Virginity in Young Adult Literature after Twilight Christine Seifert, 2015-01-27 Around 2005 something surprising happened in young adult literature YA books became obsessed with presenting characters who wanted to have sex but couldn't at least not without losing something vital to their identity Since the publication of Twilight the YA market has been flooded with books that feature naive virgins finding true love While some YA novels do present nuanced depictions of sex and of healthy sexual relationships the fiction most popular with young adult readers presents adolescent girls as virginal sex objects waiting to be fulfilled by their love interests In Virginity in Young Adult Literature after Twilight Christine Seifert looks at an alarming trend in YA novels Labeling this phenomenon abstinence porn Seifert argues that these novels that
