

APRIL IS SEXUAL ASSAULT AWARENESS MONTH

HOW DO WE TALK ABOUT SEXUAL VIOLENCE? HOW DO WE TAKE ACTION AGAINST IT?

Arm yourself with the truth and tips to start leading the way in sexual assault prevention.

THE FACTS: SEXUAL ASSAULT IN THE U.S.

Every day in the U.S., over **500 women** are sexually assaulted

That number doesn't even account for all the sexual assaults that go unreported

1 in 3 teens suffer physical, sexual, emotional or verbal abuse from a dating partner

1 in 5 women are sexually assaulted while in college

For every **100 cases of rape**, there are only...

12 ARRESTS

9 PROSECUTIONS

THE POWER OF EARLY EDUCATION

Teaching safety and respect as part of early education is critical to preventing sexual violence.

Why is this important?

At-risk children without adequate early education are **70% more likely** to be arrested for a violent crime

Children without healthy attachments (relationships with those responsible for their care) can have difficulty with emotional and social development later on

5 Things to Teach Our Kids About Safety and Consent

1 Always ask before touching, and heed the answer

2 Value the importance and truth in the words "stop" and "no," whether they're saying it or hearing it.

Rapesexual Assault How Where To Find Facts And Get Help

Sandra L. Brown

Rapesexual Assault How Where To Find Facts And Get Help:

you met the depression gremlin He s a troublesome creature who likes nothing more than to feed off your low mood And the more he devours the bigger he gets and the more sadness you feel But never fear starve him of depression related thoughts feelings and behaviours and watch him shrink and shrivel away Part of the award winning Starve the Gremlin series this engaging and accessible workbook helps young people aged 10 to understand their feelings by explaining what depression is how it develops and the impact it can have on the lives of young people Based on the principles of cognitive behavioural therapy and packed with valuable tips and strategies this workbook also aims to empower the reader to change how they think and act in order to manage their depression Full of fun and creative activities Starving the Depression Gremlin can help support and inform wider therapeutic work with young people with depression and it can be used independently or with a parent or practitioner It will be of interest to school counsellors therapists social workers youth workers teaching staff and other professionals working with young people

Race, Culture, Psychology, and Law Kimberly Barrett, William H George, 2005 In a diverse democracy law must be open to all All too often however our system of justice has failed to live up to our shared ideals because it excludes individuals and communities even as they seek to use it or find themselves caught up in it The research presented here offers hope The abstract doctrines of the law are presented through real cases Judges lawyers scholars and concerned citizens will find much in these pages documenting the need for reform along with the means for achieving our aspirations The issues presented by race ethnicity and cultural differences are obviously central to the resolution of disputes in a nation made up of people who have in common only their faith in the great experiment of the United States Constitution Here the challenges are met in an original accessible and thoughtful manner Frank H Wu Howard University and author of *Yellow Race in America Beyond Black and White* Kim Barrett and William George have taken on an enormous task which is matched only by its timeliness Cultural competence and cultural diversity pass off our lips as eternally valued ideals but Barrett and George have brought a critical and edifying eye to thee ideas Racism is similarly easy to acknowledge but difficult to account for in the everyday lives of ordinary people of color What we discover in this impressive volume is not only that race and culture matter but how they matter in the minds of people who are clients and the minds of people who attempt to serve them and in the courts of law that attempt to mete out justice *Race Culture Psychology and the Law* is essential reading for anyone with a professional or personal interest in social justice and psychological well being James M Jones Ph D Director Minority Fellowship Program American Psychological Association This is an extraordinary and daring compilation of cutting edge commentaries that should prove invaluable to students scholars and practitioners working in social work clinical and forensic psychology juvenile justice immigration adjustment Native American advocacy and child and adult abuse It is a quality text that tackles key topics bridged by psychology and the law with clarity succinctness complexity and evenhandedness William E Cross Jr Ph D Graduate Center City University of New York American ethnic and racial minority groups immigrants and refugees to this country are disparately impacted by the

justice system of the United States Issues such as racial profiling disproportionate incarceration deportation and capital punishment all exemplify situations in which the legal system must attend to matters of race and culture in a competent and humane fashion Race Culture Psychology and Law is the only book to provide summaries and analyses of culturally competent psychological and social services encountered within the U S legal arena The book is broad in scope and covers the knowledge and practice crucial in providing comprehensive services to ethnic racial and cultural minorities Topics include the importance of race relations psychological testing and evaluation racial profiling disparities in death penalty conviction immigration and domestic violence asylum seekers deportations and civil rights juvenile justice cross cultural lawyering and cultural competency in the administration of justice Race Culture Psychology and Law offers a compendium of knowledge historical background case examples guidelines and practice standards pertinent to professionals in the fields of psychology and law to help them recognize the importance of racial and cultural contexts of their clients Editors Kimberly Holt Barrett and William H George have drawn together contributing authors from a variety of academic disciplines including law psychology sociology social work and family studies These contributors illustrate the delivery of psychological legal and social services to individuals and families from racial minority ethnic minority immigrant and refugee groups who are involved in legal proceedings Race Culture Psychology and Law is a unique and timely text for undergraduate and graduate students studying psychology and law The book is also a vital resource for a variety of professionals such as clinical psychologists forensic psychologists psychiatrists counselors social workers and attorneys dealing with new immigrants and people from various ethnic communities

When the Subject Is Rape Alan W. McEvoy, PhD, 2023-05-17 Rape is unfortunately an all too common violent crime usually perpetrated against women For victims the process of sharing information about an assault with loved ones or reporting the crime to the police can be harrowing embarrassing and painful The responses of others can greatly affect the way a rape survivor copes Often the men who are closest to rape survivors intimate partners friends and family members are simply unprepared to offer the right assistance The wrong word or action may trigger an unexpected reaction Written by Alan W McEvoy PhD When the Subject Is Rape is designed specifically to illustrate the role men can play as allies in a woman's recovery from rape This book examines the many aspects of rape It looks at both the short and long term emotional and psychological impacts rape can have on a woman what she can expect during the prosecution of her rapist and strategies that can help her to recover from the assault It discusses how the men in her life should communicate with her and address her needs throughout her recovery and describes how they should conduct themselves to avoid unintentionally causing her more pain It also explains how to identify changes in behavior that may signal an undisclosed rape Even if a rape goes unreported both the emotional consequences and the need for support throughout the recovery process will still be present Rape is not an easy subject to discuss Sexual violence can radically alter the course of a woman's life By understanding the trauma associated with rape and other forms of sexual assault men can

play an important part in a woman's healing process When the Subject Is Rape provides information that can help men to create a climate of support for the empowerment of women who are on the path to recovery *New Dimensions in Women's Health* Linda Lewis Alexander, Judith H Larosa, Helaine Bader, Susan Garfield, 2024-08-02 Revised and update to keep pace with changing issues that affect all women the new Ninth Edition of the best selling *New Dimensions in Women's Health* continues to provide a modern look at the health of women of all cultures races ethnicities socioeconomic backgrounds and sexual orientations Written for undergraduate students within health education nursing and women's studies programs the text provides readers with the critical information needed to optimize their well being avoid illness and injury and support their overall health The authors took great care to provide in depth coverage of important aspects of women's health and to examine the contributing epidemiological historical psychosocial cultural ethical legal political and economic influences The Ninth Edition includes The impact of the COVID 19 pandemic on many aspects of women's health from the workplace to violence substance abuse and more Updates related to the Affordable Care Act and post Medicaid expansion New information on diet and nutrition trends The Dobbs decision and its impact on women's health Updated information on mental illness disorder classification and mental illness resources New content on substance abuse trends along with cannabis and other legalization efforts Updated violence data to reflect intimate partner violence in domestic partnerships and LGBTQ relationships among others Juvenile Justice Steven M. Cox, Jennifer M. Allen, Robert D. Hanser, John J.  the text provides readers with the critical information needed to optimize their well being
 avoid illness and injury and support their overall health
 The authors took great care to provide in depth coverage of important aspects of women's health and to examine the contributing epidemiological historical psychosocial cultural ethical legal political and economic influences

Rape, Sexual Violence and Transitional Justice Challenges Janine Clark, 2017-09-01
 It is estimated that 20 000 people were subjected to rape and other forms of sexual

violence during the 1992-1995 Bosnian war. Today these men and women have been largely forgotten. Where are they now? To what extent do their experiences continue to affect and influence their lives and the lives of those around them? What are the principal problems that these individuals face? Such questions remain largely unanswered. More broadly, the long-term consequences of conflict-related rape and sexual violence are often overlooked. Based on extensive interviews with male and female survivors from all ethnic groups in Bosnia Herzegovina (BiH), this interdisciplinary book addresses a critical gap in the current literature on rape and sexual violence in conflict situations. In so doing, it uniquely situates and explores the legacy of these crimes within a transitional justice framework. Demonstrating that transitional justice processes in BiH have neglected the long-term effects of rape and sexual violence, it develops and operationalizes a new holistic approach to transitional justice that is based on an expanded conception of legacy and has a wider application beyond BiH.

Sexual Assault Olivia Ghafoerkhan, 2016-12-08. Out of all reported cases of sexual assault, nearly 70 percent occur with victims who are under the age of seventeen, and it has been estimated that one in ten children will be sexually abused before they turn eighteen. Sexual assault has become an all too common occurrence among young adults. An assault can cause physical injuries, STDs, and STIs, post-traumatic stress disorder, flashbacks, anxiety, depression, and other re-experiencing symptoms. It can lead to poor academic performance, substance abuse, risky sexual behavior, and even suicide. Research has also shown that victims of sexual abuse are more likely to confide in friends than in adults, but those friends may not be equipped to help. In *Sexual Assault: The Ultimate Teen Guide*, Olivia Ghafoerkhan describes the various ways sexual violence can be perpetrated, discusses myths many teens believe about the subject, and outlines how young adults can get the help they need to begin the healing process. Topics covered include date rape, abusive relationships, incest, breaking the silence, victim-blaming, support, and healing. An invaluable resource for young people, *Sexual Assault: The Ultimate Teen Guide* aims to give victims and their friends the courage to report such crimes, advice on where to find help, and hope that life can return to some sense of normalcy after such a horrific experience.

The Enigmatic Realm of **Rapesexual Assault How Where To Find Facts And Get Help**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Rapesexual Assault How Where To Find Facts And Get Help** a literary masterpiece penned by a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those that partake in its reading experience.
