McCarthy, 1992  
Here is the book lover's literary tour of Florida, an exhaustive survey of writers, books, and literary sites in every part of the state. The state is divided into ten areas, and each one is described from a literary point of view. You will learn what authors lived in or wrote about a place, which books describe the place, what important movies were made there, even the literary trivia which the true Florida book lover will want to know. You can use the book as a travel guide to a new way to see the state, as an armchair guide to a better understanding of our literary heritage, or as a guide to what to read next time you head to a bookstore or library. Just when it seems there is nothing left to absorb her considerable talent for managing people in walks federal deputy marshal Zane Sager. But Zane is not at Daughtry House for a vacation. He's tracking a killer and collecting two key witnesses to a federal judge's murder. Aurora takes it upon herself to disabuse the cynical lawman of his conviction that the world is out to get him. But just as she's on the verge of cracking Zane's defenses, the man he is after reminds him that no one he loves is safe.
