The Tribulation Story Greg Hinnant, 2020-06-11 describes in clear chronological order the unforgettable people and events of the Tribulation seven years biblically prophesied to complete Israel s and the world s histories Revelation 6 19 This unique biblical epic offers striking contrasts monstrous despots and heroic believers fearful judgments and rapturous rescues false prophets and true witnesses filthy harlots and pure brides hell s worst and heaven s best a titanic relentless struggle between God and Satan through human agents unresolved till the last hour of the last day For seven years the world will experience increasingly frequent and intense birth pangs until at last a new enduring righteous world order emerges reborn from the ashes of the old the visible kingdom of Jesus Christ On this earth For a thousand years But before that warm brilliant Son rise cold dark wonders are predetermined so unprecedented so shocking so outsized so fantastic they seem utterly incredible Yet oracles of God they are utterly credible certain and near With signs of the times everywhere with its clear biblical instructions for spiritual readiness is extraordinarily timely And compelling It will grip your attention and keep you reading until you fully understand the Tribulation and how to escape it Book Review 1 Without a doubt people are sensing that our world is under the sway of biblical end time prophecies Recent events have driven people to reconsider these signs of the times and take a fresh look at what the Bible says regarding these events In *The Tribulation Story* Greg Hinnant s passion and scholarship really shines Many Christians today are woefully uneducated and ignorant of even basic eschatology and the relevance of its impact for our lives I m grateful Greg has produced a well written and well researched work for both those new to the faith and for veteran believers I found it to be an excellent and accurate overview of the Book of Revelation *The Tribulation Story* is inspiring enlightening and most importantly biblically sound I highly recommend it for anyone interested in God s plan for the ages Dr Randal S Langley President CEO Christian Life School of Theology Global Book Review 2 *The Tribulation Story* is a unique chronology of the events prophesied in the Book of Revelation Greg Hinnant has not only given us a book of in depth information he has given us a book of deep Holy Spirit revelation that carries life changing impartation It is impossible for anyone Christian or non Christian to read this amazing work and not experience a deep emotional reaction and spiritual resonance in their heart It will connect the dots for many people who have never really understood the Book of Revelation before Dr John Shiver John Shiver Ministries Book

Review 3 The Tribulation Story vividly details the horrors of the coming Tribulation period It is not only based on the Book of Revelation but also makes extensive use of Old and New Testament Scriptures including those of many prophets who foresaw this coming time Jesus challenged Christians to be wise worthy watching faithful and ready at all times for His return This book encourages us to learn to more persistently overcome our smaller tribulations with God s grace in order to be ready to be raptured away to heaven and thereby avoid the Tribulation Dr Ernst Lutz Ph D Switzerland Book Review 4 While The Tribulation Story does not purport to identify precisely the when of Christ s return it does affirm that the events described in the Book of Revelation are an impending awesome reality for our generation Hence The Tribulation Story is not written to explain prophecy for some distant future but for our present time The poignant description of coming events lends assurance to the faithful that God is both sovereign and merciful while beseeching the unfaithful to bow their knee only to the Lord Jesus as the ultimate Victor and King This book is a call for preparation in the here and now Dr Ran Whitley D Min Ph D Professor Alma Dark Howard Chair of Church Music Campbell University

Times **Heretical Songs** Curtis White, 1980 *Heretical Songs* is a book of historical fictions written by an author with an admitted aversion to historical fact The first two stories in this collection Mahler's Last Symphony and The Poet's Sister play on rumors about the domestic lives of Gustav Mahler and William Wordsworth Mr White toys with the thought of Alma Mahler's infidelities and Dorothy Wordsworth's incestuous rage In the next two stories Rossetti's Blessed Lady and Claude two great men of art and life D G Rossetti and Claude Debussy are treated with more dignity Delightful cameo appearances are made by the notorious pansexuals Algernon Swinburne and Eric Satie Finally in *The Heretical Singing of Pietro Carnesecchi* the novella which caps the book the author takes advantage of the obscurity of the historical figure who was executed by Duke Cosimo of Florence to present Carnesecchi as a man with Bruno's past Savonarola's future and the character of Tommaso Campanella the great Magician to the Pope

The Philosophy of Virginia Woolf Thomas Nail, 2025-05-29 Towards the end of her life Virginia Woolf defined her philosophy the constant idea that makes her a writer She wrote that this idea had given her the strongest pleasure known to her She called these exceptional moments or moments of being Thomas Nail contends that Woolf is a philosopher of being And these moments of being as forming a unique process philosophy of motion In her description of these moments Woolf gives us access to a world in motion and process where all of nature and matter flows ripples and quivers In these moments the anthropocentric division between humans and nature dissolves into metastable patterns without essences or vital forces Matter becomes dynamic and what originally appeared solid is perceived as woven porous and fluid The Philosophy of Virginia Woolf begins by defining the basic idea of the moment of being why it is important and how to understand it and its philosophical implications It recounts a series of 14 moments each of which explores an aspect of Woolf's philosophy They show how the moments evolve and articulate Woolf's process philosophy of movement Each moment reveals unique aspects of how moments work and the kind of philosophical vision Woolf held Nail concludes by addressing some of the ethical and political consequences of these moments in Woolf's thinking In the end the book contends that Woolf offers us an absolutely unique philosophical and aesthetic understanding of phenomena including nature culture desire gender writing reading consciousness art ecology and sensation It shows that Woolf is a philosopher in her own right and held a unique philosophical position that makes a unique contribution to how to think in the world
