Initiation of the Soul Pamela S. Alexander PhD,2019-12-11 We are in the midst of an epic evolution in consciousness that involves a radical shift in orientation from the ego to the heart and soul This transformative process requires a breaking down of the old form which we are witnessing personally and collectively to create the space for something new to emerge As we live from the soul and express our deepest truths we actively participate in this change Life experiences may seem as though they re random but in fact they have an intention deeper meaning and purpose which is to facilitate this transformation within us Everything is occurring to free us from our old beliefs outdated ways of living and any limiting ideas we have about life and ourselves In INITIATION OF THE SOUL Dr Pamela Alexander explores the soul s journey through myth and classic fairy tales In the initiatory mythic story of Psyche and Amor the goddess of love orchestrates events in order to awaken the soul from its slumber The heroine faces challenging tasks that draw the deeper truth of the soul s inherent wholeness freedom and power out of the unconscious and into an embodied awareness Dr Alexander proceeds from there to explore fairy tales that speak to the issues that arise during the soul s emergence These stories symbolically instruct us as to how to resolve our fears and open to love As inner restrictions are resolved we can embody expanded versions of ourselves and become more stable in a chaotic and uncertain world The stories guide us to free the soul from an egoic identification which is buffeted by the winds of change and the opinions of others to the unshakeable ground of being within Then we are empowered to live in freedom and wholeness as we participate in the creation of a new world *Path to the Soul* Ashok Bedi,2000-09-01 Path to the Soul provides an important evolutionary leap in the rapidly evolving understanding of our psychological and spiritual essence Drawing from Hindu and Christian spiritual wisdom biological medicine psychiatric technique and over twenty five years of clinical experience Dr Bedi has created a highly effective and integrated treatment approach to problems associated with both medical and psychiatric illness He explains the Hindu concepts of maya karma and dharma and builds a bridge between psychological dis ease and our intrinsic hunger for spiritual union Each symptom is seen as a crucial whisper from our soul and if we understand its message it can lead us to psychological balance Dr Bedi

guides us through the process of Kundalini diagnosis showing how the use of life events medical or psychiatric symptoms relationship strengths and problems and life goals and aspirations can help us determine our dominant and auxiliary chakras Since our chakras are focal points where physical emotional developmental and spiritual forces intersect they provide a paradigm that usefully links physical psychological developmental and spiritual dimensions He explains how he has successfully helped many patients correct imbalances by learning to access and strengthen this energy Throughout this book there are numerous examples of how Dr Bedi s patients have discovered what each individual eventually has to recognize that our fulfillment satisfaction wholeness and harmony can be reawakened when we touch the spark of divine light glowing within
