Bouraleh, 2014-09-21 What starts with a sudden kidnapping reveals to be so much more a prophetic call to adventure that had been foretold ages before the heroes of this story came around In a world where the only thing extraordinary is the amount of unengaging ordinariness below the seemingly mundane surface lies an incredible lavish secret world that not many are privy to From Whisperers of Death to Dragons to Kabuki Creatures and ghoulish Zombies those aware of this hidden reality have fantastical journeys and adventurous trials laying in wait for them Some seek to rescue a kidnapped friend and distribute justice while keeping malevolent forces at bay Others plot to eliminate the existence of those pesky do gooders plans of conquering combat and corrupting those that stand in their way Others still just happened to be caught up in the cross fire and they are NOT happy about it Whatever actions they take and consequences they face at the end of the day the sword shall always be sheathed
