Rudyard Kipling A New Appreciation:

Rudyard Kipling Hilton Brown,1947 *Rudyard Kipling* Roger Lancelyn Green,2013-07-04 This set comprises 40 volumes covering 19th and 20th century European and American authors These volumes will be available as a complete set mini boxed sets by theme or as individual volumes This second set compliments the first 68 volume set of Critical Heritage published by Routledge in October 1995 *Rudyard Kipling. A New Appreciation, Etc. [With Portraits.]*. Charles Hilton Brown,1945 **Rudyard Kipling, a New Appreciation; with a Foreword by Frank Swinnerton** Hilton Brown,1946

Rudyard Kipling Harold Bloom,2009 Examination of Kipling s short stories include Lispeth Mrs Bathurst The Church That Was at Antioch and Without Benefit of Clergy **Kipling's Children's Literature** Sue Walsh,2016-04-22 Despite Kipling s popularity as an author and his standing as a politically controversial figure much of his work has remained relatively unexamined due to its characterization as children s literature Sue Walsh challenges the apparently clear division between children s and adult literature and poses important questions about how these strict categories have influenced critical work on Kipling and on literature in general For example why are some of Kipling s books viewed as children s literature and what critical assumptions does this label produce Why is it that Kim is viewed by critics as transcending attempts at categorization Using Kipling as a case study Walsh discusses texts such as Kim The Jungle Books the Just So Stories Puck of Pook s Hill and Rewards and Fairies re evaluating earlier critical approaches and offering fresh readings of these relatively neglected works In the process she suggests new directions for postcolonial and childhood studies and interrogates the way biographical criticism on children s literature in particular has tended to supersede and obstruct other kinds of readings Children's Literature K. Lesnik-Oberstein,2004-08-31 Children s Literature New Approaches is a guide for graduate and upper level undergraduate students of children s literature It is structured through critics reading individual texts to bring out wider issues that are current in the field Includes chronology of key events and publications a selective guide to further reading and a list of Web based resources **The Complete Stalky & Co** Rudyard Kipling,2009-02-26 Kipling portrays school as the first stage of a much larger game a pattern maker for the experiences of life Implied throughout the stories is the question What happened to these fifteen year old boys and how did the lessons they learned at school apply to the world of warfare and imperial government The stories are based on Kipling s own school the United Services College at Westward Ho in Devon which prepared boys destined for the army or for colonial service Kipling himself appears as the subordinate character Beetle This edition includes five Stalky stories which did not appear in the original volume and thus constitutes a Complete Stalky Co ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much

more **The Day's Work** John D. Coates,1997 Although Kipling has never lost his hold on a large and admiring public recent years have witnessed an increasing critical interest in his work This book approaches Kipling as a writer who from the outset of his career sensed a potential or actual horror at the heart of things It examines Kipling's search for meaning a research pursued on the political moral and religious planes through original and highly sophisticated explorations of history and myth It presents Kipling as a person who knew and understood his own suffering and used it in his search for strategies to deal with the temptations of pessimism that he had known and also the prevailing temptations in a political and intellectual crisis he felt obliged to address Just So Stories for Little Children Rudyard Kipling,2009-01-29 How did the camel get his hump Why won't cats do as they are told Who invented reading and writing How did an inquisitive little elephant change the lives of elephants everywhere Kipling's imagined answers to such questions draw on the beast fables he heard as a child in India as well as on folk traditions he later collected all over the world He plays games with language exploring the relationships between thought speech and written word He also celebrates his own joy in fatherhood The tales were told to his own and his friends children over many years before he wrote them down adding poems and his own illustrations They invite older and younger readers to share a magical experience each contributing to the other's pleasure but each can also enjoy them alone as more jokes subtexts and exotic references emerge with every reading This fully illustrated edition includes two extra stories and Kipling's own explanation of the title ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more The Jungle Books Rudyard Kipling,2008-06-12 Presents the adventures of Mowgli a boy reared by a pack of wolves and the wild animals of the jungle Also includes other short stories set in India A Kipling Dictionary W.Arthur Young,John H. McGivering,1967-06-18 *British Poets and Secret Societies (Routledge Revivals)* Marie Mulvey-Roberts,2014-08-01 A surprisingly large number of English poets have either belonged to a secret society or been strongly influenced by its tenets One of the best known examples is Christopher Smart's membership of the Freemasons and the resulting influence of Masonic doctrines on A Song to David However many other poets have belonged to or been influenced by not only the Freemasons but the Rosicrucians Gormogons and Hell Fire Clubs First published in 1986 this study concentrates on five major examples Smart Burns William Blake William Butler Yeats and Rudyard Kipling as well as a number of other poets Marie Roberts questions why so many poets have been powerfully attracted to the secret societies and considers the effectiveness of poetry as a medium for conveying secret emblems and ritual She shows how some poets believed that poetry would prove a hidden symbolic language in which to reveal great truths The beliefs of these poets are as diverse as their practice and this book sheds fascinating light on several major writers The Creator as Critic and Other
