interpreting faith for the modern era

edited by Roger Johnson

Rudolf Bultmann Interpreting Faith For

Hue Woodson

Rudolf Bultmann Interpreting Faith For:

Rudolf Bultmann Rudolf Karl Bultmann, Bultmann's pioneering study of the New Testament initiated a new era in biblical studies in the Twentieth Century Together with Karl Barth Bultmann broke with liberal theology but his often misunderstood program of demythologization took him in a radically different direction from Barth In many respects Bultmann set the agenda for biblical theology in the decades following World War II This volume concentrates on the key texts and ideas in Bultmann's thought It presents the essential Bultmann for students and the general reader Roger Johnson's introductory essay and notes on the selected texts set Bultmann in his historical context chart the development of his thought and indicate the significance of his theology in the development of Christian theology as a whole Substantial selections from Bultmann's work illustrate key themes God as Wholly Other Jesus and the Eschatological Kingdom Existentialist interpretation Kerygma Faith and Modernity in conflict Demythologizing controversial slogan and theological focus

Dictionary of Major Biblical Interpreters Donald K. McKim, 2007-11-12 Donald K McKim edits this revised and expanded edition of IVP's Historical Handbook of Major Biblical Interpreters With 230 in depth articles regarding the principal players in the history of Biblical interpretation this volume will serve as an invaluable tool for any serious student of the Bible or history of exegesis

Theological Hermeneutics Werner G. Jeanrond, 1991-06-18 An introduction to the history and scope of interpretation theory in theology It discusses hermeneutical consciousness in Christian thinking from the time of the Church Fathers up to today

Dictionary of Biblical Criticism and Interpretation Stanley E. Porter, 2007-01-24 First Published in 2007 Compiling the results from contemporary and exciting areas of research into one single important volume this book stands ahead of its field in providing a comprehensive one stop Handbook reference of biblical interpretation Examining a wide range of articles on many of the recognized interpreters including Augustine Luther and Calvin up to the modern figures of Martin Hengel and T W Manson Porter expertly combines the study of biblical interpretation with the examination of the theological and philosophical preconceptions that have influenced it and surveys the history of interpretation from different perspectives Key perspectives studied include the historical dimension addressing how interpretation has developed at various periods of time from early Jewish exegesis to the historical critical method the conceptual approach looks at the various schools of thought that have generated biblical interpretation and compares and contrasts competing conceptual models of interpretation the personal perspective addresses the reality of biblical interpretation by individuals who have helped plot the course of theological development With relevant bibliographies and a guide to further reading this Dictionary will be an extremely important reference held for many years not only by libraries but also by students scholars clergy and teachers of this fascinating and high profile subject

Virtue Hermeneutics Robert M. Eby, 2022-03-08 Contemporary

hermeneutics is an unavoidable but deeply troubled discipline At the root of the problem is the classic epistemological question What makes an interpretation justifiable Since the beginning of Modernity interpreters have offered multiplied answers to this question Historicity linguistics social constructs and contemporary flashes of revelation are but a few of the proposed solutions but if the question is ultimately epistemological it follows that the answer may emerge from this same place Current research in the field of virtue epistemology has awakened interest in a new path forward for hermeneutics by looking to a time before the emergence of unstable modern frameworks In *Virtue Hermeneutics* a justified understanding of Scripture that engages all of the participants in the interpretive dialogue author text reader and reading community is discovered in the interpretive character of the wise reader From this starting point hermeneutics is able to move forward in a way that is responsive to contemporary challenges to discerning literary meaning Ultimately a justified understanding is one that virtuously engages the author the text and all reading communities The illuminating work of the Holy Spirit in hermeneutics takes on a refreshing and meaning filled place when readers readmit intellectual virtues into the discussion

A Theologian's Guide to Heidegger Hue Woodson, 2019-08-30 *A Theologian's Guide to Heidegger* provides a uniquely theological introduction to the philosophy of Martin Heidegger by focusing on not just the relationship between Heidegger and theology or even the nature of the discourse that must occur between theological concerns and Heidegger's philosophical errands but by precisely exploring how theology can use Heidegger's philosophy as a means of outlining the scope and task of postmodern theology To do this especially with the postmodern theologian in mind this book considers the general relationship between Heidegger and theology how Heidegger can be read theologically while justifying why Heidegger must be read this way and defining the role that Heidegger must take in postmodern theology This includes a careful consideration of Heidegger's early theological roots from Freiburg to Marburg by examining the content of Heidegger's lesser known theologically minded seminars lectures and talks

War Time Preaching and Teaching Jeffrey J. Richards, 2012-10-22 *War Time Preaching and Teaching* explores the hermeneutics science of interpretation and homiletics art of preaching of both Rudolf Bultmann and Dietrich Bonhoeffer The book explores the thought and impact of these two theologians primarily within the American debate Both Bultmann and Bonhoeffer are somewhat misunderstood and it seems that they are either totally accepted or rejected depending in many instances on one's personal understanding of their method of biblical interpretation The book attempts to objectively view their methods of biblical interpretation and how they expressed their research in their writings preaching and teaching Both concluded that the presenting of the Gospel in a relevant manner is the ultimate need for humankind today Both lived during a most challenging period of world history but were able to communicate in a captivating manner Certainly the times in which we live today call for those who possess a similar commitment

Christ and the Other Reverend Dr Graham Adams, 2017-03-02 How should we relate to others those within a particular tradition those of different traditions and those who are oppressed In the light of these anxieties and

building on the work of Andrew Shanks this book offers a vision of Christ as the Shaken One rooted in community with others Shaped through dialogue with the theologies of John Hick and Lesslie Newbigin Adams urges Christian communities to attend more deeply to the demands of ecumenical dialogical and political theologies to embody an ever greater solidarity of others a quality of community better demonstrating Christlike other regard **Biblical Theology** Prof. Leo

Perdue,2010-10-01 One of the thorniest problems in theological study is the relationship between biblical studies on the one hand and constructive theology on the other Theologians know that the Bible is the core source document for theological construction and hence that they must be in conversation with the best in critical study of Scripture For many biblical scholars the point of what they do is to help the biblical text speak to today s church and world and hence they would do well to be in conversation with contemporary theology Yet too often the two groups fail to engage each other s work in significant and productive ways The purpose of the Library of Biblical Theology and this introductory volume to it is to bring the worlds of biblical scholarship and constructive theology together It will do so by reviving biblical theology as a discipline that describes the faith of the biblical periods on the one hand and on the other hand articulates normative understandings of modern faith and practice In this volume the authors begin by providing an overview of the history and possible future of biblical theology They introduce biblical theology as a fundamentally contrastive discipline one that is neither dogmatic theology seeking to explain the official teachings of a particular Christian tradition nor is it a purely historical approach to Scripture eschewing questions of the Bible s contemporary message and meaning Rather biblical theology takes seriously both the need to understand the message of Scripture in its particular historical context and the need to address that message to questions that confront contemporary human life **The Pursuit of Safety** Jeremy Lundgren,2024-10-01 In this

constructive theological analysis of safety theologian Jeremy Lundgren addresses the conceptual development of safety through premodern early modern and late modern settings and gives practical guidance on how to faithfully engage the pursuit of safety in the present day Encyclopedia of Protestantism J. Gordon Melton,2005 An illustrated A to Z reference containing over 600 entries providing information on the theology people historical events institutions and movements related to Protestantism **Karl Barth** Karl Barth, Ranked by many among the great theologians of church history Karl Barth was the leading European theologian in the first half of this century His 1919 Romans signaled the end of the nineteenth century liberal theology and his Church Dogmatics reconstructed Christian doctrine in a way that was both classical and modern A champion of the freedom of the Christian community Barth s theology links the Bible and the newspaper Christian doctrine with the ethical issues of politics and economics justice and peace This volume concentrates on the key texts and ideas in Barth s thought It presents the essential Barth for students and the general reader Clifford Green s introductory essay and comments on the selected texts set Barth in his historical context chart the development of his thought and indicate the significance of his theology in the development of Christian theology as a whole **Theology and**

Contemporary Critical Theory Graham Ward, 1996-09-06 Graham Ward examines the core skills approaches and concepts employed in the study of theology and relates them to the work of relevant critical theorists Distinguishing theology's concern with representation history ethics and the experience of transcendence the book then reviews the work of two or three particular postmodern thinkers whose ideas challenge the traditional ways theology has handled these concerns The book suggests the way in which the study of theology may be transformed through a developed engagement with contemporary critical theory

Fifty Key Christian Thinkers Peter McEnhill, G. M. Newlands, 2004 Provides both valuable information and stimulating debate on the lives and work of fifty of the most important Christian theologians from the emergence of the faith 2000 years ago to the present day

Evangelical Dictionary of Theology Walter A. Elwell, 2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics

Dictionary of Existentialism Haim Gordon, 2013-10-31 Existentialism as a philosophy gained prominence after World War II Instead of focusing upon a particular aspect of human existence existentialists argued that our focus must be upon the whole being as he/she exists in the world Rebellious against the rationalism of such philosophers as Descartes and Hegel existentialists reject the emphasis placed on man as primarily a thinking being Freedom is central to human existence and human relations and encounters cannot be reduced simply to thinking This Dictionary provides through alphabetically arranged entries overviews of the various tenets philosophers and writers of existentialism and of those writers philosophers who in retrospect seem to existentialists to espouse their philosophy Nietzsche Kierkegaard Dostoyevski et al
