Rapture Regained Serena Alexander, 1981 **The End** Mark Hitchcock, 2012-07-06 A Comprehensive Guide to Bible Prophecy and the End of Days The end times have seen a great amount of interest within the last two decades but there hasn't been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock's book is a thorough resource for the twenty first century The End will do for eschatology what Randy Alcorn's Heaven did for people's understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths around this topic the end of the world In a clear and understandable way The End lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn't need to feel daunting The End will give you confidence in and hope for the future as it points you toward the second coming of Christ **The Permeable Self** Barbara Newman, 2021-09-17 How Barbara Newman asks did the myth of the separable heart take such a firm hold in the Middle Ages from lovers exchanging hearts with one another to mystics exchanging hearts with Jesus What special traits gave both saints and demoniacs their ability to read minds Why were mothers who died in childbirth buried in unconsecrated ground Each of these phenomena as diverse as they are offers evidence for a distinctive medieval idea of the person in sharp contrast to that of the modern subject of individual Starting from the premise that the medieval self was more permeable than its modern counterpart Newman explores the ways in which the self's porous boundaries admitted openness to penetration by divine and demonic spirits and even by other human beings She takes up the idea of coinherence a state familiarly expressed in the amorous and devotional formula I in you and you in me to consider the theory and practice of exchanging the self with others in five relational contexts of increasing intimacy Moving from the outside in her chapters deal with charismatic teachers and their students mind reading saints and their penitents lovers trading hearts pregnant mothers who metaphorically and literally carry their children within and women and men in the throes of demonic obsession In a provocative conclusion she sketches some of the far reaching consequences of this type of personhood by drawing on comparative work in cultural history literary criticism anthropology psychology and ethics The Permeable Self offers medievalists new insight into the appeal and dangers of the erotics of pedagogy the remarkable influence of courtly romance conventions on hagiography and mysticism and the unexpected ways that pregnancy often devalued in mothers could be positively ascribed to men virgins and God The half forgotten but vital idea of coinherence is of relevance far beyond medieval studies however as Newman shows how it reverberates in such puzzling phenomena as telepathy the experience of heart transplant recipients who develop relationships with their deceased donors the phenomenon of psychoanalytic transference even the continuities between ideas of demonic possession and contemporary understandings of obsessive compulsive disorder In The Permeable Self Barbara Newman once again confirms

her status as one of our most brilliant and thought provoking interpreters of the Middle Ages The Apocalepticon Greg Castle,2011-06-01 The Apocalepticon a modern neo classical epic poem covering an encyclopedic range of subject matter historical themes philosophical schools and theological traditions A work conceived over three decades in a culmination of poetical language that gives a new and original voice to the Western Epic Tradition *Rapture's Slave* Becky Lee Weyrich,2014-07-22 An emperor s concubine and a courageous gladiator succumb to forbidden passion in a historical romance from the author of Captive of Desire When the virile young Nero first spots the exquisite Acte illegitimate daughter of Emperor Claudius and a royal household slave he knows he must have her But even as Acte finds her deepest desires awakened by the magnificent Nero she fears his sadistic nature Though she has been fated to serve as Nero s carnal playmate when he becomes emperor of Rome Acte finds the true love she dreams of in Sergio a handsome gladiator But in a loveless world where lust and power rule side by side her secret obsession with Sergio might cost Acte her heart and both of their lives One of the finest and most gifted writers A master storyteller Romantic Times **Childhood Regained** Fernando Savater,1982 This is a collection of chapters each on a favorite book or author of Savater s and each book or author is an example of an archetype of literature Savater does not write academic analysis but as someone who reads and loves literature He recalls the enthusiasm of a child reading a good story for the first time and he recalls the stories he has re read and remembered *Rapture's Gold* Rosanne Bittner,2016-02-02 The gold rush sparks a fiery passion in this smoldering historical western romance from the bestselling author of Tender Betrayal At seventeen strong willed Harmony Jones has made it to Cripple Creek all by herself Now all she needs to reach her inherited claim is a guide and the only one she can find is the devastatingly handsome Buck Hanner The challenge and dangers of searching for gold in the rugged Rocky Mountains force Buck and Harmony to recognize the strength and bravery each possesses and the love they discover leads them to a much greater treasure Power passion tragedy and triumph are Rosanne Bittner s hallmarks Again and again she brings readers to tears RT Book Reviews *The Truth Behind Left Behind* Mark Hitchcock,Thomas Ice,2011-08-24 With the unparalleled worldwide success of the Left Behind series both fans and critics are curious about the relationship between Bible prophecy and the events depicted in the novels Responding to recent works that question Left Behind s biblical accuracy two respected theologians set forth solid biblical answers in this reader friendly resource Beginning with a clear presentation of prophecy interpretation and dispensationalism the authors examine specific end times events represented in Left Behind and offer historical and biblical support for each event Story Behind the Book With the incredible success of this series we believe that it would be beneficial to the body of Christ for someone to publish a book that gives solid thoughtful biblical answers to the critics of the Left Behind theology With the questions that are being raised and will continue to be raised many may begin to wonder if the Left Behind theology is really biblical Some of the impact of the series could be undermined This book would set forth substantive biblical points in favor of the various end times events presented in the

series **A Distinctive People** Brian Talbot, 2015-02-01 In the twenty first century there are an increasing number of books in different fields that are evaluating critically aspects of life in the previous century The Religious History of British people in this period is a significant part of that story A Distinctive People will evaluate aspects of the history of one of the Christian denominations in Scotland looking at major themes such as Baptist attitudes to war and pacifism the influence of the charismatic movement and their involvement in social action their contribution to ecumenical relations in Scotland and relationships with fellow Baptists in other countries together with the theological influences on Baptists and a chapter on home mission COMMENDATION This thoroughly researched and engagingly written set of essays will be of keen interest not to just to Scottish Baptists eager to know about their recent past but also to all those concerned with the changing place of Christian belief and practice in twentieth century Scottish society Brian Stanley the University of Edinburgh UK For Zion's Sake Paul Richard Wilkinson, 2008-12-01 By locating Christian Zionism firmly within the Evangelical tradition Paul Wilkinson takes issue with those who have portrayed it as a totally unbiblical menace and as the roadmap to Armageddon Charting in detail its origins and historical development he argues that Christian Zionism lays the biblical foundation for Israel's restoration and the return of Christ No one has contributed more to this cause than its leading architect and patron John Nelson Darby an uncompromising champion for Christ's glory and God's truth This groundbreaking book challenges decades of misrepresentation and scholarship exploding the myth that Darby stole the doctrine of the pre tribulation Rapture from his contemporaries By revealing the man and his message Paul Wilkinson vindicates Darby and spotlights the imminent return of the Lord Jesus Christ as the centerpiece of his theology **The Blessed Hope and the Tribulation** John F. Walvoord, 1976 Eschatology is a crucial theological issue in our day The rapture question has particular importance in premillennial eschatology This volume confronts that question Does the rapture of the church precede or follow the Great Tribulation In this book Dr John F Walvoord examines the post tribulationist viewpoint and calls into question its exegetical grounds and hermeneutical validity The author examines four schools of thought within posttribulationism and challenges point by point the arguments of their leading exponents This scholarly apologia of the events relating to the second coming of Christ reaffirms the author's conviction that pretribulationism provides the best interpretation of the biblical evidence and demonstrates the most reliable understanding of the Christian's assurance of the blessed hope **Expecting the End** Kenneth G. C. Newport, Crawford Gribben, 2006 Jesus promise that the end draws near has spawned an expectation of that grand event across various religious groups This volume examines the abiding social issues that surround the continued presence of apocalyptic anticipation by setting them in historical present day and future manifestations Approaching this fervent expectation from a broad perspective Gribben and Newport explore the contemporary movements with insightful analysis that provokes discussion and even self reflection *Reckless Longing* Daisy Logan, 1982 **The Wind's Embrace** Melinda Harris, 1983 **Intriguing Lady** Daphne Woodward, 1982 **The Scofield Bible** R. Todd Mangum, Mark S.

Sweetnam,2009-12-10 The Scofield Reference Bible was responsible for popularizing dispensational theology eventually making dispensationalism the theology assumed by English speaking Christians for much of the twentieth century

Paradise Regain'd John Milton,1795 **A Story of Conflict** Jonathan Burnham,2007-01-01 This study explores the complex and turbulent relationship between B W Newton and J N Darby the two principal leaders of the early Brethren movement Burnham traces Darby s development of his prophetic system and his biblical literalism which led to his distinctive views on pretribulational premillennial dispensationalism Darby s eschatological views went on to have far reaching effects on evangelicalism While having much in common with Darby Newton departed from him on key points In 1845 the dispute between the two men intensified leading to Darby founding a rival assembly in Plymouth By the end of 1847 following debate over the orthodoxy of his christology Newton seceded from the Brethren and left Plymouth In many ways Newton and Darby were products of their times and this study of their relationship provides insight not only into the dynamics of early Brethrenism but also into the progress of nineteenth century English and Irish evangelicalism *Venus Rising* Michelle Roland,1982 Sweet Surrender Diana Mars,1983
