**Just for Today** Fellowship of Narcotics Anonymous, 2022-02-06 JFT offers a short reflection on a quote from NA literature followed by a closing intention or affirmation for each day of the year     *Border Crossings* Fred Reinhard Dallmayr, 1999-01-01 Comparative political theory is at best an embryonic and marginalized endeavor As practiced in most Western universities the study of political theory generally involves a rehearsal of the canon of Western political thought from Plato to Marx Only rarely are practitioners of political thought willing and professionally encouraged to transgress the canon and thereby the cultural boundaries of North America and Europe in the direction of genuine comparative investigation *Border Crossings* presents an effort to remedy this situation fully launching a new era in political theory Thirteen scholars from around the world examine the various political traditions of West South and East Asia and engage in a reflective cross cultural discussion that belies the assumptions of an Asian essence and of an unbridgeable gulf between West and non West The denial of essential differences does not however amount to an endorsement of essential sameness As viewed and as practiced by contributors to this ground breaking volume comparative political theorizing must steer a course between uniformity and radical separation this is the path of border crossings     **The Coming Israel Awakening** James W. Goll, Jim W. Goll, 2009-03 As the Church cries to God on Israel s behalf the land of Israel will awaken and God will move powerfully among the Jewish people worldwide     *Politics and Religion in Modern Japan* R. Starrs, 2011-08-09 Written by leading scholars in the field this book provides new insights based on original research into the full spectrum of modern Japanese political religious activity from the prewar uses of Shinto in shaping the modern imperial nation state to the postwar new religions that have challenged the power of the political establishment     *Intuitive Living* Alan Seale, 2001-01-15 This modern guidebook to spiritual growth starts with the awakening of self awareness awareness of our bodies our feelings our thoughts and the energy that flows through every cell of our being It leads us to the inner states of freedom and peace seen not as the absence of conflict but rather a response based on a deeply rooted knowledge that no matter what is happening around you nothing can harm you at your center Seale works with the tool of meditation and shows how we can open to the language of love and Spirit Includes 45 exercises and meditations which speak to us in profoundly different ways at each stage of spiritual growth and can therefore be of great value both now and as our practice deepens Glossary Bibliography Index     *The Gospel According to Peanuts* Robert L. Short, 2000-01-01 While Charlie Brown Snoopy Lucy Linus and the rest of the Peanuts gang have enjoyed the kind of success most cartoon characters can only dream about becoming pop culture icons of the highest order and entering the global consciousness practically as family members Robert Short s *The Gospel According to Peanuts* also has found a place in the hearts of many readers with sales now totaling more than ten million copies This anniversary edition features a new cover a new interior design and a new foreword by Martin E Marty Whether coming to the book for the first time or taking a second look a delightful experience awaits in this modern day
