Why do Americans read contemporary fiction This question seems simple but is it Do Americans read for the purpose of aesthetic appreciation To satisfy their own insatiable intellectual curiosities While other forms of media have come to monopolize consumers leisure time in the past two decades book clubs have proliferated Amazon has sponsored thriving online discussions Oprah Winfrey has inspired millions of viewers to read both contemporary works and classics and novels have retained their devoted following within middlebrow communities In *Reading as Therapy* Timothy Aubry argues that contemporary fiction serves primarily as a therapeutic tool for lonely dissatisfied middle class American readers one that validates their own private dysfunctions while supporting elusive communities of strangers unified by shared feelings Aubry persuasively makes the case that contemporary literature's persistent appeal depends upon its capacity to perform a therapeutic function *Reading as Therapy* traces the growth and proliferation of psychological concepts focused on the subjective interior within mainstream middle class society and the impact this has had on contemporary fiction The prevailing tendency among academic critics has been to decry the personal emphasis of contemporary fiction as complicit with the rise of a narcissistic culture the ascendancy of liberal individualism and the breakdown of public life *Reading as Therapy* by contrast underscores the varied ideological effects that therapeutic culture can foster To uncover the many unpredictable ways in which contemporary literature answers the psychological needs of its readers Aubry considers several different venues of reader response including Oprah's Book Club and Amazon customer reviews the promotional strategies of publishing houses and a variety of contemporary texts ranging from Khaled Hosseini's *The Kite Runner* to Anita Shreve's *The Pilot's Wife* to David Foster Wallace's *Infinite Jest* He concludes that in the face of an atomistic social landscape

contemporary fiction gives readers a therapeutic vocabulary that both reinforces the private sphere and creates surprising forms of sympathy and solidarity among strangers *Kliatt Young Adult Paperback Book Guide* ,1997 **Forthcoming Books** Rose Army,2003 From Rapture to Revelation Michelle Grace Lyerly,2006-08-01 Ever since the September 11 2001 attacks on the World Trade Center in New York City there has been a renewed interest in the area of Islamic fundamentalism Consequently the interest in Christian fundamentalism has shifted into the background as it had been a chief concern of a number of authors since the 1970s In 1993 the World Alliance of Reformed Churches WARC the Lutheran World Federation LWF and the Pontifical Council for Promoting Christian Unity PCPCU conducted a multilateral dialogue addressing the worldwide phenomena of Christian fundamentalism and they eventually published a report on their findings entitled Christian Fundamentalism Today The Papers and Findings of the WARC LWF PCPU Consultation 22-26 February 1993 ed H S Wilson Geneva World Alliance of Reformed Churches 1994 While such writings serve to inform the reader on the issue of Christian fundamentalism they offer no practical steps on how ecumenically minded Christians can more effectively address the spiritual and theological concerns of those who are seeking refuge from the fundamentalist worldview especially within the context of the United States This work will focus on the problem of how ecumenically minded Christians could more effectively address the spiritual and theological concerns of former fundamentalists in the United States especially when dealing with the difficult theological topics of biblical inerrancy and eschatology Since evangelicals closely resemble fundamentalists in doctrine and practice the author will approach this task by conducting a textual analysis of the documents that came out of some of the official bilateral dialogues between evangelical and non evangelical groups in hopes that the results of these documents will offer some clues as to how to improve relations between former fundamentalists and ecumenically minded Christians especially when it comes to dealing with the aforementioned theological issues
