Howard,2024-05-08 Evie the protagonist wanted to

recuperate from her studies at Usher University in Indiana during the semester break and intended to visit her American Mother Mary her former mother in law at their family s home in Kentucky Mary still considered Evie as one of her children even though she divorced Mary s son Bruno Evie was glad to have found a mother figure as her biological mother treated her like a rival of her father and hadn t given her the attention and care that she needed Her natural Mom only showed interest in Evie when it benefited her and only when she needed something As her estranged former sister in law Abigail was supposed to pick her up at the Greyhound Bus Station to take her to the Harrods house Abigail shared horrible news Mom is dead Evie s whole body shook and her blood ran cold adding to the fear of what was to come among the violent Harrods in the house without Mom s protection due to the fear of having to stay there Evie s stay without Mom in the house was a nightmare All the memories of her marriage to Bruno seemed to come back especially since she was staying in her Ex s childhood refuge The room where Bruno had suffered from the brutality of childhood adolescence and even adulthood when he visited his parents house Without Mom s presence in the house Evie could feel the traumas and pain from Bruno and her own fearing for her life But this time it wasn t just the shock and pain of Mom s death but also the loss of security with the Harrods who seemed to be a strange brutal but still loving family The younger brother Wayne who was incarcerated at a Corrections Center in Crown Point would be of no help if violence occurred Evie had often hung out at the entrance of the barn when she visited the Harrods A few months back when Evie was relaxing in her hide out she overheard a heated discussion between the Preacher Charlie and her Mom who accused him of teaching her the wrong thing of raising her boys with the rod and believing as a true Baptist fanatical fundamentalist in the seeming goodness of the wrath of the God of the Old Testament The preacher was shocked when he found out that Mary had regretted her strict upbringing of the boys She had an epiphany after receiving help from the Cherokees and it sparked a new way of thinking through a Vision Quest At dinner before the funeral Evie was accompanied by Abigail her new boyfriend Tom who never said a word and Bruno She thought that Dad pretended to not be able to speak because he seemed to avoid any hard topics of discussion And Evie was obsessed from the beginning by the question who had killed her Mom The funeral service took place the next day in the chapel Chaos ensued as Wayne lost his composure and screamed about his hatred for Mom her way of punishing him when he was young and his desire for her to die after Evie had lost control of herself The Baptist congregation was dumbfounded by the trauma Wayne was expressing Then there was an infernal climax the faithful with their heads bowed motionless like the preacher at the altar so immobile and speechless that he could not address his congregation while the evildoer was led out of the chapel

The Song of a Dark Angel (Hugh Corbett Mysteries, Book 8) Paul Doherty,2012-10-30 The Norfolk coast is besieged by a series of murders can Hugh Corbett find the killer The Song of a Dark Angel is the eighth mystery in Paul Doherty's medieval series featuring intrepid sleuth Hugh Corbett Perfect for fans of Robin Hobb and Michael Jecks November 1302 and Sir Hugh Corbett Edward I's Keeper of the Secret Seal together with his manservant Ranulf and messenger Maltote are sent to Mortlake Manor on the Norfolk coast to confront an evil rarely seen before A man's headless corpse its head impaled on a pole has been found on a beach and the pretty young wife of a local baker has been found hanging from a gallows The scene is set for more gruesome deaths and Corbett soon realises that the icy wastes of Norfolk where the eerie song of the Dark Angel wind chills those that live in the small villages along the coast are just as treacherous

as the silken intrigue at the royal court or the violence of London's fetid alleyways. What readers are saying about *The Song of a Dark Angel* Paul Doherty's understanding of the period's political, social, and religious history brings this medieval masterpiece alive. Paul's flair for the atmospheric and his skill with the mysterious combine to produce a page-turning medieval mystery that I thoroughly enjoyed. Well-written good mystery that keeps you guessing until the end.
