Rev. Robert Lee Baldwin

Raptures Angel:

Angels and Angelology in the Middle Ages David Keck, 1998-07-23 Recently angels have made a remarkable comeback in the popular imagination their real heyday however was the Middle Ages From the great shrines dedicated to Michael the Archangel at Mont St Michel and Monte Garano to the elaborate metaphysical speculations of the great thirteenth century scholastics angels dominated the physical temporal and intellectual landscape of the medieval West This book offers a full scale study of angels and angelology in the Middle Ages Seeking to discover how and why angels became so important in medieval society David Keck considers a wide range of fascinating questions such as Why do angels appear on baptismal fonts How and why did angels become normative for certain members of the church How did they become a required course of study Did popular beliefs about angels diverge from the angelologies of the theologians Why did some heretics claim to derive their authority from heavenly spirits Keck spreads his net wide in the attempt to catch traces of angels and angelic beliefs in as many portions of the medieval world as possible Metaphysics and mystery plays prayers and pilgrimages Cathars and cathedrals all these and many more disparate sources taken together reveal a society deeply engaged with angels on all its levels and in some unlikely ways **The Last Generation, the Rapture, and the Wrath** Sunday Olusola

Faluyi, 2013-11-22 The generation that witnesses the restoration of Israel in 1948 will not pass away until all things revealed to John in the book of Revelation is fulfilled Jesus Christ predicted a movement for global peace in the first seal and a horse rider that will take away peace from the earth in the second seal He predicted global economic crisis in the third seal and World War III in the fourth seal In the fifth seal he revealed the severe persecution that is coming upon his followers and the great tribulation that is coming upon the Jews Jesus also predicted the resurrection of the saints and a terrible war that will be fought in the Middle East in a place known as Armageddon In the seventh vial of judgment he warned of an earthquake that will be the greatest in the history of humanity While many seers have predicted future events none can be compared with the authority and finality with which Jesus prophesied about the events that are happening and that will continue to happen within the next two decades Wisdom demands that we pay attention to the word of this Man from Galilee **The God-Man: Rapture, Wrath, and Reign** Bruce Biller, 2013-10 The world is astonished by the resurrection of the brilliant Antichrist the murdered tyrant who ruled the global community with an iron fist Now empowered by Lucifer once the guardian of God's throne the vengeful dictator and his miracle working prophet begin the systematic destruction of their enemies In this chaotic maelstrom the God fearers bravely refuse to give allegiance to a new world order that is diametrically opposed to their beliefs The ageless battle for the hearts and souls of mankind is waged in every nation on earth and a multitude of God fearers are punished for their mutinous stand by imprisonment torture and death Cosmic disturbance dramatically announces the coming day of the Lord Suddenly millions vanish in the twinkling of an eye prompting the Antichrist to boast of victory over his enemies Ironically the sudden disappearance enrages earth's inhabitants already

maddened by events that are beyond their control Simultaneously God begins to pour out his wrath upon the earth in a series of judgments that devastate the planet But before the disappearance the torch is passed to a chosen number of Jews They along with a new generation of believers boldly proclaim the message of Jesus until he gloriously returns to the land of his birth There in the sands of the Middle East Christ defeats the evil Antichrist and his followers as he prepares to reign over his temporal kingdom on earth

The Rapture, One-World Government and the "Great Tribulation" Luis Muñoz,2013-08-13 This book explains in great detail and exceptional clarity the issues related to the rapture of the Church the government of the Antichrist the great tribulation and all the apocalyptic judgments which God will pour out upon the wicked world The rapture of the Church will bring about the global collapse of the economic political and religious institutions of the world At that moment of monumental crisis humanity will quickly look for a leader willing to put the world back together offer them peace and security The world will host a false prince of peace called the Antichrist He will elate the masses by telling them what they want to hear However he will push humanity to the deepest levels of degradation vice immorality crime war violence and rebellion against God He will corrupt the social and moral order and as a result billions of people will die He will plunge the world into spiritual darkness and lead humanity astray The Antichrists empire shall devour the whole earth trample it and break it in pieces Daniel 7 23 NKJV This will be a period characterized by widespread wars which will bring death to billions of people For in those days there will be tribulation such as has not been since the beginning of the creation which God created until this time nor ever shall be Mark 13 19 NKJV During this period 25 and 33 per cent of the world population will die in two major wars If these conflicts were to happen in our time 3 56 billion people would die However before the Antichrist begins God will take out of this world all those who believe in Christ Seven years later the Lord Jesus will return to destroy those who destroy the earth Rev 11 18b and establish His everlasting kingdom on Earth Then The wolf and the lamb shall feed together The lion shall eat straw like the ox and dust shall be the serpents food They shall not hurt nor destroy in all My holy mountain says the LORD Isaiah 65 25 NKJV

The Rapture and the Tribulation Are Past Isiah Lawrence Nottage,2015-09-29 Bishop Isiah Lawrence Nottage writes with rare eloquence in his book The Rapture and the Tribulation Are Past This book shows that the rapture and the second coming of Jesus Christ have already taken place Bishop Nottage presents 92 examples convincing evidence proving that the rapture has past He demonstrates from the scriptures and Jewish history the time when the last days began and ended as well as the year month and date Jesus Christ returned The book states when the seven years of tribulation began and ended who WAS the Antichrist who was the beast and explains the number 666 In addition the author reveals the names of the seven hills on which the harlot woman sat Revelation Chapter 17 1 17 Readers will be enlightened to the mystery of Babylon the great and what was the filthiness written on her forehead Other revelations Who were the riders of the white red black and pale horses of Revelation Chapter 6 2 8 What are the names of the seven heads of the beast Who was the beast who came up out of the

earth with two horns The Rapture Bill Vincent,2023-04-03 Unfortunately most of our modern day teachings on this most important doctrine are misleading to say the very least Bill Vincent has studied for years and now is releasing his findings in this book The Rapture A careful scrutiny of the Scriptures will reveal the truth about the second coming of Christ which we generally refer to as the rapture In The Rapture he has set out to correct the most obvious errors of the pre tribulation doctrine and to establish the basic foundation for understanding the truth of the matter Great care is taken to follow the guidelines of Scripture and the Biblical basis of doctrinal interpretation precept upon precept and line upon line This is the only method of interpretation used in the pages of The Rapture Since God Himself revealed His method of understanding doctrine it is believed by the author to be the best method to use Therefore with Bible in hand follow along with the Scriptures quoted and see if you don t find truth within its pages In The Rapture Bill answers questions that many do not know the answers to Be open and allow this page turner to open up the biggest controversial subject of the rapture of Jesus Christ If you are a lover of truth you will enjoy this very basic presentation of Biblical facts concerning the doctrine of the gathering together of Christ s saints unto Himself **Oh What Rapture!** Raymond McCullough,2014-09-22 Many are convinced that very soon an event known as The Rapture will take place where bible believers all over the world will suddenly disappear leaving society at a loss to explain the disappearance of so many Many non fiction books fiction thrillers and movies have capitalised on this theme earning a fat revenue for their authors producers But is this really what the bible teaches Is The Rapture genuine or a false hope Are those who trust in it being duped so that they do not get ready for what is coming And are they being disobedient to the clear command of the Lord Written by the author of Amazon best selling book The Whore and her Mother also on the topic of bible prophecy this volume focusses on the false teaching of a secret and separate Rapture an event which is NOT supported by scripture This book investigates the scriptures used to back up the secret Rapture theory and clearly compares them to the other scriptures concerning the return of the Messiah Jesus Yeshua The evident truth is revealed and the origins of the false secret Rapture doctrine are exposed Believers around the world are taught to expect persecution sometimes even death for their faith More have been killed in the past century than in previous centuries combined in China Cambodia Nigeria Iran Egypt Indonesia Vietnam etc Yet many believers in the west confidently expect to avoid any persecution and be beamed up out of any coming tribulation The book also covers several other topics around the second coming the wrath of God the Great Tribulation the first resurrection Daniel s Seventy Weeks the Return of the King and how we should prepare for all these things in obedience to the words of the Lord Believers are called to be faithful witnesses unto death if necessary Raymond exhorts disciples of Jesus to be informed prepared ready and watching able to joyfully carry out the commands of the Lord If you thought believers were simply going to be lifted soon out of a worsening world situation be prepared to meet the exciting challenge of scripture head on **Rapture and Revelation** R. G. Brock,2009-10 This book is not written for Christians alone but is written for anyone who desires to know the near future

Study helps and materials are listed along with instructions which will give any one the means to understand even the most difficult scriptures in the Bible which is the most accurate of any book on end time events With many books on the subject none are as telling and straight forward as Rapture and Revelation While there are many fears concerning the end times author R G Brock embarks on the task to unravel the mysteries of the Rapture and Revelation While attending Rhema Bible Training Center in Broken Arrow Oklahoma R G Brock had the privilege of being taught by well known author and teacher brother Kenneth Hagin Sr who has since went home to be with Jesus After being inspired by one of Hagin s lectures Brock obeyed his strong urge to write a book on the end times This heart gripping treatise will guide you into the truth as you uncover the mystery of the end of times This book is written to give you a clear incite into the end of this age The end begins with peace when a worldwide 7 year peace agreement is signed in the next few years which will be backed by a one world government run by the United Nations Then in the middle of the 7 year period the peace agreement will be broken and all hell literally breaks loose which leads to a time of trouble such as never has been or ever will be again During this time of the last 3 1 2 years which is called great tribulation most of the people on the earth will die However if you are a Christian you will not go through this terrible time You will find this book is the most in depth study on what is called the rapture which is the catching away of the Christians to not go through great tribulation and you will find that it is by far the most in depth study of The Revelation which shows what will happen during this time of great trouble

Rapture - Jesus Is Coming

Linda Cannon,2011-11-17 Rapture tells stories of unique visions dreams and encounters that will surely keep you in remembrance of the day when Jesus will come again It reminds the child of God as we wait on the return of Jesus we can keep the faith Rapture is a book of hope to all who will come before the doors closes and it is too late The vision of the Rapture was giving only a few months after the Linda gave her life to Jesus Although Linda is neither a professional writer nor artist the dreams and encounters were so real that she attempted to sketch some of them because of how real they were Linda believes that this book was giving to her from God and was to be shared with all who will hear and listen

The Church That Will Miss The Rapture Colene Ledford,2012-07-20 Many Christians are baffled by the prophetic books of the Bible They want to understand God s Word but are confused by the language and symbols used to convey the message of the End Times Author Colene Ledford has answered the call to bring clarity to God s hidden Word Using extensive biblical references Ledford guides the reader to a thorough understanding of Bible prophecy Readers will discover answers to questions such as Who will be saved Who will not be saved What is the unpardonable sin Will all of the church be raptured Where are the angels that fell with Lucifer Will the church be victorious Now every Christian will be able to grasp the fullness of God s prophetic Word Furthermore believers will be equipped to witness to the unsaved about God s redemptive plan for their lives God s desire is for everyone to enjoy a relationship with Him Understanding the End Times will help Christians share that good news with passion and power God s prophetic Word was given so that believers could discern the

times and take appropriate action Now is the time to step into your God given authority and fulfill your purpose on this earth Do not be caught by surprise in The Church That Will Miss The Rapture About the Author Author Colene Ledford is a Bible prophet and a retired entrepreneur She is married to Walter Ledford and has three children thirteen grandchildren and twenty one great grandchildren Having lived in Georgia for several years where she helped organize a church Ledford now resides in Orlando Florida where she attends New Vision Community Church *The Rapture, the End-times and the Millennium* Russell R. Standish, Colin D. Standish, 2004 Volume seven of the Antichrist Septenate takes up issues crucial to our understanding of the final events preceding the return of our Lord and Savior Jesus Christ **Jesus' Rapture Is Coming Soon!** William Loyal Warren, 2010-06-08 RELIGION SPIRITUALITY The Lord Jesus said there will be signs at the End Time No one knows the exact day or hour but there are many redflag and discernable indications that time truly is drawing nigh The book Jesus Rapture Is Coming Soon lists many of the moral political scientific and environmental events taking shape today that clearly validates the very signs Jesus prophesied Those who have eyes that see and ears that hear have the spiritual awareness to prepare for this apocalypse as foretold in the Book of Revelation Many say Its been thousands of years since Jesus spoke of the End Time signs Little do they know that a thousand years of man is only one day of the Lords time To break it down even further one second of the Lords time is equal to 4 22 days of the human clock Our life here on earth is like a blade of grass We can be stepped upon by a multitude of death like situations Being prepared to meet thy maker is second to nothing in the world Knowing some of the signs of the End Time and becoming close to the Lord Jesus brings His peace joy and assurance in ones life here and the hereafter In conclusion no one knows the day or hour of his or her own life on earth Would it not be wise to mentally and spiritually prepare your heart mind soul and spirit for the possible now as well as for the End Time **The Rapture Part I** Jopie Rattu, Sridadi Atiyanto, 2020-03-24 The end of times is a topic that always attracts the attention of the Lord s congregation since the beginning because in the last days the believers will be raised into the clouds to meet the Lord However Lord Jesus also stated that in the last days there will be a severe persecution That is why they need to prepare themselves to face this severe persecution In this first part of the book the authors present very basic things that should be known by Christians namely things relating to the end times which include Signs and marks 666 which must not be accepted by Christians This section explains the link between Biochip and 666 and the reasons and verses that explain why God s children may not accept chip666 What are the consequences for a child of God who receives Chip666 and what is the fate of a child of God who refuses to accept it The importance of knowing the last world ruler because from this kingdom will emerge ten kings and antichrists There are four main end times figures namely Satan ten kings antichrist and false prophets The Bible clearly explains these four figures so we can interpret these figures today Rapture what and when The rapture will occur after the time of tribulation but before the vials of God s wrath This means that God s children will experience persecution The difference between the tribulation period and God s wrath period

Tribulation period when it starts and ends The events that occurred related to the opening of each seal of the seven seals in the Book of Revelation Emergence and duties of two witnesses of God When the appearance of two witnesses of God and what are their duties Christian preparations and attitudes in the end times Because at the end times all of God s children will experience persecution so much preparation must be done Where the preparation is not only related to the physical but primarily spiritual preparation that requires time and sincerity In addition at the end of this book the estimated The Book of Revelation in a New Structure is included Many Christians have difficulty understanding the contents of the Book of Revelation This happened for one thing because the contents and events in the Book of Revelation were not sequential from beginning to end there are several events that were repeated in other sections because the Apostle John wrote the Book of Revelation from two visions where some of the two visions are related to the same things If all the same events are put together so that the contents of the Book of Revelation are sequential in time from beginning to end then the Book of Revelation becomes easy to understand and even the meaning of the seven seals is easier to understand without needing to be interpreted because the meaning of the first to the third seal is found in another chapter of the Book of Revelation

The Rapture (Expanded Edition) Bill Vincent,2025-03-05 The return of Christ is one of the most anticipated events in the Christian faith yet many believers struggle to discern the truth amid various teachings on the rapture The Rapture Expanded Edition Details of the Second Coming of Christ by Bill Vincent offers a deep scripturally grounded exploration of this pivotal doctrine This expanded edition carefully examines the biblical foundation of the rapture the resurrection of the dead the Great Tribulation and the wrath of God Addressing misconceptions particularly regarding the pre tribulation rapture this book seeks to provide clarity using a thorough exegesis of Scripture With a heart for truth and a desire to prepare the Church for what lies ahead The Rapture Expanded Edition is an essential read for anyone seeking to understand Christ s return and its significance for believers today *The Rapture, Now What?* Rev. Robert Lee Baldwin,2020-01-10 Millions and millions have disappeared around the world Where did they go Will it happen again What s next These are just some of the questions that our lost family and friends might have while they search for answers to what has happened Though the rapture hasn t taken place yet we Christians look for Jesus s return any day now this book is intended for those left behind when they come searching for answers There it will be lying on a coffee table kitchen table wherever in plain sight so when our family comes looking for us and have questions to be answered there it will be Take out of the book of Revelation what is now happening and for the next seven years and to let them know what we all have told them But there is still hope for them maybe it will lead them to the Bible and most importantly to Jesus This book may also be used to evangelize the gospel to let them know they can repent now while there is time and pray they re counted worthy to escape all these things to come on this earth and before the rapture Now what [The Rapture: A Pre- or Post-Tribulation Event?](#) Colleen Wandmacher,2023-07-27 God tells us not to be deceived about the timing of us being caught up to meet Jesus in the

air an event Christians refer to as the rapture He would not have said that unless there was going to be an avalanche of false teaching with regard to the timing of the rapture in the sequence of end time events Diligently studying pertinent Scriptures in God s Word is the only way one can be free of deception and be spiritually prepared for the times that may befall us This book helps the reader to deeply study the Word of God to see the truth I ve read a large number of books on the rapture debate and in my opinion this excellent book is by far the best While reading this book I felt like my spiritual glasses were being cleaned so I could see the simplicity of the truth of scripture again Well done Colleen Marvelous Five gold stars from me I have read several books about the rapture and end time prophecy including Pre Tribulation and Mid Tribulation and when I come across this book it was so clear logical and well written based solely on the scripture that I could grasp the subject clearly and convincingly which has helped me tremendously in making up my mind where to stand on the subject of the timing of the rapture at the end time Really recommended *Trapped by the Pre-Trib Rapture , Revelation, the Rapture, and What Jesus Says* Brian Davis,2024-04-08 When it comes to the last days God has provided believers with everything we need to know about what is coming This includes the order of events to take place and even at what point the rapture will occur When teaching on these subjects Jesus goes as far as telling us But take heed behold I have told you everything in advance Mark 13 23 Brian Davis examines the words of Jesus and compares His teachings directly to scriptures in the Old and New Testaments with a focus on the timing of the rapture the day of the Lord and how they relate to events in the book of Revelation Having maintained particular attention to scriptural harmony throughout the study it is possible for anyone to see the undeniable consistency in end time events discussed by Jesus the apostles and Old Testament prophets The result provides answers to many questions including What did Jesus teach about end time events How do His teachings compare to events as described in the rest of the Bible What is the day of the Lord Are the seals a part of God s wrath How do our beliefs today align with what Jesus the prophets and the apostles taught Using simple language and biblical insights Revelation the Rapture and What Jesus Says is tailored for both beginners and those who have studied prophecy for years to help understand critical teaching in the Bible that details what the world may soon be about to face **The Rapture and the Antichrist** Russell R. Standish,Colin D. Standish,2004 Vol 6 of this series The Antichrist Septenate the authors have revealed the unscriptural roots of the general Evangelical Protestant views of the Antichrist and the Rapture They have sought to return Protestants to their Reformation roots This volume takes up issues crucial to our understanding of the final events preceding the return of our Lord events important to our preparation for His Second Coming Anticipating the Rapture Ted Hallum,2019-10-03 We live in a time where change is occurring at some pace that many simply cannot keep up with American society is divided politically philosophically and in terms of religion Many changes have been imposed upon our society which force the people to accept alien practices which seem more adaptable to Europe than to the United States of America Crime rates are soaring as police officers have become the objects of planned attacks by a lawless society

Members of the Democratic Party speak carelessly in the public arena and hatred is pushed forward in place of tolerance How close are we to full blown anarchy One wonders The world stages are changing almost on a daily basis as the raging nations align and realign in ways that seem designed to fit Bible prophecy And Christians are divided with some supporting the left wing assault upon our nation and its bedfellow the attacks on the Christian faith Many Christians are looking for the signs spoken of in Matthew 24 by our Lord Jesus are we ready for what is to come

Raptures Angel Introduction

In today's digital age, the availability of Raptures Angel books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Raptures Angel books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Raptures Angel books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Raptures Angel versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Raptures Angel books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Raptures Angel books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Raptures Angel books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users

to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Raptures Angel books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Raptures Angel books and manuals for download and embark on your journey of knowledge?
