians In the international scene Thomas believes that the US wars since WWII cannot be justified by the life and the teachings of Jesus Christ There is an underlying moral claim by fundamentalist Christian Americans that its actions are justified by Jesus and Christianity The new phenomenon called Christian Zionism which requires the removal of Palestinians from their homeland to create and expand Israel to enable the second coming of Christ categorically contradicts the teachings of Jesus in the four Gospels Zionism is based on the Old Testament Bible OTB and Revelations in the New Testament both of which are scientifically ridiculous The OTB is also historically questionable about a God interacting with his only chosen people in Middle East and morally criminal God sponsored and assisted armed robbery and genocide to create Israel ancient and modern by today's legal and ethical standards Why has the life and teachings of Jesus Christ not produced universal love and non violence among Christians Why are American Christians the most active supporters of or not speaking out against the wars bombing and destruction by the USA since WWII Are Ashkenazi European Jews really the descendants of Semitic slaves from Egypt What were the reasons for anti-Semitism and the Holocaust in Christian Europe of the past Why is the European Union and the US punishing the Palestinians for the Holocaust crimes in Europe Can God's orders in the Bible be legally used by the United Nations to recreate Israel again in the 20th century after

3000 years by getting rid of Palestinians The book seeks to inform and provoke critical thinking of the readers through this investigation into religion and God and in particular the violent intolerant and self righteous behavior of Christians for centuries past and even in today's enlightened age using the source of the Christian religion the Bible **The Political Dramaturgy of Nicodemus Frischlin** David Price, 2020-05-01 This is the first comprehensive study of the dramas of Nicodemus Frischlin 1547-1590 one of the most versatile and complex playwrights of early modern Germany Frischlin's broad range encompassed biblical confessional and historical drama all of which expressed bold social and political criticism His plays were influential frequently printed and translated and often controversial He ended his short life trying to escape prison where he was being held for threatening further political publications Price analyzes Frischlin's dramatic output as well as humanist literary theory in particular Renaissance approaches to rhetoric and imitation to explain how humanists modified or even subverted classical forms to accommodate political and theological activism *Reading Phineas,*

Watching Slashers Brandon R. Grafius, 2018-03-20 The tale of the zeal of Phineas expressed when he killed an Israelite man and a Midianite woman having sex and thus stopped a plague of consorting with idolatrous neighbors in the Israelite camp Numbers 25 has long attracted both interest and revulsion Scholars have sought to defend the account to explain it as pious fiction or to protest its horrific violence Brandon R. Grafius seeks to understand how the tale expresses the latent anxieties of the Israelite society that produced it combining the insights of historical criticism with those of contemporary horror and monster theory Grafius compares Israelite anxieties concerning ethnic boundaries and community organization with similar anxieties apparent in horror films of the 1980s then finds confirmation for his method in the responses of Roman period readers who reacted to the tale of Phineas as a tale of horror The combination of methods allows Grafius to illumine the concern of an ancient priestly class to control unsettled and unsettling community boundaries and to raise questions of implications for our own time NET Bible, Full Notes Edition (NET) Thomas Nelson, 2025-08-19 Ever feel lost in translation

Divine Envy, Jealousy, and Vengefulness in Ancient Israel and Greece Stuart Lasine,2022-11-11 This book is the first in depth comparative analysis of envy jealousy and vengefulness experienced by divine personalities in the Hebrew Bible and ancient Greek texts and the functions served by attributing negative emotions and traits to one s gods Readers are informed about the vigorous debates concerning the nature of emotion a field with rapidly growing interest

including the specific emotions of envy jealousy and vengeance The book charts the complex multi faceted presentation of divine beings in the Hebrew Bible and ancient Greek literature including their negative emotions While the detailed readings of key biblical and Greek texts can stand on their own Lasine s comparative analyses allow readers to appreciate the uniqueness of each tradition Finally examining the functions served by envisioning one s God or gods as jealous envious and vengeful offers readers a fresh perspective on biblical theology and the ways in which Greek poets and dramatists imagined the nature of their deities Divine Envy Jealousy and Vengefulness in Ancient Israel and Greece is intended for biblical classical and literary scholars as well as the general reader interested in the Hebrew Bible and or ancient Greek literature

Dinah's Daughters Helena Zlotnick,2013-04-19 The status of women in the ancient Judaism of the Hebrew Bible and Rabbinic texts has long been a contested issue What does being a Jewess entail in antiquity Men in ancient Jewish culture are defined primarily by what duties they are expected to perform the course of action that they take The Jewess in contrast is bound by stricture Writing on the formation and transformation of the ideology of female Jewishness in the ancient world Zlotnick places her treatment in a broad comparative Mediterranean context bringing in parallels from Greek and Roman sources Drawing on episodes from the Hebrew Bible and on Midrashic Mishnaic and Talmudic texts she pays particular attention to the ways in which they attempt to determine the boundaries of communal affiliation through real and perceived differences between Israelites or Jews on one hand and non Israelites or Gentiles on the other Women are often associated in the sources with the forbidden and foreign women are endowed with a curious freedom of action and choice that is hardly ever shared by their Jewish counterparts Delilah for instance is one of the most autonomous women in the Bible appearing without patronymic or family ties She also brings disaster Dinah the Jewess by contrast becomes an agent of self destruction when she goes out to mingle with gentile female friends In ancient Judaism the lessons of such tales were applied as rules to sustain membership in the family the clan and the community While Zlotnick s central project is to untangle the challenges of sex gender and the formation of national identity in antiquity her book is also a remarkable study of intertextual relations within the Jewish literary tradition

Did God Really Command Genocide? Paul Copan,Matt Flannagan,2014-11-11 A common objection to belief in the God of the Bible is that a good kind and loving deity would never command the wholesale slaughter of nations Even Christians have a hard time stomaching such a thought and many avoid reading those difficult Old Testament passages that make us squeamish Instead we quickly jump to the enemy loving forgiving Jesus of the New Testament And yet the question doesn t go away Did God really command genocide Is the command to utterly destroy morally unjustifiable Is it literal Are the issues more complex and nuanced than we realize In the tradition of his popular Is God a Moral Monster Paul Copan teams up with Matthew Flannagan to tackle some of the most confusing and uncomfortable passages of Scripture Together they help the Christian and nonbeliever alike understand the biblical theological philosophical and ethical implications of Old Testament warfare passages Pastors youth pastors campus ministers apologetics

Return to Meaning Andrew Cort, 2008-04-28 If God exists and God is all powerful and good why did God

create an imperfect world Does religion have a credible answer Morality as secularists know does not require a deity Blind faith as atheists know often leads to hatred and war Taking scriptural stories as literal history as scientists know borders on the nonsensical There has to be more And there is In their most important sense these are symbolic psychological stories Everything that happens the wars the joys the obstacles that are overcome must occur in one's own soul In other words all the great myths and scriptures are how-to manuals for Initiation In this groundbreaking work Andrew Cort describes the inner journey of Creation and Return that is revealed by the Greek Myths the Torah the Gospels and the Qur'an He demonstrates the stunning unity of our western religious traditions whose common aim is to enlighten the soul and restore a sense of meaning to our lives and culture
