Rapture Question Answered Plain And Simple:

The Rapture Question Answered Robert Van Kampen,1997-05-01 Answers the question surrounding the Rapture of the church at Christ s second coming and the timing of the end time events as clearly taught in Scripture **Three Views on the Rapture** Craig A. Blaising,Douglas J. Moo,2018-06-26 The rapture or the belief that Jesus living followers will at some point join him forever while others do not is an important but contested doctrine among evangelicals Scholars generally hold one of three perspectives on the timing and circumstances of the rapture all of which are presented in this important volume of the Counterpoints series **Three Views on the Rapture** Alan D Hultberg PhD Trinity International University and professor of New Testament at Talbot School of Theology explains the Pre Wrath view Craig Blaising PhD Dallas Theological Seminary and president of Southwestern Baptist Theological Seminary defends the Pre Tribulation view Douglas Moo PhD University of St Andrews and professor of New Testament at Wheaton College sets forth the Post Tribulation view Each author provides a substantive explanation of his position which is critiqued by the other two authors A thorough introduction gives a historical overview of the doctrine of the rapture and its effects on the church The interactive and fair minded format of the Counterpoints series allows readers to consider the strengths and weaknesses of each view and draw informed personal conclusions **Before God's Wrath** H. L. Nigro,2004-10 Biblical presentation of the timing of the rapture of the Church and provides many biblical and logical arguments for the prewrath rapture position **The Second Coming of Christ: Study Guide** Keith Thomas,2015-05-05 The purpose of doing this study is to focus on the coming of Christ and to better prepare us for His coming The early Christians in the first century would often talk of His coming and encourage one another by looking forward to the day when Christ would return If that was so for centuries ago how much more should we be anticipating His coming in the days in which we live Now more than ever it is important that we remember often to lift up our heads and say Come Lord Jesus **The Rapture: Don't Be Deceived** Billy Crone,2016-07 If there s one thing you don t want to be deceived about in life it s the Biblical truth concerning the Rapture The Bible says that for those who are left behind after this next great event on God s end time prophetic calendar they will be thrust into the 7 year Tribulation which is not a party Rather it s an outpouring of God s wrath upon this wicked and rebellious planet which will soon turn into mankind s greatest nightmare Unfortunately there seems to be multitude of opinions out there concerning the purpose and timing of the Rapture which is starting to cause a lot of unnecessary confusion and division Therefore **The Rapture Don t Be Deceived** takes a detective s approach towards the Biblical teaching of the Rapture and examines the many Scriptural facts surrounding it **Rapture or Tribulation** Richard W. Tow,2022-04-04 We find ourselves in an hour that requires great spiritual preparation for the unique dynamics that are still ahead for the church Israel and the world as it is and will be I am thankful for any and every resource that gives courage to godly men and women to see where the world is going and embrace the unique role that the church serves this generation Therefore I am thankful for Richard Tow and his timely

service to the body of Christ in laboring to produce this important book A generation of believers young and old are searching for biblical truth with depth on the subject of the return of Jesus because of the recent escalation of trouble and darkness I highly recommend that Richard s book be a priority for any searching for a clearer sense of the why behind the what of the timing of the Tribulation that precedes the Lord s return David Sliker President International House of Prayer University My friend and fellow minister for many years Richard Tow has written a must read book if you are interested in eschatology His comprehensive scholarly non dogmatic research of Scripture and the positions held on the Tribulation and the Rapture of the church leave it up to the individual reader to decide for him or herself which view to espouse Rapture or Tribulation is the kindest most thorough book I have read on the topic Dr Loren Houlberg Professor Author and Regional Pastor for the Foursquare Church

Who Will Be Left Behind and When? Dave Bussard,2002-02 In this book Who Will Be Left Behind and When Dave Bussard takes us back to the Bible to examine what it teaches on the end times and the rapture of the Church Written in an easy to read style the title critically examines the teaching of the pretribulation theory of the rapture that is the foundation of the Left Behind series Bussard explores the books of Daniel Matthew 1 and 2 Thessalonians and Revelation and builds a solid case for the timing of the rapture This is far from another dry book on eschatology Rather it is a wake up call to believers to examine what they believe and to realize the vital importance of our understanding of Christ s return A proper understanding of the return of Christ affects not only our present spiritual walk but will have profound consequences for those who will face the final days of this age

Mud on the Eyes of A Blind Man E. Daisy Rodriguez,2010-03 Warning Satan does not want believers in Jesus Christ to know the truth about the tribulation time and the Lord s second coming The enemy wants to keep the Christian church in deception and you may have been deceived with end time doctrine Before it gets too late let the mud be washed from your eyes A common belief is that Christians will be taken up in the rapture before the seven years of tribulation begin Many Christians believe Jesus will be coming for them secretly keeping them from the antichrist s terrible reign But is this belief scriptural That s the question E Daisy Rodriguez answers in this insightful thought provoking book She closely examines the Old and New Testament to open the eyes of Christians to the truth a truth the devil doesn t want you to know Discover what the tribulation will really be like when the man of sin is revealed Learn how Father God is going to provide for his children and protect them during the antichrist s reign if only they will open their eyes to his Word Arm yourself with the knowledge that will prove vital to entering God s kingdom when the Day of the Lord comes Jesus warned believers to be prepared for deception regarding his return Will the Mud on the Eyes of a Blind Man be cleared away in time

The Fourth Reich Robert Van Kampen,1997-09-01 Combining international intrigue and romance with close adherence to biblical prophecy The Fourth Reich gives an intense fast paced and dramatic portrayal of the end times **Eighty Years Behind the Masts** Miller,2011-01-10 The introduction was written 62 years ago The Great Beyond is my age from 17 to 80 This book reveals what can be done It answers the question Who am I The Miller genealogy is traced to Adam and Eve The Miller Code of Ethics Curriculum Vitae and a Broad Mentality are defined Famous people travel I have circled the earth seven times traveled to Japan 40 times to Pearl Harbor 25 times and I have driven thousands of miles in Europe New Zealand and Australia Study the worlds cultures Learn the motto God gave us Faith Hope and Love My life is working and learning Read and learn without working Plan your life NOW Thirty years in advance I planned a sabbatical every ten years I had three planned concurrent careers Academic Neurosurgery United States Naval Reserve and Founder of a Neurosciences Center with an academic interchange with 25 countries After seven days a week for 40 years in neurosurgery I feared retirement At age 70 I retired to the unknown I elected a new life In our 34 foot Sea Ray we traveled to all 36 yacht clubs in the Florida Council from Destin the Keys and to Jacksonville There is much time on a boat I memorized the Teachings on the Mount We returned to Apollo Beach Florida I became busy and coined a new term Retirement Career Career as go at top speed I authored seven books am on the voluntary faculty of the medical school deacon and teacher at church and continued Permissive Orders for the Navy Recently I became the first 80 year old drilling reservist We have a pool man and yard man Our lot is covered in rocks and palm trees My responsibility is to keep the boat dock mosquito free by filling the Mosquito Magnet with propane service the jet boat and keep the garage in order Read on and learn what one can do **Daniel in the Preterists' Den** Thomas A. Howe,2008-06-01 In recent years there has been rise in popularity and visibility of the debate about the last things Preterists and Futurists have published books articles and even movies promoting their respective views This debate has elevated the interest of the Christian public in eschatological issues Along with the increased interest in eschatology there has been a rise in popularity of the Preterist view which holds that most or all of the prophecies about Christ s coming have already been fulfilled that the second coming took place in 70 AD Most of the discussion from those who espouse the Preterist view however revolves around certain passages in the New Testament and their treatment of Old Testament passages is sporadic and selective The importance of the book of Daniel in these discussions cannot be overstated However most commentaries on Daniel from a Futurist perspective have not dealt with the Preterists interpretations of the key prophetic passages There simply is no detailed commentary on the book of Daniel that addresses the Preterist interpretations of this important book This book is a commentary on the entire book of Daniel from a Futurist perspective that specifically addresses the Preterist interpretations of the key prophetic passages This is not a book that selects passages out of the context of the book and attempts to explain their prophetic significance Rather this is a commentary on the entire

book of Daniel that places these critical prophetic passages in their literary and historical context and then deals with the various interpretations of these passages as they fit into the context of the book as a whole **The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church** Michael J. Svigel,2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with The Fathers on the Future as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this The Fathers on the Future uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology The Fathers on the Future includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions The Fathers on the Future begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective **The Planetary Exodus** Daniel E Almonz,2003-10 **The Pith of the Apocalypse** Paul A. Rainbow,2008-10-15 To serve God and Christ faithfully in the midst of a pagan society that exalts power wealth and pleasure is the tenor of the prophetic summons to the church in the book of Revelation Unfortunately this simple message as potent today as it was at the end of the first century is often obscured by misguided if sincere interpreters The present book explores the background issues and lays out the principles that inform a sound approach to this enigmatic writing its historical and cultural setting its literary structure its symbolic code its core theological concepts its scheme of last things and its preachable and teachable points In dialogue with dispensationalism on the one hand and with the skeptical criticism of it on the other The Pith of the Apocalypse derives clues for cracking the Apocalypse from the book itself viewed against the sweep of the biblical prophetic tradition that flowed into it through the lens of methods widely accepted in mainstream New Testament scholarship Readers will return to the book of Revelation itself with enhanced confidence penetration and

understanding Captain America and the Crusade Against Evil Robert Jewett, John Shelton Lawrence, 2004-06-14 Grasping this vision honored by Judaism Christianity and Islam alike includes recognizing the dangers of zealous violence the illusions of current crusading and the promise of peaceful coexistence under international law Last Days Madness: Obsession of the Modern Church Gary DeMar, 1999-08 Last Days Madness explains the most difficult prophetic passages clearly and concisely Gary DeMar sheds the light on Daniel 7 13 14 9 24 27 Matthew 16 27 28 2 Thessalonians 2 2 Peter 3 3 13 and dozens more He identifies the Beast the Antichrist and the Man of Lawlessness and clears the haze regarding Armageddon the rebuilding of the temple the meaning of 666 and much more This ground breaking book is guaranteed to make you think and is your survival guide and spiritual compass to insure you escape the paralysis of last days madness
